Independent Auditors' Report

To the Plan Administrator of
Allied Stone, Inc. 401(k) Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Allied Stone, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INAA GROUP
INTERNATIONAL ASSOCIATION OF ACCOUNTANTS AND AUDITORS

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to

those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The following description of Allied Stone, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan covering substantially all employees of Allied Stone, Inc. (the "Company") who have completed one month of service, previously three months of service (the Plan was amended effective June 1, 2024), as defined by the Plan. It is subject to the provisions of the Retirement Income Security Act of 1974 (ERISA). Eligible employees may enter the Plan on the first day of each month following their month of service, previously three months. Effective June 1, 2024, the Plan was amended by replacing the Automatic Data Processing Prototype 401(k) and Profit-Sharing Plan, with the adoption of the Fidelity Basic Plan Document No. 17.

Plan Administration - The Plan is administrated by the Company (the "Plan Administrator"). The duties of the Plan Administrator are to oversee the operations and administration of the Plan in accordance with the specific terms of the Plan, provide for prudent investment of the Plan assets and keeping accurate records and reports. The Plan's service provider Fidelity Investments Institutional, formerly ADP, Inc. is responsible for the record keeping of the Plan, including year-end financial reporting to the Plan's auditor. For the period January 1, 2024 through May 31, 2024 Reliance Trust Company served as trustee and was responsible for the custody and management of the Plan's assets. For the period June 1, 2024 through December 31, 2025, Fidelity Management Trust Company was appointed the trustee and assumed the responsibility for the custody and management of the Plan's assets.

Employee Contributions - Participants are permitted to contribute up to 90% of their annual compensation (not to exceed $23,500 for participants under age 50 as defined in the Plan document, on a tax-deferred basis and have it contributed to the Plan. Participants that are ages 50-59 and 64+ may elect to contribute an additional $7,500 catch up contribution for 2025. Participants that are ages 60-63 may elect to contribute an additional $11,250 super catch-up contribution for 2025. The Plan also allows for Roth elective deferrals. Transfers (Rollovers) from other qualified plans are allowed under the provisions of the Plan.

Employer Contributions - The Company began 2024 contributing as a discretionary match 50% of the first 2% of compensation that a participant contributed to the Plan, not to exceed $1,000 per year. This discretionary match was increased to 50% of the first 6% of compensation that a participant contributed to the Plan, with no matching limit, effective June 1, 2024.

The Company may also elect to make a discretionary non-elective contribution to the Plan. The Company did not make a discretionary non-elective contribution for 2025.

Participant Accounts - Each participant's account is credited with (1) the participant's contribution, (2) participant's rollover amount from another qualified plan, and (3) allocation of (a) the Company's contribution, and (b) Plan earnings, and charged with certain administration expenses that primarily include loan and distribution fees. Allocations are based on participant contributions, participant earnings, or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Description of Plan (continued)

Vesting - Participants are fully vested in their deferral contributions and rollovers, plus earnings on those contributions.

Employer matching contributions and non-elective contributions are 20% vested after the employee has two years of vesting service, as defined by the Plan; the vested amount increases 20% per year until they are 100% vested after 6 or more years of service.

Participants who terminate employment with the Company due to death or disability are provided 100% vesting in all Employer contributions.

Forfeitures - Forfeitures of unvested employer contributions may be used to offset employer contributions are pay administrative costs of the Plan. In 2024, forfeitures of $3,994 were used to offset employer contributions. No forfeitures were used to offset employer contributions in 2025. In 2025 and 2024 forfeitures of $452 and $2,327, respectively, were used to pay administrative costs of the Plan. Forfeitures as of December 31, 2025 and 2024 were $66,937 and $9,796, respectively.

Notes receivable from participants - The maximum number of loans outstanding at any one time is one loan. The maximum loan amount is the lesser of: (1) $50,000 or (2) 50% of their vested account balance. Interest shall be charged at Wall Street prime rate plus 2%. The loans can range up to five years in length, unless they are mortgage loans for the participant's principal residence. Loans are secured by a participant's vested account balance. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded.

Payment of Benefits - Upon termination of service due to separation, death, disability, or retirement, a participant or his/her beneficiary may elect to receive a lump-sum distribution in the amount equal to the value of the participant's vested interest in his or her account. If the vested account balance is $5,000 or less, and the participant or his/her beneficiary do not elect to receive a lump-sum distribution as above, the amount will be distributed to an Individual Retirement Account for the participant's benefit.

Lump-sum distributions of rollover contributions are available at any time. In-service withdrawals of other vested balances are available to participants in cases of hardship or upon attaining age 59½.

Administrative Expenses - In addition to the Plan expenses as reported in the accompanying financial statements, the Company absorbed fees of the Plan for 2025.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their account balances.

Note 1 - Description of Plan (continued)

Tax Status - In 2024, the Company adopted prototype 401(k) and profit-sharing plan with Fidelity Management Trust Company. The Company is relying upon an opinion letter issued by the Internal Revenue Service as evidence that the Plan, as designed, is qualified in accordance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Mutual fund fair values are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national security exchanges and are valued at the net asset value at year-end. The units of common/collective trusts are stated at fair value, which are estimated using net asset value per share as determined by the issuer of the funds and are generally based on the fair market value of the underlying investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation, or depreciation on investments.

Contributions - Employee contributions are recorded during the period in which the Company makes payroll deductions from the participant's earnings. Employer contributions are recorded when funded.

Payments of Benefits - Benefits payments to participants are recorded upon distribution.

Use of Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Note 3 - Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

1) Quoted prices for similar assets or liabilities in active markets.
2) Quoted prices for identical or similar assets or liabilities in inactive markets.
3) Inputs other than quoted prices that are observable for the asset or liability.
4) Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value on a recurring basis and recognized in the accompanying 2024 and 2023 Statements of Net Assets Available for Benefits, as well as the general classification of such assets pursuant to the valuation hierarchy:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered open-end mutual funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units held by the Plan, as reported by the managers of the common collective trusts, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The NAV is based on the fair value of the underlying assets owned by the trusts, minus their liabilities, and then divided by the number of units outstanding. The NAV is calculated based on a compilation of primarily observable market information, with the investment manager specifying the source(s) to use for underlying investment asset prices. The number of units of the trust that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund. Net asset value is used as a practical expedient to estimate fair value. Units are issued and redeemed on each business day at net asset value, based upon the closing value per unit, which is determined daily.

Note 3 - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on recurring basis as of:

December 31, 2025	Total	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$6,459,883	$6,459,883	$ -	$ -
Interest-bearing cash	80,661	80,661	-	-
	6,540,544	$6,540,544	$ -	$ -
Common collective trusts*	51,321			
	$6,591,865			

December 31, 2024	Total	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$5,149,324	$5,149,324	$ -	$ -
Interest-bearing cash	16,910	16,910	-	-
	5,166,234	$5,166,234	$ -	$ -
Common collective trusts*	45,277			
	$5,211,511			

*These investments are valued using a net asset value as a practical expedient and therefore have not been classified in the fair value hierarchy.

Note 4 - Information Prepared and Certified by Trustees

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from Fidelity Management Trust Company that all information relating to the Plan's investments and related investment income is complete and accurate as follows:

	2025
Participant directed investments, at fair value	
Mutual funds	$6,459,883
Common collective trusts	51,321
Interest-bearing cash	80,661
Notes receivable from participants	195,336
Net appreciation in fair value of investments	614,075
Interest and dividend income	356,071
Interest income on notes receivable from participants	12,339

	2024
Participant directed investments, at fair value	
Mutual funds	$5,149,324
Common collective trusts	45,277
Interest-bearing cash	16,910
Notes receivable from participants	92,619

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported in the accompanying 2025 and 2024 Statements of Net Assets Available for Benefits.

Note 6 - Party-In-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer association or relatives of such persons.

Note 7 - Reportable Transactions

During the year ended December 31, 2024, the Company identified an operational failure involving a participant's deferral, where the Company inadvertently failed to defer the participants deferral election. The Company self-corrected the delinquency in 2024, by making a non-elective contribution of $17,404 which included the submission of lost earnings of $3,000 outside of the Voluntary Fiduciary Program (VFCP). Accordingly, a Schedule of Delinquent Participant Contributions has been included in the accompanying supplemental schedule.

Note 8 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the financial statements to Form 5500 for the year ended December 31, 2025:

Net assets available for benefits per the financial statements	$6,710,855
Excess participant contributions	76,346
Net assets available for benefits per Form 5500	$6,787,201

Net increase in net assets available for benefits per the financial statements	$1,439,565
Change in excess participant contributions	43,506
Net increase in net assets available for benefits per Form 5500	$1,483,071

Note 9 - Subsequent Events

Management has evaluated subsequent events through September 28, 2026, the date the financial statements were available to be issued.
