INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Rainbow/Marianne Puerto Rico 401(k) Plan,
Brooklyn, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rainbow/Marianne Puerto Rico 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rainbow/Marianne Puerto Rico 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rainbow/Marianne Puerto Rico 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rainbow/Marianne Puerto Rico 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rainbow/Marianne Puerto Rico 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rainbow/Marianne Puerto Rico 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identify during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Rainbow/Marianne Puerto Rico 401(k) Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan Adoption Agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The New 5-7-9 & Beyond, Inc. (hereinafter referred to as the Sponsor), who have complied with the required minimum age of 18 to become a participant and have completed a year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants can make pre-tax contributions up to the limitations prescribed under applicable law of $15,000, as defined in the Plan. The employer may match pre-tax contributions in amounts, if any, at the employer's discretion. The employer can also make profit sharing contributions at the employer's discretion. A Participant can make Elective Deferrals in accordance with the provision in the minimum permitted of 1% and a maximum of 100%.

Participants' accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's contribution, if eligible, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Except for forfeitures, allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options daily.

Rollover contributions

The Plan's Trustee shall be authorized to receive rollover contributions only if the employee has met the participation requirement of the Plan as of the date of the contribution. Rollover contributions can be withdrawn from the Plan only upon termination of employment.

Vesting

Participant's vested interest in matching contributions is 100% vested at all times.

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

Distribution of benefits

The benefit payable to a Participant who terminates employment will be distributed as lump sum payment and on installments payments as determined in the optional form of distribution. Normal retirement age for each participant must be 65 years old.

The Plan shall permit distributions attributable to Sponsor contributions only upon the occurrence of one of the following events:

a. a financial hardship
b. retirement of the employee or attainment of normal retirement age.
c. separation from service (for any reason, including death).
d. permanent disability of the employee.
e. termination of the Plan.

Participant loans

Participants may borrow from their fund accounts, up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's accounts and must be repaid within five years by equal payments at least quarterly.

Investment option

Participants can direct the investment of one or more of the accounts maintained on their behalf under the Plan limited to vested amounts.

Forfeitures

Forfeitures of matching contributions are used to reduce employer contributions and/or pay administrative expenses as determined by the employer for any plan year.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

Organization

The Plan was organized on January 1, 2020 with deferral contributions beginning on October 31, 2020. Effective November 1, 2020, Oriental Bank is the Trustee of the Plan. The Plan Sponsor is The New 5-7-9 & Beyond, Inc.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting policies

Investment valuation and income recognition

The Plan's investments are participant-directed and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income and cost approaches.

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Fair value measurements – continued

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of net assets available for benefits as follows:

- Level 1 - Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date and mutual funds where the value per share (unit) is determined and published daily and is the basis for current transactions.

- Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means. Primary inputs to this valuation technique may include comparative trades, bid/asks, interest rate movements, U.S. Treasury rates, Secured Overnight Financing Rate ("SOFR"), prime rates, cash flows, maturity dates, call ability, estimated prepayments, and/or underlying collateral values.

- Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management's best estimate about the assumptions market participants would use at the measurement date in pricing the asset or liability. Consideration is given to the risk inherent in both the method of valuation and the valuation inputs. Primary inputs to this valuation technique include broker quotes and comparative trades.

Changes in observability of significant valuation inputs identified during these reviews may trigger reclassifications. Reclassifications are reported as transfers at the beginning of the period in which the change occurs.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payments of benefits

Benefits are recorded when paid.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Administration expenses

All expenses of maintaining the Plan are accounted for as they are incurred and paid from the participant accounts.

The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. The Plan measures fair value using level 1 inputs because they provide the most reliable evidence of fair value.

NOTE D - TRANSACTIONS WITH PARTIES-IN-INTEREST

The trustee and the auditor are parties-in-interest to the Plan. The Plan's audit fees, and trustee administrative expenses are paid from the participant accounts, which amounted to approximately $19,000 in 2025 and $11,000 in 2024. Fees paid to the trustee and auditors appear to be reasonable for the years ended December 31, 2025 and 2024.

NOTE E - INCOME TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico has ruled that the Plan qualifies under Section 1081.01 (e) of the Income Tax Act of 2011 (the Act) and is, therefore, not subject to income tax under the present income tax law. The Plan is required to operate in conformity with the Act to maintain its qualification.

NOTE F - FINANCIAL INSTRUMENTS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amount reported in the statement of assets available for benefits.

NOTE G - DISCRIMINATION TEST AND EXCESS CONTRIBUTIONS PAYABLE

Participants may contribute excess contributions which will be reimbursed to the participants. Excess contributions are recorded as a liability in the accompanying statements of net assets available for benefits and as a reduction of participant-directed contributions for the year.

During the years ended December 31, 2025 and 2024, the Plan failed the ADP (Actual Deferral Percentage) discrimination test. The Sponsor elected to reimburse the Highly Compensated Employees the excess pre-tax contributions made amounting to $14,183, in 2025 and $22,720 in 2024. The 2025 and 2024 non-compliance events were corrected on July 1, 2026 and April 7, 2025, respectively.

NOTE H - PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and the Trust shall continue until all Participants' accounts have been completely distributed.

Effective January 1, 2026 the plan joined a Pooled Employer Plan as a Participating Employer, the transfer of assets and earnings was completed between January 1, 2026 and April 30, 2026.
