INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Miller Kaplan Arase LLP
401(k) Profit Sharing Plan
Burbank, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Miller Kaplan Arase LLP 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of Miller Kaplan Arase LLP 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General: The Plan is a defined contribution plan covering all employees of Miller Kaplan Arase LLP (the Company or Employer) who have completed one month of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Eligible employees may elect to have 1% to 85% of their compensation, as defined in the Plan, deducted each pay period and contributed to the Plan. Automatic enrollment deferrals start at 3% with an annual increase of 1% up to a maximum rate of 10%. Participants age 50 and over are permitted to make catch-up contributions, as defined in the Plan document. The maximum employee deferral and catch-up contributions are subject to certain Internal Revenue Code (IRC) limitations. The Plan does not provide for a matching contribution, but the Company may make, at its discretion, a profit sharing contribution to all participants who have worked 1,000 hours during the Plan year and are still employed with the Company at year-end.

Participant Accounts: Each participant's account is credited with the participant's contributions, rollover contributions, and an allocation of (a) the Company's profit sharing contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses, if such expenses are not paid by the Company.

Participant Notes Receivable: Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate of interest plus 1%. Loans must be repaid over a period not to exceed five years from the date of the loan, unless the loan is used for the purchase of the principal residence of the participant, for which the repayment period may extend beyond five years.

Investment Options: Participants may select investment accounts in which employee deferrals, rollovers, and the Company's profit sharing contributions will be invested. Participants may select from various funds offered through Fidelity Management Trust Company (Fidelity).

Vesting: Participants are always fully vested in their employee deferral and rollover contributions plus earnings thereon. Participants vest in the Company's profit sharing contribution account according to the following schedule:

Years of Service	Percentage Vested
Less than 3	0%
3 or more	100%

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notwithstanding the above, if a participant (1) attains the age of 65 (2) dies or (3) terminates employment by reason of permanent disability, the Company's profit sharing contribution amounts become 100% vested without regard to years of service.

Payment of Benefits: At the election of the participant or beneficiary, distributions of a participant's account are made upon termination of service, death, disability or retirement. Distributions are made in a lump-sum payment or partial lump sum distributions. If a participant's vested account is greater than $1,000 but less than $5,000, and if the participant does not elect to have a rollover into a specific retirement account or to receive a distribution directly, such account will be rolled over to an Individual Retirement Account. In addition, an in-service withdrawal can be made in the form of a lump-sum payment to participants who have attained the age of 59-1/2 or for hardship as allowed under the IRC.

Forfeitures: Participants who are not 100% vested will forfeit the nonvested portion of the Company profit sharing contributions upon termination of employment. Such forfeitures may be applied to reduce future Employer contributions or administrative expenses. Forfeitures of approximately $35,000 were applied against Company contributions for the year ended December 31, 2025. There was a balance of approximately $15,000 and $49,000 available for future use in the forfeiture account at December 31, 2025 and 2024, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of the Plan are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Valuation of Notes Receivable from Participants: Notes receivable from participants are stated at their unpaid principal balances plus any accrued interest.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions Receivable: Contributions receivable are recognized when amounts are due to the Plan from employers, participants, or other sources as of the reporting date. Recognition is based on a demonstrated commitment, such as a formal resolution, a consistent funding policy, a tax deduction taken by the employer, or the employer's recording of a liability.

Payment of Benefits: Benefits are recorded when paid.

Administrative Fees: The Company pays the administrative fees and recordkeeping expenses in connection with the Plan, but if not paid by the Company when due, such fees shall be paid from Plan funds.

NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, notes receivable from participants, and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Fidelity, the trustee, in accordance with Section 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. TAX-EXEMPT STATUS

The Company has adopted a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement (CODA) that received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. Plan management has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2025, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2022.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

NOTE 6. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by affiliates of Fidelity; therefore, these transactions qualify as party-in-interest transactions as defined by ERISA.

NOTE 7. CONCENTRATION OF CREDIT RISK

The Plan provides for various investment options in mutual funds and a common/collective trust. Investment securities within these options are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that give the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1 Observable quoted prices in active markets for identical assets and liabilities.

Level 2 Observable quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3 Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

There have been no changes in the methodologies used as of December 31, 2025 and 2024. The following methods and assumptions were used to estimate the fair value of each class of assets that are recognized at fair value.

Mutual funds: Valued using quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year end.

Money market funds: The carrying value approximates fair value.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

Common/collective trust: Valued at its respective NAV as reported by the trustee. The NAV is used as a practical expedient to estimate fair value. The common/collective trust consists of a stable value fund which holds fully benefit-responsive investment contracts. The stable value fund's investments primarily consist of synthetic and traditional guaranteed investment contracts and a short-term money market instrument.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurements Using			
At December 31, 2025	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments in the common/collective trust for which fair value is measured using the net asset value per share practical expedient.

At December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common/collective trust				
Stable Value Fund	$ 2,590,594	N/A	Daily	N/A

At December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common/collective trust				
Stable Value Fund	$ 2,619,819	N/A	Daily	N/A

NOTE 9. DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2024, certain employee deferrals and loan payments totaling $176,275 were not remitted to the Plan within the timeframe required by the DOL. The delinquent contributions and related lost earnings were contributed to the Plan during 2025.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued and has determined no events or transactions require recognition or disclosure in these financial statements.
