INDEPENDENT AUDITOR'S REPORT

September 24, 2026

To the Participants and Administrator of the
Genesee & Wyoming Inc. 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Genesee & Wyoming, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Genesee & Wyoming, Inc. 401(k) Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Genesee & Wyoming, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesee & Wyoming, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Genesee & Wyoming, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesee & Wyoming, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Genesee & Wyoming Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established as a participant-directed defined contribution plan for certain employees of Genesee & Wyoming Inc. (the Company and Employer), on January 1, 1994. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company sponsors the Plan, and the Benefit Committee administers the Plan. Fidelity Management Trust Company is the trustee of the Plan's assets and provides recordkeeping services.

Eligibility

Under the provisions of the Plan, all employees of the Company on November 1, 1993, except for those employed under collective bargaining agreements and resident of Puerto Rico, became Plan participants. All other employees, except for those employed under collective bargaining agreements that have not separately bargained to be allowed to participate, become eligible to participate in the Plan on the first day of the month following their date of hire. Employees become eligible to receive employer-matching contributions on the first day of the quarter following the completion of one year of service.

Contributions

The Plan allows for participant contributions up to 85% of their total compensation on both a pretax and post-tax (Roth) basis (Compensation Deferral), not to exceed the maximum contribution limit established by the Internal Revenue Code (IRC). The Plan includes an automatic enrollment provision. Newly eligible employees who have not affirmatively opted out of enrollment in the Plan are automatically enrolled at a 4% elected pre-tax deferral. The Company contributes to the Plan for non-union employees an amount equal to 100% of the employee's Compensation Deferral, not to exceed 4% of the employee's pretax compensation. The Company contributes amounts to the Plan for collectively bargained employees in accordance with matching formulas specifically agreed to in those collective bargaining agreements. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Company may contribute an additional amount to the Plan as determined by the Board of Directors, based on the earnings of the Company, although the Company has no obligation to do so. No discretionary contributions were made in 2025 or 2024.

The Plan allows participants who are projected to be age 50 or older by the end of the taxable year and who are making Compensation Deferrals to make a catch-up contribution of up to $7,500 annually, which is in accordance with IRC limits.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Effective January 1, 2025, pursuant to provisions of the SECURE 2.0 Act of 2022 and subject to Plan provisions, participants who attained ages 60 through 63 during the Plan year were eligible to make enhanced catch-up contributions. The enhanced catch-up contribution limit was equal to the greater of (a) 150% of the regular catch-up contribution limit established under Internal Revenue Code Section 414(v) or (b) $10,000, as adjusted for inflation by the Internal Revenue Service. Participants eligible for the enhanced catch-up contribution limit were not eligible to make both the regular and enhanced catch-up contributions; rather, the enhanced limit replaced the otherwise applicable catch-up contribution limit.

Participant Accounts

Participants direct the investment of their contributions and the Employer's matching and discretionary contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, the Company's matching contributions and allocations of (a) the Employer's discretionary contributions and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately 100% vested in their contributions, employer matching contributions and actual earnings and losses thereon.

Benefits Paid to Participants

Upon retirement, death, disability or termination of service, a participant receives a lump-sum distribution equal to his or her vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

Notes Receivable from Participants

Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years, or up to 10 years for the purchase of a principal residence. The loans are secured by the participant's account and bear interest at the prime rate plus 2% on the date the loan is issued from the Plan.

Administrative Expenses

Certain administrative expenses of the Plan are paid by a recordkeeping fee deducted from participant accounts. Distribution and loan fees are charged directly to the participants for the transactions and are paid out of the proceeds of the distribution or loan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. The net appreciation (depreciation) in fair value of investments consists of both realized and unrealized gains or losses on the Plan's investments bought, sold, and held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy
Generally accepted accounting principles defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the hierarchy is provided in Note 4.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefit Payments
Benefit payments are recorded when paid.

Risks and Uncertainties
Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Estimates
The preparation of financial statements in accordance with generally accepted accounting principles requires management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2025	2024
Investments, at fair value	$ 300,006,290	$ 253,635,529
Notes receivable from participants	$ 11,408,427	$ 10,704,815
Investment income	$ 42,985,894	$ 30,608,159
Interest income on notes receivable from participants	$ 1,008,950	$ 872,354
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$298,341,748	$ -	$ -	298,341,748
Collective trust fund, at net asset value (a)				1,664,542
Total investments				$300,006,290

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$251,243,353	$ -	$ -	$251,243,353
Collective trust fund, at net asset value (a)				2,392,176
Total investments				$253,635,529

(a) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: valued at fair value based on quoted market prices.

Collective trust fund: valued at the NAV of units of the bank collective trusts. The NAV, as provided by the trustee of the funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the trustee of the funds reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner, which is not probable of occurring at December 31, 2025.

Investments Measured Using NAV per Share Practical Expedient
The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2025 and 2024. Participants are prohibited from directing investments into a competing fund without first investing in a non-competing fund for at least ninety days.

	December 31, 2025			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust fund	$ 1,664,542	N/A	Daily	None

	December 31, 2024			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust fund	$ 2,392,176	N/A	Daily	None

5. TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving this determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

6. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such complete discontinuance of contributions or termination of the Plan, the value of the participants' accounts will be distributed to such participants or their beneficiaries from net assets available for benefits.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments consist of units in investment funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company manages these investments and, therefore, these transactions qualify as party-in-interest as defined by ERISA. Additionally, certain plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 311,574,431	$ 264,409,126
Contributions receivable (employee and employer)	(159,714)	(68,782)
Cumulative contract value to fair value adjustment of the collective trust fund	-	(161,643)
Net assets available for benefits per Form 5500	$ 311,414,717	$ 264,178,701

The following table provides a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2025	2024
Change in net assets available for benefits, per the financial statements	$ 47,165,305	$ 31,085,968
Change in contributions receivable (employee and employer)	90,932	369,464
Change in contract value to fair value adjustment of the collective trust fund	(20,221)	18,992
Change in net assets available for benefits per Form 5500	$ 47,236,016	$ 31,474,424

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 24, 2026, which is the date the financial statements were available to be issued.
