INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Fish Six Restaurant Corp. Health & Welfare Plan

Opinion

We have audited the accompanying financial statements of Fish Six Restaurant Corp. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Fish Six Restaurant Corp. Health & Welfare Plan as of December 31, 2025, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2024 Financial Statements

The financial statements of Fish Six Restaurant Corp. Health & Welfare Plan as of December 31,2024, were audited by other auditors whose report dated June 23, 2026, express an unmodified opinion on those statements.

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Fish Six Restaurant Corp. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of its provisions.

General

The Plan provides health and welfare benefits to substantially all full-time employees of Fish Six Restaurant Corp. (Plan Sponsor and Employer) who have at least 90 days of service and who are scheduled to work more than 8 hours per week in San Francisco, and who are not (1) compensated shareholders, (2) employees that have waived or are exempt from the San Francisco Health Care Security Ordinance, or (3) employees enrolled in a group medical plan either through their employer or another employer's group plan, including their spouses or parent's plan. The plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Eligible participants (employees) enter the Plan on the first day of the month coinciding with or next following the date on which such requirements are satisfied

The Plan was originated to be in compliance with Article 21: San Francisco Health Care Security Ordinance (SFHCSO) which requires employers with 20+ employees working in San Francisco (50+ for Not For Profits) at least 8 hours a week to contribute a calculated amount per hour to the Plan to reimburse for covered expenditures submitted by Plan participants.

The Plan's assets are maintained in a trust fund administered by Navia Benefit Solutions (the Contract Administrator). Benefit payments are processed and administered by the Contract Administrator, who receives an account maintenance fee for these services from the Plan.

Contributions

The Plan is funded solely through employer quarterly contributions for those employees who worked a minimum average of 8 hours per week in San Francisco at an hourly rate of $3.85 for 2025. The hourly rate will be adjusted in accordance with the SFHCSO every year. Each participant will accrue a benefit for each week worked and the total accrued during each calendar quarter will be credited to the participant's account within 30 days after the last day of the quarter. Participants are vested immediately in the employer contributions.

Benefits

The Plan allows for certain out-of-pocket dental and vision expenses, incurred by participants and/or dependents, to be reimbursed. The Plan will reimburse 100% of the eligible claim submitted up to the available participant accrued balance. The expenses which qualify are those permitted by Federal Regulation 54.9831-1. Participants are also eligible for reimbursement for any other IRS allowed "excepted benefit" including dental and vision expenses and medical indemnity insurance premiums, long-term, nursing home, home health, community-based care, and coverage limited to a specific disease or illness.

Participant Accounts

Each participant's account is credited with the employer's contributions. Once an account is credited, it will remain available, regardless of employment status, until such time as the balance has been depleted due to eligible claims and/or account maintenance fees. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash

Plan assets are held by a financial institution in a non-interest-bearing checking account. The account is covered by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. Deposits maintained in the Plan are restricted for payments of Plan benefits and administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Significant Plan expenses, such as audit fees, are paid by the Plan. Account maintenance fees are paid to the Contract Administrator, quarterly.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through September 30, 2026, which is the date the financial statements were available to be issued, noting no matters requiring disclosure in the financial statements for the year ending December 31, 2025.

NOTE 3: TAX STATUS

The Plan's assets are held in a trust that does not qualify as a tax-exempt trust under the Internal Revenue Code. Accordingly, the trust is subject to federal and applicable state income taxes on any taxable income generated by trust assets. During the year ended December 31, 2025, the trust's assets were maintained exclusively in a noninterest-bearing cash accounts. As a result, the trust did not earn investment income during the year and did not incur federal or state income tax expense.

NOTE 3: TAX STATUS (Continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4: PARTY-IN-INTEREST TRANSACTIONS

The Contract Administrator is the record-keeper of Plan assets and, therefore these transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

NOTE 5: PLAN TERMINATION

The Plan Sponsor, as plan administrator, does not have the right to terminate the Plan. Participants shall continue to be eligible for reimbursement as irrevocable balances will remain available until depleted through eligible claims and account maintenance fees.
