Independent Auditors' Report

To the J. R. Pierce Plumbing Company
Profit Sharing Plan Sponsor
Rocklin, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of J. R. Pierce Plumbing Company Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements were issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of Plan

The following description of the J. R. Pierce Plumbing Company Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on October 1, 1990, to provide eligible employees of J. R. Pierce Co., Inc. of Sacramento (the Company) with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). All non-bargaining unit employees over the age of 21 are eligible to participate in the Plan on their first day of quarter following the completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to make tax deferred contributions to the Plan up to 100% of their eligible compensation, subject to a limit of $23,500 (for 2025). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to $7,500 (for 2025). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also includes an automatic enrollment feature. The employee is notified that the employer will withhold a percentage of 3% of eligible compensation with annual increases of 1% to a maximum of 6% of compensation. Each participant may elect to have their individual account invested in a combination of funds held by the Plan’s custodian.

The Company may make discretionary matching contributions to the Plan. To be eligible for these contributions, the participant must be making deferral contributions to the Plan.

The Company may also elect to make profit sharing contributions. To be eligible for these contributions, the participant must have completed one year of service and attained the age of 21. No profit sharing contribution was made for the year ended December 31, 2025. All contributions are subject to limits set by Federal law.

Participant Accounts

Each participant’s account is credited with the participant’s own contributions, an allocation of the Company’s contributions, and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant’s contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant’s account. Participants select the investments into which their contributions are invested.

Note 1: Description of Plan (Continued)

Vesting

Participants are always fully vested in their own contributions. Participant vest in Company contributions at the rate of 20% for each year of service until fully vested, beginning after one year of credited service. Participants are fully vested in Company contributions after six years of credited service.

Forfeitures

Contributions by the Company that are forfeited by participants upon termination may be used by the Company to pay Plan administrative expenses or reduce employer contributions in the Plan. At December 31, 2025 and 2024, forfeitures available to offset Plan expenses or employer contributions were $17,588 and $1,091, respectively. During the year ended December 31, 2025, forfeitures of $13,600 were used to offset employer contributions.

Payment of Benefits

Withdrawals are allowed in the event of termination, disability, death, retirement, attainment of age 59 ½, or financial hardship. Depending upon the event, the withdrawal may be subject to early withdrawal penalties imposed by the IRC and the California Taxation Code. Payments will be made in the form of a lump sum amount or in installments in certain circumstances.

Notes Receivable from Participants

Notes receivable from participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. A participant is allowed to borrow a minimum of $1,000, up to one half of the vested balance of their Plan account, up to a maximum of $50,000. Loans must be repaid over no more than a five-year period with the exception of a loan for the participants' principal residence that may have a repayment period beyond five years. Principal and interest is paid ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value. The loans are secured by the participant's balance.

Administrative Expenses

The Company, as Plan sponsor, pays certain administrative expenses on behalf of the Plan. Participants' accounts are adjusted for fees pertaining to termination processing, and are charged for expenses incurred by the custodian and trustees in the performance of their duties.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value and contract value as certified by the Plan's custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at amortized cost, which represents the unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing the accompanying financial statements, management has considered events that have occurred after December 31, 2025, through September 24, 2026, the date these financial statements were available for issuance. As of such date, management was not aware of any events requiring additional recognition or disclosure.

Note 3: Information Certified by the Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the custodian).

Note 4: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1) Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2) Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3) Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: During the years ended December 31, 2025 and December 31, 2024, the Plan has an investment contract with an insurance company, which is called Standard Stable Asset B. The insurance company maintains contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. These funds are valued using the net asset value practical expedient (NAV practical expedient). The NAV practical expedient is based on the fair value of the underlying assets of the account, minus its liabilities. The NAV practical expedient of this fund is calculated based on a compilation of primarily observable market information. There were no unfunded commitments or redemption restrictions at December 31, 2025 and 2024.

Note 4: Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 15,293,321	-	-	15,293,321
Total assets in the fair value hierarchy	$ 15,293,321	-	-	15,293,321
Investments measured at NAV (practical expedient)				202,522
Investments at fair value				$ 15,495,843

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 12,682,174	-	-	12,682,174
Total assets in the fair value hierarchy	$ 12,682,174	-	-	12,682,174
Investments measured at NAV (practical expedient)				222,154
Investments at fair value				$ 12,904,328

Note 5: Plan Termination

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay expenses properly charged to the Plan. The remaining Plan assets would then be distributed to participants.

Note 6: Tax Status

On June 30, 2020, the IRS stated that the non-standardized pre-approved plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6: Tax Status (Continued)

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8: Party-in-Interest Transactions

Certain Plan investments include shares of registered investment company funds managed by The Standard and Charles Schwab Trust Bank. As The Standard and Charles Schwab Trust Bank are the recordkeeper and custodian, respectively, of the Plan, transactions with these entities qualify as exempt party-in-interest transactions.

Note 9: Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to the Plan's Form 5500:

	2025	2024
Net assets available for benefits per financial statements	$ 15,959,851	13,246,453
Excess contributions payable	6,485	5,367
Net assets available for benefits per Form 5500	$ 15,966,336	13,251,820

The following is a reconciliation of participant contributions per the financial statements for the year ended December 31, 2025, to the Plan's Form 5500:

Participant contributions per financial statements	$ 1,334,163
2025 excess contributions	6,485
Participant contributions per Form 5500	$ 1,340,648

Note 9: Reconciliation of the Financial Statements to Form 5500 (Continued)

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025, to the Plan's Form 5500:

Total participant benefit payments per financial statements	$	952,628
2024 excess contributions		5,367
Total participant benefit payments per Form 5500	$	957,995

Amounts allocated to employee contributions, employer contributions and benefits paid to participants are recorded on the financial statements for employer contributions and benefits that have been collected or owed, but not yet remitted to the Plan as of December 31, 2025.

Note 10: Non-Exempt Transactions

During the year ended December 31, 2025, certain participant contributions totaling $55,771 were remitted into the Plan subsequent to period prescribed by DOL regulations. Delays in remitting contributions to the Plan occurred during recordkeeper's processing. During 2026, the recordkeeper subsequently addressed the delayed processing and funded any related earnings for the year ended December 31, 2025.
