Independent Auditor's Report

To the Trustees
CNA Supplemental Unemployment Benefit Plan

Opinion

We have audited the financial statements of CNA Supplemental Unemployment Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024 and the changes in net assets available for benefits for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

PRAXITY™
Empowering Business Globally

To the Trustees
CNA Supplemental Unemployment Benefit Plan

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

CNA Supplemental Unemployment Benefit Plan

Notes to Financial Statements

Note A. Description of Plan

The following brief description of the CNA Supplemental Unemployment Benefit Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

Continental Casualty Company (CCC), an indirect wholly-owned subsidiary of CNA Financial Corporation (CNA), established the Plan effective April 1, 2013. CNA is a majority-owned subsidiary of Loews Corporation. The Plan was established to provide supplemental unemployment compensation, employment incentive payments and separation benefits to eligible employees of CCC and CNA National Warranty Corporation (CNAN) who have been involuntarily terminated due to job elimination or reduction in force. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. CCC is the Plan Sponsor.

Supplemental unemployment compensation payments to Plan participants are made through the CNA Employees' Health Plan Trust (the Master Trust). The Trustees of the Master Trust are senior executives of CCC. Effective January 1, 2025, the Plan assumed 100% interest in the Master Trust. The Plan's interest in the assets of the Master Trust was 0% as of December 31, 2024. There were no Plan assets in the Master Trust as of December 31, 2025 and 2024. Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify benefits, discontinue its contributions at any time, or terminate the Plan subject to the provisions set forth in ERISA. Upon amendment to or termination of the Plan, an employee's right to participate in or receive Plan benefits may be changed provided any such amendment or termination does not adversely affect the employee's rights to any remaining unpaid benefits for which payment had commenced or was payable to the employee.

Benefits

The benefits provided under the Plan combined with unemployment compensation benefits received from the state in which the participant was employed by CCC or CNAN represent a participant's total unemployment benefits. The benefit period is dependent on full-time or part-time employment status, years of service, age at the time of termination and if and when a participant obtains new employment. The amount of benefits received from the Plan are dependent upon current base pay and the amount of state unemployment compensation benefits.

Contributions

The Plan is funded by contributions from the Plan Sponsor. Contributions for supplemental unemployment compensation payments occur weekly and are made to the Master Trust. Contributions for employment incentive payments and separation benefits, which are made from general corporate assets of the Plan Sponsor at the time of payment to the participants, were $1,244 thousand for the year ended December 31, 2025.

Note B. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results may differ from those estimates.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Additionally, the Plan Sponsor provides certain administrative services to the Plan at no charge.

Note C. Benefit Obligations

The postemployment benefit obligation represents estimated amounts payable to eligible participants that have been terminated or notified of termination and for probable termination decisions made by management that are reasonably estimable, which includes employment incentive payments and separation benefits paid through the Plan Sponsor and benefits paid to participants through the Master Trust.

The postemployment benefit obligation is estimated based on the remaining eligible benefit amounts for individual participants under the terms of the Plan. The estimated obligation is reduced for expected state unemployment benefits and anticipated savings due to employment incentive payments. Expected state unemployment benefits and employment incentive payment savings are determined using management's estimates based primarily on the Plan's historical benefit payment experience.

The postemployment benefit obligation was $313 thousand and $526 thousand as of December 31, 2025 and 2024. The decrease in the postemployment benefit obligation compared to the prior year relates to the relative size of the participant balances of the terminated eligible participants who had outstanding accrued benefits as of year-end. The postemployment benefit obligation represents the amount that is to be funded by contributions from the Plan Sponsor as denoted in the Contributions section in Note A.

Note D. Tax Status

The Plan's Master Trust obtained a letter from the Internal Revenue Service (IRS) dated March 31, 1988, in which the IRS recognized the Master Trust's exempt status under Sections 501(a) and 501(c)(9) of the Internal Revenue Code (IRC). Although the Master Trust document has been amended since receiving the IRS letter, the Plan's Sponsor believes that the Master Trust is currently designed, and both the Plan and the Master Trust are being operated, in accordance with applicable requirements of the IRC. Therefore, no provision for taxes has been included in the Plan's financial statements, and there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The IRS is not currently examining the Plan.

Note E. Reconciliation to Form 5500

Certain amounts reported on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025 differ from the amounts as reported on the Plan's Form 5500 for 2025. Reconciliations of Employer contributions and Benefits paid to participants for the year ended December 31, 2025 to the Form 5500 are presented in the tables below.

Year ended December 31	
(In thousands)	**2025**
Employer contributions as reported on the financial statements	$ 1,950
Less: Employer contributions for employment incentive payments and separation benefits	(1,244)
Employer contributions as reported on the Form 5500	$ 706

Year ended December 31	
(In thousands)	**2025**
Benefits paid to participants as reported on the financial statements	$ 1,927
Less: Employment incentive payments and separation benefits paid to participants	(1,244)
Benefits paid to participants as reported on the Form 5500	$ 683

Employment incentive payments and separation benefits are sourced from general corporate assets of the Plan Sponsor at the time of payment to the participants and do not flow through the Master Trust. Employer contributions and Benefits paid to participants as reported on the Form 5500 only include payments that flow

through the Master Trust. Therefore, employment incentive payments and separation benefits represent a reconciling item.

Note F. Contingencies

The Plan is subject to ERISA regulations, which allow participants to appeal the level of benefits received under the Plan. If participants do not receive a favorable reply to their appeal, they have the right to escalate their appeal to legal action.

The Plan and the Plan Sponsor may be parties to litigation arising in the ordinary operation of the Plan. Based on the facts and circumstances currently known, such litigation will not, in the opinion of the Plan Sponsor, materially affect the Plan's financial statements.

Note G. Subsequent Events

Management has evaluated all subsequent events through September 3, 2026, the date the financial statements were available to be issued.
