INDEPENDENT AUDITORS' REPORT

Trustees
First Financial Corporation
Employees' 401K Savings Plan
Terre Haute, Indiana

Opinion

We have audited the accompanying financial statements of First Financial Corporation Employees' 401(K) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the First Financial Corporation Employees' 401(K) Savings Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Financial Corporation Employees' 401(K) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Financial Corporation Employees' 401(K) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Financial Corporation Employees' 401(K) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Financial Corporation Employees' 401(K) Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules on pages 12 through 14, together referred to as "supplemental information", are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the First Financial Corporation (Company) Employees' 401(K) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established effective July 1, 1993. The Plan was amended and restated effective January 1, 2024. Effective July 1, 2024, the Plan was amended to recognize prior employment by SimplyBank for those employees of the Company that were employed by SimplyBank on the day prior to the effective date of the merger, for the purposes of eligibility and vesting under the 401(k) Plan.

The Plan covers all employees of the Company. Employees may enter the Plan on the first day of the month on or after the date on which the employee first completes one month of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Benefit Groups

Effective January 1, 2013, due to the freezing of the First Financial Corporation Employees' Pension Plan, plan participants were divided into two benefit groups: "DB Group" - defined as participants employed at December 31, 2012 and meeting one of the following criteria: (1) attained age 65, (2) completed 30 years of vesting service, (3) had a combination of age in years and years of vesting service greater than or equal to 70, or (4) was a participant in the First Financial Corporation 2011 Short-Term Incentive Compensation Plan; "DC Group" - defined as anyone not a member of the "DB Group".

Contributions

a. Employee Salary Redirection Contributions

Each employee who becomes a participant may elect to have salary redirection contributions made to the Plan on his behalf. The Company will redirect a portion of the participant's compensation (not in excess of certain limitations) in amount not less than 1% and not more than 50%. Each participant who becomes eligible to have contribution deferrals made to the plan, will, after receiving prior notification, automatically be deemed to have elected to defer 4% of their compensation, unless a deferral election form is completed indicating an alternative deferral rate. Under no circumstances may an employee contribute an amount exceeding that allowed by the Internal Revenue Service (2025 - $23,500 and 2024 - $23,000). Also, eligible participants, who have reached the age of 50 by the close of the plan year, may make an additional "catch up" contribution in an amount up to $7,500 for 2025 and $7,500 for 2024.

NOTE 1 - DESCRIPTION OF PLAN - continued

b. Rollover Contributions

An employee who is entitled to receive an Eligible Rollover Distribution from another qualified plan may contribute the Eligible Rollover Distribution into a Rollover account under the Plan.

c. Qualified Non-Elective Contributions

In lieu of distributing Excess Contributions as provided for in the Plan, the employer may make Qualified Non-Elective Contributions on behalf of Non-Highly Compensated Employees.

d. Matching Contributions

Each Plan year, the Company may make a discretionary matching contribution that will match all or a portion of the participant's elective deferrals. Matching contributions are allocated to the accounts of eligible participants. To be eligible, the participant must be a member of the "DC Group", must be employed on the last day of the Plan's year and have 1,000 hours of service during the Plan year or have terminated employment during the plan year due to retirement, death or disability.

Participant Accounts

Each participant must direct that his Individual Account be invested in one or any combination of the investment accounts made available. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based upon participant contributions or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in all their accounts, other than matching contribution accounts, including actual earnings thereon.

The vested percentage of the matching account is based on completed years of vesting service as shown below. A year of service is defined as any plan year in which a participant completes 1,000 hours of service.

Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	100%

NOTE 1 - DESCRIPTION OF PLAN - continued

Forfeitures

The non-vested portion of a terminated participant will be forfeited unless they return to employment within five years. Any forfeited portion of the account may be used to pay Plan expenses or to reduce the amount required to fund the Employer's matching contributions.

Forfeitures of $137,993 and $341,225 were used to reduce the amount required to fund the Employer's matching contributions for the years ended December 31, 2025 and 2024, respectively.

Payment of Benefits

After termination of employment, a participant, or in case of death, their beneficiary is paid a lump sum amount equal to the vested value of his account.

Notes Receivable from Participants

Loans may be granted for a maximum of the lesser of $50,000 reduced by the participant's highest outstanding loan balance at any time during the one year period ending on the day before the new loan is made or 50% of the participant's vested account balance. Loans are repaid on a regular payment schedule, within a specified period of time, and at a reasonable rate of interest through payroll deduction.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Administrative Costs

During 2025 and 2024, the Company absorbed some of the administrative costs of the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Allowance for Credit Losses

The allowance for credit losses is zero at December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - continued

Valuation of Investments

Investments are stated at estimated current fair value, which is determined using a uniformly applied method, which includes using quoted market prices. Credits and charges are made to participant accounts pursuant to the Plan document to reflect gains or losses on these investments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - INCOME TAX STATUS

The Plan obtained its latest determination letter on May 21, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's information returns are subject to examination by the appropriate taxing jurisdictions. As of December 31, 2025, the Plan's tax returns for the last three years are open for examination as each year's returns remain open for examination for three years.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by Fidelity Management Trust Company. Employee contributions are tracked by Fidelity Workplace Services LLC which invests cash received and interest and dividend income. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some of the administrative expenses of the plan are paid directly by the Company.

Distributions to participants are managed by Fidelity Workplace Services LLC.

NOTE 5 - FAIR VALUE MEASUREMENT

The Plan adopted the FASB Accounting Standards Codification No. 820 (ASC 820), *Fair Value Measurements*, on January 1, 2008. ASC 820 requires the Plan to classify its assets and liabilities into three levels based on the method used to value the assets or liabilities. Level 1 values are based on quoted prices in active markets for identical securities. Level 2 values are based on significant observable market inputs, such as quoted prices for similar securities and quoted prices in inactive markets. Level 3 values are based on significant unobservable inputs that reflect the fund's determination of assumptions that market participants might reasonably use in valuing the securities. The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying investment.

Assets measured at fair value on a recurring basis at December 31, 2025 are as follows:

	Level 1- Quoted Prices in Active Markets	Level 2- Other Observable Inputs	Level 3- Unobservable Inputs
Cash equivalents	$ 2,834,741	$ -	$ -
Mutual funds	65,574,078	-	-
	$ 68,408,819	$ -	$ -

Assets measured at fair value on a recurring basis at December 31, 2024 are as follows:

	Level 1- Quoted Prices in Active Markets	Level 2- Other Observable Inputs	Level 3- Unobservable Inputs
Cash equivalents	$ 2,867,451	$ -	$ -
Mutual funds	54,236,678	-	-
	$ 57,104,129	$ -	$ -

All investments at December 31, 2025 and 2024 are participant-directed.

The following is a description of the valuation methodologies used for assets measured at fair value.

Cash equivalents - fair value is determined by reference to quoted market prices.

Mutual funds - fair value is determined by reference to the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 6 - UNALLOCATED NET ASSETS

Employer contributions of $1,976,447 and $1,739,512 for the years ended December 31, 2025 and 2024, respectively, were not allocated to participant accounts until after years end. Additionally, non-vested, forfeited accounts totaling $137,993 and $341,224 at December 31, 2025 and 2024, respectively, were available to offset future employer contributions. These amounts remained unallocated to participant accounts at December 31, 2025 and 2024.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 21, 2026, the date which the financial statements were available for issue and concluded nothing occurred requiring adjustment to the financial statements or disclosures in the notes to the financial statements.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
