INDEPENDENT AUDITOR'S REPORT

To Plan Administrator and Participants
Envases Commerce LLC
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Envases Commerce LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Envases Commerce LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Envases Commerce LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Envases Commerce LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Envases Commerce LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Envases Commerce LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H Item 4i, Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of Envases Commerce LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan and was adopted in January 2021. All employees of Envases Commerce LLC (the "Company") are eligible to participate in the Plan. Participants can enter the Plan immediately after satisfying all eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Investment Committee oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Employee Contributions

Pursuant to Section 401(k) of the Internal Revenue Code (the "IRC"), participants may contribute up to the lesser of 100% of their compensation or $23,500 for 2025. Employees who are aged 50 or older may also make catch-up contributions of up to $7,500 for 2025. Participants may also rollover amounts into the Plan representing distributions from other qualified defined benefit or contribution plans.

Effective January 1, 2025, participants ages 60 through 63 became eligible to make enhanced catch-up contributions under the SECURE 2.0 Act. For 2025, the enhanced catch-up contribution limit is the greater of $100,00 or $150% of the regular age 50 catch-up contribution limit, as adjusted for inflation. Accordingly, eligible participants may defer an additional $11,250 during 2025 beyond the standard elective deferral limit.

The plan document allows for automatic enrollment of employees at 6% of the participant's compensation. This allows the Plan sponsor to automatically withhold a portion of the participants' compensation once they become eligible. This feature applies to all participants, except those who have a salary deferral agreement in effect already. Participants have the option to complete a salary deferral agreement to select an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan.

Participants direct the investment of their contributions into various investment options offered by the Plan. All participant contributions are fully vested at all times.

Employer Contributions

The Plan is classified as a safe harbor 401(k) plan. In order to satisfy the safe harbor provision, the Company will make a contribution equal to 100% of the first 2% and 50% between 2% and 6% of the participant's base compensation for the Plan year for a maximum of 4%. The Company may also elect to contribute to the Plan a discretionary profit-sharing contribution.

Each year the Company's Board of Directors may elect to contribute to the Plan a discretionary matching contribution. All participants will share in the matching contribution regardless of the amount of service completed during the year. During 2025, the Company did not make a discretionary matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching contribution, (b) any employer discretionary non-elective contribution, and (c) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit of which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the safe harbor matching contributions plus actual earnings thereon is 100% after 2 years of credited service. Vesting in the Company's discretionary profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after 2 years of service, 20% vested for every year of credited service after that, and 100% vested after 6 years of credited service.

Payment of Benefits

Upon termination of service due to death, disability, or retirement on or after normal retirement age, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or installments over a period of not more than the participant's assumed life expectancy if the vested account balance exceeds $5,000. If the vested account balance is less than $5,000, participants will receive a lump sum distribution. For termination of service for other reasons or before normal retirement age, a participant may receive the value of the vested interest in his or her account as a lump sum distribution as soon as administratively feasible, however, if the vested account balance exceeds $5,000, participants may elect to postpone distribution until their required beginning date.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of (a) $50,000 or (b) 50% of the value of their vested interest in the Plan. Loan transactions are treated as a transfer to (from) an investment fund from (to) the Participant Notes Receivable Fund. The loans are secured by the balance in the participant's account and bear interest at 6.50% - 9.50%. The interest rate is the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated.

The loans are repaid ratably through payroll deductions over a period not to exceed 5 years for general loans. Previous loan policy allowed for mortgage loans within a reasonable time frame determined by the plan administrator at the time of the loan. Some of these loans are still ongoing.

Forfeitures

A forfeiture is the non-vested portion of a terminated participant's account balance. The forfeited amount remains in the Plan and is first used to pay any administrative expenses and any remaining amounts are used to reduce any subsequent employer contributions. As of December 31, 2025 and 2024 there were $81,317 and $84,800 of forfeitures that have not yet been applied to expenses or contributions. Also, in 2025, $55,097 was used to reduce employer contributions or pay administrative expenses.

Investment Options

The assets of the Plan, both employee and employer, are allocated to the various funds at the direction of the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities, and changes therein, at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded on the Schedule H of the 5500. Under GAAP, the defaulted loan will remain a note receivable from participant until a distributable event occurs. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors, custodians, and the insurance company. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The daily operating expenses of maintaining the Plan are paid by the Plan and are reflected in the financial statements as administrative expenses. Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. Certain administrative expenses are paid directly by the Plan, such as recordkeeping, trustee, legal, and accounting fees. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

3. ASSET INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

At December 31, 2025 and 2024, the Plan's investments were held by Empower Trust Company, LLC (the "Trustee").

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The current value of investments at December 31, 2025 and 2024, as reported by the Trustee is summarized as follows:

	2025	2024
Mutual funds	$ 653,526	$ 324,577
Collective trust funds	3,817,869	2,603,453
Fixed annuities	84,139	86,225
Total investments	$ 4,555,534	$ 3,014,255

During 2025, the Plan's investments (including gains and losses on investments bought, sold, as well as held during the year), appreciated in value by $605,641.

4. FAIR VALUE MEASUREMENTS

As required by Accounting Standards Codification 820-10, *Fair Value Measurement and Disclosures,* the Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair values using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

Mutual funds: valued at the daily closing price as reported by the fund. These funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Fixed annuities: valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The fair value of the investment contract approximates contract value as of year end.

Investments Measured at Net Asset Value

Collective trusts: valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate the fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant's transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, no notification is required.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Fair Value Measurements at the End of the Reporting Period Using

December 31, 2025	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices for Similar Assets (Level 2)	Total
Mutual funds	$ 653,526	$ -	$ 653,526
Fixed annuities	-	84,139	84,139
Total assets in the fair value hierarchy	653,526	84,139	737,665
Investments measured at net asset value (a)	-	-	3,817,869
	$ 653,526	$ 84,139	$ 4,555,534

Fair Value Measurements at the End of the Reporting Period Using

December 31, 2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices for Similar Assets (Level 2)	Total
Mutual funds	$ 324,577	$ -	$ 324,577
Fixed annuities	-	86,225	86,225
Total assets in the fair value hierarchy	324,577	86,225	410,802
Investments measured at net asset value (a)	-	-	2,603,453
	$ 324,577	$ 86,225	$ 3,014,255

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value heirarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value heirarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan as direct compensation for the investment management services amounted to $48,909 for the year ended December 31, 2025.

6. TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended by the Company since receiving the determination letter, the most recent plan document date being January 2024, the plan administration and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations three years after filling.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The statements of net assets available for benefits and statement of changes in net assets available for benefits per the financial statements agree to the Schedule H of Form 5500 in its entirety.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS

For the year ended December 31, 2025, the Company has evaluated subsequent events for potential recognition and disclosure through September 30, 2026, the date of financial statement issuance. No events requiring disclosure were noted.
