INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Committee & Plan Sponsor
Texas Scenic Co., Inc. 401(k) Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Texas Scenic Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Texas Scenic Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, Empower Retirement, LLC, as of and for the year ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Plan Termination
The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note J to the financial statements, subsequent to year end, the Plan Sponsor approved the termination of the Plan, and participants were notified that the Plan had been terminated and was in the process of closing. The financial statements do not include any adjustments that may result from the termination of the Plan. Our opinion is not modified with respect to this matter.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements – continued
Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Texas Scenic Co., Inc. 401(k) Plan (the Plan) are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The basis of investments held by the Plan is adjusted daily to closing market value and unrealized gains and losses are recorded as part of this adjustment. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. Note terms generally range from one to five years. If a participant ceases to make a loan payment and the Plan Administrator deems the participant note to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of the financial statements in conformity with U. S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0) was signed into law on December 29, 2022, and includes mandatory and option provisions with varying effective dates in 2023 and later. The Sponsor has operationally adopted the mandatory and optional provisions that apply to the Plan. The Plan Sponsor has not formally amended the Plan as of the date of these financial statements.

NOTE B - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Texas Scenic Co., Inc. (the Plan Sponsor) upon date of hire. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year participants may elect to contribute up to 100% of pretax and after-tax annual compensation, subject to IRS limitations, as defined in the Plan. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective in 2025, if permitted by the Plan, participants who attain ages 60 through 63 during the year are eligible to make increased catch-up contributions, subject to applicable Internal Revenue Code limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions to various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participant deferral rates increase 1% annually until their deferral rate reaches 10%, unless they affirmatively elect not to participate in the automatic deferral increase. The Plan Sponsor historically completes a discretionary match of 25% of compensation that a participant contributes to the Plan, with the matching contribution limited to 3% of participant's compensation, as defined. Additional profit-sharing amounts may be contributed at the option of the Sponsor's Board of Directors. Contributions are subject to certain limitations. In 2025, the Plan Sponsor did not contribute an employer match or profit share.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings and (c) charged with an allocation of investment-related expenses that are paid by the Plan. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus earnings thereon. Upon completion of two full years of service, vesting in the Company's contribution portion of their account balance is at 20%, increasing by 20% each year until after six years of service when the participants' account balance becomes fully vested. If a participant terminates due to death, disability, or normal retirement, the participant becomes 100% vested in the account balance.

Benefits: Benefits are paid in a lump sum. The participant or beneficiary is entitled to a benefit equal to the vested balance and non-forfeitable interest in their account as of the distribution date.

Forfeitures: The forfeiture balance was $3,122 at December 31, 2025 and $9,648 at December 31, 2024. The Plan allows for the forfeiture balance to reduce future employer contributions and pay the expenses of the Plan.

Termination of Plan: The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested. See further at Note J.

NOTE B - DESCRIPTION OF THE PLAN - continued

Participant's Notes Receivable: Participant's notes receivable are available to all eligible actively employed participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. The loans are collateralized by the vested balance in the participant's account, and bear interest between 3.25% and 8.50%. Principal and interest are repaid through salary reductions each pay period according to an amortization schedule based on the life of the note.

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2025 and 2024 and the related investment earnings and interest on participants' notes for the year then ended, were certified and held by Empower Retirement, LLC, the Trustee, and were not audited by the independent auditor.

NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

NOTE E – INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is not subject to tax. The Plan has been amended since its determination; however, the Plan's administrator believes it is operating in accordance with applicable IRC regulations.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE F – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE F - FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
December 31, 2025:				
Mutual funds	$ 3,858,463	$ -	$ -	$ 3,858,463
Money market fund	-	-	-	-
Total investments in fair value hierarchy	$ 3,858,463	$ -	$ -	3,858,463
Common collective trust*				2,118,359
Total investments				$ 5,976,822
December 31, 2024:				
Mutual funds	$ 4,436,067	$ -	$ -	$ 4,436,067
Money market fund	18,061	-	-	18,061
Total investments in fair value hierarchy	$ 4,454,128	$ -	$ -	4,454,128
Common collective trust*				3,898,103
Total investments				$ 8,352,231

**Certain investments measured at fair value using the net asset value per share (or equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

There have been no changes in methodologies used to estimate fair value, nor transfers among levels. Following is a description of the valuation methodologies used for various types of assets measured at fair value:

Mutual Funds: Valued at quoted prices in an active market.

Money Market Funds: Valued at cost plus accrued interest.

Common Collective Trust: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the Custodian, used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probably that the fend will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the collective trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE F - FAIR VALUE MEASUREMENTS - continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following fair value table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

Investment	Fair Value	Unfunded	Redemption	Redemption
December 31, 2025:				
Common collective trust	$2,118,359	N/A	Immediate	Up to 5 days
December 31, 2024:				
Common collective trust	$3,898,103	N/A	Immediate	Up to 5 days

NOTE G – NONEXEMPT TRANSACTIONS

The Plan Sponsor did not timely remit contributions totaling $19,483 in 2024, as outlined in the supplemental Schedule of Delinquent Participant Contributions. The Plan Sponsor took corrective action and remitted lost earnings on the 2024 late remittances in September 2025.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas, the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2025	2024
Net assets available for benefits per financial statement	$ 6,072,922	$ 8,554,878

Add: corrective distribution payable	-	33,748
Net assets available for benefits per Form 5500	$ 6,072,922	$ 8,532,932

The following is a reconciliation of the change in net assets for the year ended December 31:

	2025	2024
Change in net assets per financial statements	$ (2,481,956)	$ (1,025,256)
Add: prior year corrective employer receivable	-	1,561
Add: prior year employer receivable	54,247	70,623
Add: prior year employee receivable	1,447	36,137
Less: current year employer receivable	-	(54,247)
Less: current year employee receivable	-	(1,447)
Add: current year corrective distributions payable	-	33,748
Less: prior year corrective distributions payable	(33,748)	(1,364)
Change in net assets per Form 5500	$ (2,460,010)	$ (940,245)

NOTE J – PLAN TERMINATION AND SUBSEQUENT EVENT

Subsequent to year end, the Plan Sponsor approved the termination of the Plan due to the sale of the Plan Sponsor in October 2025. Under the termination agreement, compensation after October 26, 2025 was excluded from Plan compensation, benefit accruals ceased for all participants, contributions under the Plan ceased and all participants became 100% vested in their account balances. Participants were notified of the termination of the Plan in May 2026 and were instructed to distribute or roll over their balances by July 2026. Participants who did not make an election automatically had their balances rolled over to an individual retirement account, established by the Plan Sponsor.

The accompanying financial statements have been prepared on the accrual basis of accounting. The Plan was not merged into, and Plan assets were not transferred in bulk to, another qualified retirement plan.
