CITRUS AUDIT GROUP

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator, Trustees, and Participants
WLR Management Company, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the WLR Management Company, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WLR Management Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental schedule is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental schedule reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedule. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, such schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.

Emphasis of Matter

As discussed above, the financial statements present only the WLR Management Company, Inc. 401(k) Profit Sharing Plan and do not purport to, and do not, present fairly the financial position of WLR Management Company, Inc. or its other employee benefits as of December 31, 2025 and the changes in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United State of America. Our opinion is not modified with respect to this matter.

NOTE 1 - PLAN DESCRIPTION

The following description of WLR Management Company, Inc. (the Sponsor) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

1-A. General

The Plan became effective January 1, 2005. It is a defined contribution retirement plan covering all employees of the Sponsor. An employee is eligible to become a contributing participant in the Plan after completing 60 days of service and is 18 years of age or older.

Participants are entitled to enter the Plan for 401(k) purposes upon completion of the age and service requirements with the official plan entry date being the first day of month on or after the date the eligibility requirements were met. The participant is automatically enrolled at a deferral percentage of 2% unless the employee elects not to participate or elects a different percentage.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

1-B. Contributions

Each year, participants may contribute a portion of their compensation to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations. For the year ended December 31, 2025, a participant may elect to defer a maximum of $20,500 on a pre-tax basis. Additionally, individuals who attain age 50 by the end of the Plan year may make additional catch-up contributions of up to $6,500 in 2025. Participants direct the investment of all amounts allocated to their separate accounts into various investment options offered by the Plan.

Each year, the Sponsor may make matching contributions based on the participant's elective deferral and years of service. Matching contributions are made for all active participants at any time during a payroll period. For the year ended December 31, 2025, the Sponsor made $242,161 in matching contributions.

The Sponsor may also make a discretionary non-elective contribution to the Plan which also requires employment on the last day of the Plan year and satisfaction of the eligibility requirements. The profit sharing contribution will be allocated using an integrated formula. No discretionary non-elective contributions were made in 2025.

1-C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts, and charged with an allocation of directly assigned costs. Allocations are based on participant earnings as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1-D. Participant Vesting

Participants are immediately vested in their elective deferral and any rollover contributions, plus actual earnings thereon. Vesting in all other contributions is a portion of their accounts plus actual earnings thereon and is based on years of continuous service.

A participant is 100% vested after 6 years of credited service as follows:

Years of Vesting Service	Vested Percentage
Less than 2 years	0%
After 2 years	20%
After 3 years	40%
After 4 years	60%
After 5 years	80%
After 6 years	100%

Participants become automatically fully vested when they reach normal retirement age while employed, in the event the Plan is terminated, or terminate employment due to total disability or death.

1-E. Forfeitures

If a participant terminates employment with the Sponsor, they retain the right to any vested portion of their individual Plan balance. Any non-vested balance in the Plan will be forfeited and may be used to pay the Plan's administrative expenses or to reduce future Sponsor contributions to the Plan. Forfeitures totaled $0 as of December 31, 2025.

1-F. Notes Receivable from Participants

Participants may borrow from their vested accounts up to 50% of the balance not to exceed $50,000, with a minimum loan of $1,000 required. The loans are secured by the vested balance in the participant's account. Interest was charged at rates ranging from 5.25% to 9.00% during the year ended December 31, 2025. Principal and interest is paid ratably through payroll deductions. Loan terms may not exceed 5 years unless the loan is used for the purchase of a principal residence. Two loans may be granted during any one-year period and participants may not have more than 2 loans outstanding at a time.

1-G. Payment of Benefits

On termination of service, death, disability, or retirement, a participant or beneficiary is eligible to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. If the vested account balance exceeds $5,000, a participant may elect to leave their funds in the Plan, receive a lump sum payment, or roll over the funds to another qualified plan or IRA. If the vested account balance is between $1,000 and $5,000, a participant may receive a lump sum payment, or roll over the funds to another qualified plan or IRA.

If the participant does not instruct the Sponsor regarding distribution of the account, the Sponsor will roll the balance over to an IRA that is established for the participant. If the amount is less than $1,000, a participant will receive a lump sum payment of their vested account balance.

A participant may also elect to receive an in-service distribution, which is generally available to a participant who has attained 59 ½ years of age.

When a participant reaches age 70½ and separates from service, required minimum distributions of the account balance will be paid to the participant each year.

1-H. Administrative Expenses

All reasonable Plan administration expenses including those involved in retaining necessary professional assistance, may be paid from the assets of the Plan. These expenses may be allocated among participants, or for participant specific expenses, directly to the participant's account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2-A. Basis of Accounting

The accounting principles and procedures followed by the Plan conform to accounting principles generally accepted in the United States of America (U.S. GAAP). The financial statements of the Plan are prepared under the accrual basis of accounting.

2-B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from estimates and differences could be material.

2-C. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

2-D. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2-E. Payment of Benefits

Benefit payments to participants are recorded when paid.

2-F. Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement and recorded as benefits paid to participants in the statements of changes in net assets available for benefits. Deemed distributions are generally taxed and may be subject to an additional 10% tax penalty if the participant is under age 59 ½.

2-G. Funding Policy

Contributions are funded as accrued.

2-H. Administrative Expenses

Investment management expenses, loan fees associated with notes receivable from participants and other administrative and recordkeeping fees may be paid for by the Plan. Administrative expenses of the Plan can also be paid by the Sponsor, as provided in the Plan document. Certain accounting and administrative functions of the Plan are performed by employees

of the Sponsor at no cost to the Plan. Administrative expenses paid by the Plan totaled $94,237 for the year ended December 31, 2025. Investment related expenses are included in net depreciation in fair value of investments.

NOTE 3 – INVESTMENTS

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable. The following valuation methodologies were used to measure the fair value of the Plan's investments:

Mutual Funds – These funds are valued at the daily closing price. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSAs) - Units held in PSAs are valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying asset values are based on quoted prices, the NAV of the PSAs are not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices, and is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSAs held by the Plan provide for daily redemptions by the Plan at the reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at the NAV on the measurement date. There are no unfunded commitments.

Collective Investment Trust (CIT) - Units held in a CIT are valued at NAV as reported by the trustee. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The CIT held by the Plan provides for daily redemptions by the Plan at the reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. The investment strategy for the CIT, which is categorized as a balanced/asset allocation fund, is to seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor who expects to retire in a specified target year. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth the Plan's investments by level within the fair value hierarchy:

December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	$382,684	-	-	382,684
Investments measured at NAV*:				
Collective investment trusts	$ 4,983,266	-	-	4,983,266
Pooled separate accounts	$ 339,290	-	-	339,290
Investments, at fair value				$5,705,240

* The investments in the CIT and PSAs are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Reliance Trust, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statement of net assets available for benefits as of December 31, 2025.
- Investment income and interest income on notes receivable from participants, as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H (Form 5500), Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) informed WLR Management Company, Inc. 401(k) Profit Sharing Plan, that the pre-approved basic savings plan is acceptable under section 401 of the IRC. The plan has been amended since receiving the opinion letter. However, the Company and Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. No related party transactions of note besides proceeds being distributed to participants have been noted in the current year.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – FULLY BENEFIT-RESPONSIVE GUARANTEED INVESTMENT CONTRACT

In 2020, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Trust Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issued is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was $0 and $2,769, respectively.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 9 – RELATED PARTY

Plan investments were managed by Principal Life Insurance Company for the year ended December 31, 2025, the custodian as defined by the Plan. Due to this relationship, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services totaled $94,237 for the year ended December 31, 2025.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 12th, 2026 the date of the financial statements of the Plan.
