To the Plan Administration Committee
Danfoss USA Savings Plan II

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Danfoss USA Savings Plan II (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Other Matter**

*Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 — DESCRIPTION OF THE PLAN

The following brief description of the Danfoss USA Savings Plan II (the Plan) provides only general information. Participants should refer to the Plan agreement (Agreement) for a more complete description of the Plan's provisions.

### General

The Plan was established August 1, 2021 as a defined contribution plan that covers salaried and non-bargaining unit hourly employees of Danfoss Power Solutions II, LLC (the Company) in connection with the purchase agreement between Danfoss A/S and Eaton Corporation plc. The Company is affiliated with Danfoss Power Solutions, under common ownership, which also has two separate defined contribution plans. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Administration

The Plan is administered by the Plan Administration Committee of the Company (the Plan Administrator). Empower Annuity Insurance Company of America (Empower) and Empower Trust Company, LLC, (Empower Trust) have been designated as recordkeeper and custodian of the Plan, respectively.

### Eligibility and Contributions

Each year, participants may contribute up to 75% of compensation, as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Catch-up contributions are permitted upon attainment of age 50. The Company contributes a match equal to 50% of contributions, up to 6% of eligible compensation.

Participants eligible for Company Retirement Contributions (CRC) will receive an amount equal to 4% of their retirement compensation. Additionally, certain participants are eligible for a supplemental CRC based on age and years of service until December 31, 2025, after which no additional supplemental CRC will be made.

### Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, CRC, supplemental CRC, and Plan earnings. Participant accounts are charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

### Vesting

Participants are vested immediately in their contributions and Company matching contributions, plus actual earnings thereon. Participants become vested in the CRC and supplemental CRC after three years of vesting service, as defined in the Agreement.

**NOTE 1 — DESCRIPTION OF THE PLAN** (Continued)

**Notes Receivable from Participants**

Participants have the option to borrow a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Outstanding loans are limited to two per participant at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the Prime rate published in the Wall Street Journal on the first business day of the month before the loan originated at the time of the loan and are generally repayable over a period not to exceed five years. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

While still employed, a participant may, for certain documented hardship reasons, make a withdrawal from his or her account at any time. While still employed, a participant may also withdraw all or any portion of his or her vested Plan benefit upon attaining age 59½ or becoming disabled.

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or be paid in installments, as defined. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or roll over the vested balance to another plan, as defined.

**Plan Expenses**

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the account administration, managed investment advisory services, administration on notes receivable from participants and distributions are charged directly to participant accounts.

**Forfeitures**

Forfeited accounts are used to offset the Company's future matching contributions. At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately $476,000 and $84,000, respectively. Forfeitures of $11,000 and $489,000 were utilized to offset employer contributions for the years ended December 31, 2025 and 2024, respectively.

**Transfers**

The Plan Administrator allows transfers of an individual account to other affiliated defined contribution plans of the Company. If employees change their union status or change affiliated employers, their account balances are transferred into the corresponding Plan. Transfers to the Plan were $1,539,480 and transfers from the Plan were $1,938,440 during the year ended December 31, 2025. Transfers to the Plan were $222,877 and transfers from the Plan were $1,336,572 during the year ended December 31, 2024.

## NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and present the net assets available for benefits and changes in those net assets.

### Use of Estimates

The preparation of financial statements in accordance GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

### Notes Receivable from Participants

Notes receivable from participants are stated at amortized cost, measured at unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### Contributions

Contributions from the Plan participants and the matching contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation. CRC contributions from the Company are recorded in the year in which compensation is paid to the employee.

### Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment balances will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Payment of Benefits**

Benefits are recorded when paid.

**Tax Status**

The IRS has determined and informed the Company, by a letter dated October 12, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Continued qualification of the Plan will depend on the operation of the Plan in compliance with the IRC. The Plan Administrator believes the Plan is currently designed and being operated in compliance with applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

**NOTE 3 — CERTIFIED INFORMATION**

The following is a summary of the Plan's asset and income information as of December 31, 2025 and 2024 and for the years then ended, included throughout the Plan's financial statements and supplemental schedules, that was prepared or derived from information provided by Empower Trust and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Empower Trust that information provided to the Plan Administrator by Empower Trust is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information, which appears throughout the financial statements and supplemental schedules related to the following:

| | 2025 | 2024 |
|---|---|---|
| Investments at fair value | $ 210,268,479 | $ 172,071,518 |
| Notes receivable from participants | 7,192,617 | 5,541,498 |
| | | |
| Investment income: | | |
| Dividends and interest | $ 4,483,889 | $ 2,587,532 |
| Net appreciation in fair value of investments | 24,852,253 | 17,538,525 |
| Interest income on notes receivable from participants | 515,054 | 385,062 |

## NOTE 4 — FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1 - defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3 - defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds*: Valued based on quoted prices of identical assets in active markets.

*Collective trust funds:* The fair value of units is valued based on quoted redemption values, also known as net asset values (NAV), determined using available market information of the underlying securities including quoted prices for identical or similar securities in active or nonactive markets. These redemption values are the values at which a participant would transact daily. There are no restrictions on the ability to transact with the funds at net asset value.

The following table shows assets measured at fair value as of December 31, 2025 and 2024 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

| December 31, 2025 | Level 1 | Level 2 | Total |
|---|---|---|---|
| Mutual funds | $ 79,526,829 | $ - | $ 79,526,829 |
| Collective trust funds | - | 130,741,650 | 130,741,650 |
| | $ 79,526,829 | $ 130,741,650 | $ 210,268,479 |

| December 31, 2024 | Level 1 | Level 2 | Total |
|---|---|---|---|
| Mutual funds | $ 64,454,809 | $ - | $ 64,454,809 |
| Collective trust funds | - | 107,616,709 | 107,616,709 |
| | $ 64,454,809 | $ 107,616,709 | $ 172,071,518 |

## NOTE 5 — PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time under provisions of ERISA. Upon termination of the Plan, each participant's account shall be fully vested and nonforfeitable.

## NOTE 6 — RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Each participant who acquires a participant loan is a party-in-interest. However, these transactions are exempt from the prohibited transaction rules of ERISA.

Empower Advisory Group, an affiliate of Empower and Empower Trust, provides investment advice to the Plan and its participants. Fees paid by the Plan for investment advisory services were $116,909 and $98,381 for the years ended December 31, 2025 and 2024, respectively. The Plan paid Empower for administration fees of $216,390 and $221,263 for the years ended December 31, 2025 and 2024, respectively. The Plan also paid consulting fees of $1,200 for the year ended December 31, 2025.

## NOTE 7 — NONEXEMPT TRANSACTIONS

During 2023, 2022, and 2021, the Company inadvertently failed to deposit $216,121, $3,588, and $6,327, respectively, of participant contributions within the required timeframe as stated by DOL regulations. The Company paid in a portion of the 2023 and 2022 earnings and corrective contributions of $216,121 and $2,174, respectively, during the year ended December 31, 2024. The Company paid in the remaining portions of the 2022 and 2021 earnings and corrective contributions of $1,414 and $6,327, respectively, during the year ended December 31, 2025.

## NOTE 8 — SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued.
