Independent Auditor's Report

Plan Administrator
Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities section;

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling

such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – ***Description of the Plan***

The following description of the Everett Cash Mutual Insurance Co. Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan formed on January 1, 1980, covering all employees of Everett Cash Mutual Insurance Co. Employees are immediately eligible for entry to the plan upon hire if they are 21 years of age. An employee must have completed one year of service which is satisfied upon working 1,000 hours during their first year of service or any subsequent Plan year to be eligible for safe harbor matching contributions.

Contributions

The Plan permits employee salary deferral contributions up to the maximum allowed by law ($23,500 for the year ended December 31, 2025) plus any catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts and a common collective trust as investment options for participants.

The Plan provides employer safe harbor matching contributions equal to 100% of the first 5% of compensation deferred.

The Plan also allows for discretionary employer contributions in addition to the safe harbor matching contributions. Everett Cash Mutual Insurance Co. did not provide such discretionary contributions during 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and company matching contributions, as well as allocations of plan earnings and realized and unrealized investment gains and losses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the employer safe harbor matching contributions, plus investments earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant will receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. Participants may only have one outstanding loan which is secured by the present value of a participant's vested interest and bears interest at rates based on rates available for similar loans from commercial lending institutions. The interest rates on outstanding loans as of December 31, 2025 ranged from 5.00% and 9.50%. Principal and interest are paid ratably through payroll deductions.

Note 2 – ***Summary of Significant Accounting Policies***

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. All outstanding loans will become due and payable in their entirety upon severance of employment. Delinquent loans are reclassified as distributions based upon Plan terms.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Recent Accounting Pronouncements

Accounting standards that have been issued by the Financial Accounting Standards Board ("FASB") or other standards-setting bodies are not expected to have a material impact on the Plan's statements of net assets available for benefits, or the related statement of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2026, the date the financial statements were available to be issued.

Note 3 – ***Information Prepared and Certified by the Custodian***

The following information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Life Insurance Company (the custodian of the Plan).

	2025	2024
Investments at Fair Value :		
Registered investment companies	$ 16,059,658	$ 11,811,308
Pooled separate accounts	4,613,910	4,401,341
Common collective trust	120,036	167,832
	$ 20,793,604	$ 16,380,481

Net realized and unrealized appreciation in fair value of investments	$ 2,627,606
Interest and dividends	$ 269,089
Interest on notes receivable from participants	$ 7,616

Note 4 – ***Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at net asset value (NAV), as provided by the Custodian as a practical expedient, based on the fair value of the underlying investments. The investments have no unfunded commitments and can be redeemed daily and with a one day notice period.

Common collective trust: Valued at NAV as determined by the issuer of the common collective trust funds as a practical expedient, based on the fair value of the underlying investments. The common collective trust funds have no redemption restrictions and no future commitments from the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds:				
Fixed income	$ 87,605	$ -	$ -	$ 87,605
US Equities	1,792,407	-	-	1,792,407
Foreign Equities	1,489,900	-	-	1,489,900
Balanced	12,689,746	-	-	12,689,746
	$ 16,059,658	$ -	$ -	$ 16,059,658
Investments measured at NAV*:				
Pooled separate accounts				4,613,910
Common collective trust				120,036
Total				$ 20,793,604

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds:				
Fixed income	$ 69,651	$ -	$ -	$ 69,651
US Equities	1,159,608	-	-	1,159,608
Foreign Equities	1,014,039	-	-	1,014,039
Balanced	9,568,010	-	-	9,568,010
	$ 11,811,308	$ -	$ -	$ 11,811,308
Investments measured at NAV*:				
Pooled separate accounts				4,401,341
Common collective trust				167,832
Total				$ 16,380,481

* In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using NAV per share as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these table are intended to provide reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 – ***Tax Status***

The Plan has been designed to qualify under Section 401(k) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service. The plan is required to operate in conformity with the Code to maintain its tax-exempt status for plan participants under Section 401(k).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – ***Plan Termination***

Everett Cash Mutual Insurance Co. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 7 – ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – ***Related Party and Party-In-Interest Transactions***

Certain Plan investments are shares of funds managed by Principal Life Insurance Company, the custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined by ERISA. Fees paid to Principal Life Insurance Company totaled $63,703 for the year ended December 31, 2025. The Plan also held notes receivable from participants which also qualify as party-in-interest transactions.

Note 9 – ***Demutualization and Sale of Plan Sponsor***

On October 22, 2025, the Board of Directors of Everett Cash Mutual Insurance Co. ("ECM") adopted a Plan of Conversion with the Pennsylvania Insurance Department and contemporaneously entered into a Stock Purchase Agreement with Old Republic Specialty Insurance Group, Inc. ("ORSG") and Old Republic International Corporation in which ORSG would acquire ECM and its subsidiaries. Upon completion of the Plan of Conversion and closing of the acquisition by ORSG, ECM would become a stock insurance company wholly owned by ORSG. On April 3, 2026, ECM received approving determination Orders from the Pennsylvania Insurance Department relating to the Plan of Conversion and the acquisition of ECM by ORSG. On July 1, 2026, ECM completed its Plan of Conversion and was renamed ECM Insurance Company.
