INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Committee of
The Carpenter Group 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Carpenter Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Carpenter Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Carpenter Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Carpenter Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Carpenter Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Carpenter Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of The Carpenter Group 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions. The Plan is a defined contribution plan that was originally effective August 1, 1985. Effective September 1, 2024, the Plan was amended and restated to adopt a pre-approved prototype plan document and to convert from a non-contributory profit sharing plan to a contributory 401(k) plan.

General

The Plan is a defined contribution plan which covers all full-time employees of The Carpenter Group (the "Company") and Consolidated Rigging & Marine Supply Holding, LLC, a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Union employees and non-legal U.S. residents are excluded from participation in the Plan unless such agreement expressly provides for participation in the Plan.

Under the plan agreement, participants may also benefit from discretionary employer matching contributions as well as rollover contributions.

Consolidated Rigging & Marine Supply Holding, LLC ceased participation during 2025 in connection with a spin-off transaction as described in Note 9.

Eligibility

Employees become eligible to participate at age 18 and after completing 3 months of employment. The entry date is the first day of the month coinciding with or next following the date when eligibility requirements are met. The entry date will be the same for all contributions.

Contributions

Eligible employees ("participants") may contribute from 1% to 90% of annual compensation, subject to limitations under the Internal Revenue Code. Participants who reach age 50 before the end of the Plan year may make catch-up contributions. New participants are automatically enrolled at an initial deferral rate of 3% of compensation per payroll period. The automatic deferral rate increases by 1% on the first day of each calendar year, up to a maximum of 10%.

Employer Contributions

The Plan provides for discretionary employer matching contributions as determined by the Employer in accordance with the provisions of the Plan document. For the year ended December 31, 2025, the Employer authorized matching contributions of $53,700. In accordance with the Plan's provisions, $15,644 of available forfeitures was applied to reduce the employer's funding obligation, resulting in a net employer matching contribution of $38,056. In addition, the Employer made a Qualified Nonelective Contribution (QNEC) of $1,589 during the year.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The allocation of the participant's account balance to various investments offered by the Plan is entirely participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Company's discretionary matching contributions portion of a participant's account balance is based on years of continuous service. A year of service is obtained upon completion of a twelve-month period from the date of hire. A participant vests in the Company's contributions at the rate of 20% per year beginning in year two and is 100% vested after six years of credited service.

Payment of benefits

Benefits are payable to participants or designated beneficiaries upon retirement, termination, death, disability, or in-service if the participant has attained age 59 ½. Distributions may be paid in a lump sum amount equal to the value of the participant's vested interest in his or her account.

The Plan allows for automatic distribution of participant accounts that have a vested balance of $7,000 or less on the date of separation.

Break in service

A participant will incur a break in service using the elapsed time method. Under this method, a break in service is generally defined as a period during which an employee is not employed by the employer, regardless of hours worked.

Administrative expenses

The Plan's recordkeeper fees and all other administration costs are paid directly by the Plan.

Forfeitures

Forfeitures are created when participants terminate employment before becoming 100% vested in their account balance with respect to employer contributions. Forfeitures are held in a stable value fund until they are used to pay plan expenses or to offset employer contributions. For the year ended December 31, 2025, forfeitures in the amount of $15,644 were used to fund the employer matching contribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid.

Under the Plan, a participant attains normal retirement age upon reaching the later of age 65 or the fifth anniversary of the participant's commencement of Plan participation.

Subsequent events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of events that affect the financial statements. Management believes there are no subsequent events for recording or disclosure in the financial statements for the year ended December 31, 2025. Subsequent events were evaluated through September 24, 2026, which is the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES AND CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, City National Bank and ADP Retirement Trust Services, LLC, the trustees and custodians of the Plan, have certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments and dividend income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investments reflected on the schedule of assets held at December 31, 2025.

NOTE 4. FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual funds: Valued at the daily closing price, as reported by the fund. Funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Limited partnership interest: Valued at the NAV of interest in limited partnership. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the investment would be sold for an amount different from the reported NAV. If the Plan initiates a full redemption of the limited partnership, the issuer reserves the right to temporarily delay withdrawal from the limited partnership in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Stable value fund: Valued at the NAV of the units of the stable value fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 9,296	$ -	$ -	$ 9,296
Mutual funds	4,046,651	-	-	4,046,651
Total investments in the fair value hierarchy	$ 4,055,947	$ -	$ -	4,055,947
Investments measured at NAV per share practical expedient				280,434
Total investments, at fair value				$ 4,336,381

	2024			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 4,794	$ -	$ -	$ 4,794
Mutual funds	3,557,545	-	-	3,557,545
Total investments in the fair value hierarchy	$ 3,562,339	$ -	$ -	3,562,339
Investments measured at NAV per share practical expedient				1,433,013
Total investments, at fair value				$ 4,995,352

Investments for which the fair value is measured using the NAV at December 31, 2025 and 2024 includes an interest of $280,403 and $1,432,992 in a limited partnership and a stable value fund with a balance of $31 and $21, respectively.

The limited partnership is comprised of securities holdings with the objective of generating attractive rates of return. Investment income reported, for these holdings, in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025 includes a gain of $2,080,322.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

With regards to the limited partnership, the Plan may redeem up to 1/4 of its "Liquid Sub Capital Account" as of the last business day of each fiscal quarter, upon forty-five days' written notice to the general partner. If the Plan submits a redemption request in respect of its entire Liquid Sub Capital Account balance, such redemption request will be fulfilled as follows: (i) on the first permitted withdrawal date following receipt of such redemption request, 1/4 of the Plan's Liquid Sub Capital Account balance; (ii) on the second permitted withdrawal date following receipt of such redemption request, 1/3 of the Plan's Liquid Sub Capital Account balance; (iii) on the third Permitted Withdrawal Date following receipt of such redemption request, ½ of the Plan's Liquid Sub Capital Account balance; and (iv) on the fourth Permitted Withdrawal Date following receipt of such redemption request, 100% of the Plan's Liquid Sub Capital Account balance.

NOTE 5. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contribution accounts.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds, a partnership interest, interest-bearing cash, and a stable value fund under the custody of City National Bank and ADP Retirement Trust Services, LLC, respectively, the trustee and custodian as defined by the Plan. Fees paid by the Plan for the custodial, investment management and recordkeeping services amounted to $17,204. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

NOTE 8. INCOME TAX STATUS

The Plan document is an Automatic Data Processing (ADP) Prototype Non-standardized Pre-Approved Profit-Sharing Plan with an Internal Revenue Service (IRS) opinion letter dated October 6, 2020, in which the IRS stated that the Plan, as then designed, followed the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt. The Plan's annual return/ report of employee benefit plan filings for the past three years are subject to examination by tax authorities and may change upon examination.

NOTE 9. PARTICIPANT EMPLOYER SPIN-OFF

During 2025, Consolidated Rigging & Marine Supply Holding, LLC ceased participation in the Plan in connection with a spin-off transaction. Effective December 1, 2025, a separate qualified defined contribution plan was established for its employees. On December 23, 2025, participant account balances and related net assets totaling $110,017 were transferred from the Plan and subsequently deposited into the new plan on December 24, 2025. The transfer is presented in the accompanying statement of changes in net assets available for benefits as a transfer of assets to another plan.

The transferred participant account balances included all applicable investment earnings and losses through December 23, 2025, the date on which the assets were transferred from the Plan.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
