INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
A.R. Sandri, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of A.R. Sandri, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of A.R. Sandri, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A.R. Sandri, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A.R. Sandri, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A.R. Sandri, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A.R. Sandri, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2025 and Delinquent Participants Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A.R. SANDRI, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN:

The following description of the A.R. Sandri, Inc. 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of A.R. Sandri, Inc., J.W. Sandri, Inc., W.A. Sandri, Inc., Sandri Realty, Inc., Crumpin-Fox Golf Club, Inc., Rexbo Realty, Inc., Sandri Energy, LLC, and Fox Hopyard Golf Club, LLC (collectively the "Group") who have elected to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan trustee has sole responsibility for management of the assets held by the Plan. The Group has appointed the Director of Human Resources as Plan Administrator. Further detailed information about the Plan is contained in the Summary Plan Description, available from the Plan Administrator.

Administration of the Plan

A.R. Sandri, Inc. (the "Company") is the plan sponsor and is responsible for the monitoring and administration of the Plan. MandMarblestone Group, LLC ("MandMarblestone"), the Plan's third-party administrator, is responsible for the general administration of the Plan. John Hancock Trust Company, LLC ("John Hancock") serves as the asset custodian for the Plan.

Eligibility provisions

Employees are eligible to participate in the Plan at age 21 and may enter the Plan on specified enrollment dates.

Participants' accounts

Each participant's account is credited with the participant's voluntary contributions, the Company's matching and discretionary profit-sharing contribution and plan earnings (losses) and is reduced by any expenses, if applicable. Allocations are based on participant account balances, participant earnings, compensation or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Notes receivable from participants

The provisions of the Plan allow participants to borrow a portion of their vested account balances. Borrowings may not exceed the lessor of $50,000 or 50% of the vested account balance with a minimum loan of $1,000. Loans shall bear a reasonable rate of interest commensurate with local prevailing rates, presently the prime rate plus 1%, must be repaid ratably within 5 years, or a longer reasonable period of time if used to acquire a principal residence and are secured by the balance in the participants' account. Principal and interest is paid ratably through payroll deductions. Interest rates charged to participant loans ranged from 4.25% to 9.5%. Principal and interest is paid ratably through payroll deductions so long as the participant is employed by the Company and thereafter by regular installment payments.

Contributions

The Plan provides for eligible employees to contribute up to the maximum limit allowable under the Internal Revenue Code ($23,500 and $23,000 for the years ended December 31, 2025 and 2024, respectively). The Plan allows for catch-up contributions (limited to $7,500 for the years ended December 31, 2025 and 2024) for participants over age 50. Effective January 1, 2025, the threshold for catch-up contributions for individuals who have attained age 60 to 63 "Super Catch Up") was increased to $11,250 in accordance with the SECURE 2.0 Act of 2022. Participants direct their contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

1. **DESCRIPTION OF PLAN: (CONTINUED)**

Contributions (continued)
The Plan provides for a discretionary employer contribution equal to a percentage, as set by the Company, of the total employee contributions for the year. Catch-up contributions are excluded from this calculation. Discretionary contributions of $202,555 and $159,807 were due from the Company as of December 31, 2025 and 2024, respectively. In order to receive an employer contribution, the participant must be employed on the last day of the Plan year and must have completed more than 500 hours of service.

The Plan provides for a safe harbor 401(k) contribution for any Plan year. If elected, this contribution will take the form of a safe harbor non-elective contribution, a safe harbor basic matching contribution, or a safe harbor enhanced matching contribution. No safe harbor 401(k) contributions were made for the years ended December 31, 2025 and 2024.

The Plan provides for a discretionary profit-sharing contribution as determined by the Company on an annual basis. Amounts allocated to participant accounts are determined by the participant's compensation as a percentage of total participant's compensation. No discretionary profit sharing contributions were made for the years ended December 31, 2025 and 2024.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of credited service. A participant becomes 100% vested in the event of retirement subsequent to age 59½, disability, death or after six years of credited service in the following increments:

Vesting Schedule

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits
On termination of service, death, or permanent disability, a participant or their beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in the participant's account or payments over a specified time, as defined in the Plan. Distributions are subject to the applicable provisions of the Plan document. Hardship distributions are allowed if the participant satisfies certain conditions. Additionally, on attainment of the normal retirement age of 59½ , a participant may elect to withdraw funds from the Plan.

Forfeited accounts
A forfeiture is a loss of all or a portion of employer contributions and earnings thereon allocated to an account of a participant separating from service before becoming fully vested. Forfeitures of terminated participants' nonvested accounts will be used first to reduce administrative expenses and then may be allocated to the Company's discretionary matching contribution for each succeeding Plan year, if necessary, until such forfeitures have been exhausted. At December 31, 2025 and 2024, forfeited nonvested accounts were $586 and $129 respectively. For the years ended December 31, 2025 and 2024, $0 and $11,500 of forfeitures were used to reduce administrative expenses.

1. DESCRIPTION OF PLAN: (CONTINUED)

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (the "Act") was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the Act generally need not to be made until the end of the first plan year beginning on or after January 1, 2026, however, plans must operate in accordance with effective date of each new provision. A significant provision of this Act that may affect the plan requires catch-up contributions for any participants over age 50 who earn $145,000 be on a Roth basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States if America.

Investment valuation and income recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and the insurance company. See Note 4 for further discussion of fair value measurements. All investments are participant directed.

In accordance with the policy of stating investments at fair value, the statements of changes in net assets available for benefits includes the net appreciation in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation on those investments.

Purchases and sales of securities are reflected on the trade date and gains and losses are determined on the basis of identified cost. Interest income is recorded as earned on the accrual basis and dividends are recorded on the ex-dividend date.

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Benefit payments

Benefit payments to participants are recorded when paid.

Plan expenses

Certain plan expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants or their beneficiaries are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest. Since the participant's remaining vested investment balance is sufficient to cover the outstanding loan amount, there is no allowance for doubtful accounts at December 31, 2025 and 2024. Interest is calculated and included in the repayment terms of the loan when the loan is initiated and is recognized with the amortization of the loan as each payment is remitted. Loans are monitored for repayment under the original loan terms and defaulted when active participants cease payments past the allowed grace period. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. For terminated participants, once a distribution is requested, the outstanding loan balance will be netted against the remaining vested investment balance.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 requires the Plan Administrator to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. INFORMATION CERTIFIED BY THE CUSTODIAN:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974. Accordingly, John Hancock, the custodian of the Plan, certified to the Plan administrator the fair value and physical custody of investments, participant loans and investment transactions to be complete and accurate as of December 31, 2025 and 2024, which are included in the Statements of Net Assets Available for Benefits, as well as investment income, net appreciation in the fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025 and 2024 and the information contained in Note 4 concerning investments, and the information included in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS:

The Plan follows established guidelines for a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The hierarchy prioritizes the inputs into three broad levels as follows:

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities. Market price is generally obtained from exchange or dealer markets.

Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers and brokers.

Level 3 Unobservable inputs that are supported by little or no market activity as they trade infrequently or not at all and that are significant to the fair value of the assets or liabilities.

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Valued daily based upon the quoted market prices of the underlying investments.

Common collective trust fund: Fair value for these investments is determined by the net asset value ("NAV") based on the quoted market price of the underlying funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's assets at fair value as of December 31:

	Fair Value Measurements at December 31, 2025			
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Pooled separate accounts	$ 8,868,235	$ 8,868,235	$ -	$ -
Investments measured at net asset value:				
Common collective trust fund	1,013,641			
Total investments at fair value	$ 9,881,876			

	Fair Value Measurements at December 31, 2024			
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Pooled separate accounts	$ 7,091,759	$ 7,091,759	$ -	$ -
Investments measured at net asset value:				
Common collective trust fund	1,173,259			
Total investments at fair value	$ 8,265,018			

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

Fair value of investments in entities that use NAV

The following table summarizes the Plan's investment in common collective trust funds measured at fair value based on NAV per share as of December 31:

	2025	2024	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
John Hancock Stable Value (a)	$ 1,013,641	$ 1,173,259	N/A	Daily	None

(a) Indicates a common/collective trust fund that is designed to provide stability of principal while guaranteeing minimum rates of interest and may credit interest that exceeds the minimum guaranteed rate. These funds are available through annuity contracts issued by John Hancock Trust Company, LLC.

5. INVESTMENT CONTRACT:

The Plan provides for an investment option an annuity contract with John Hancock Trust Company, LLC. The John Hancock Stable Value Fund is a common collective trust and invests primarily in guaranteed investment contracts (GIC's) and security backed investment contracts. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is included in the financial statements at fair value and is based upon the NAV practical expedient of the contract. The fair value of the contract represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting rate was 2.50% for 2025 and 2024. Such interest rate is reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are likely to not occur.

6. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS:

MandMarblestone is third-party administrator of the Plan. As such, fees paid by the Plan to MandMarblestone are party-in-interest transactions. There were no fees paid by the Plan for the years ended December 31, 2025 and 2024.

Audit fees paid by the Plan for the year ended December 31, 2024 totaled $11,500 ($15,400, less $3,900 paid by the Plan Sponsor in 2024). No audit fees were paid by the Plan for the year ended December 31, 2025.

6. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS: (CONTINUED)

For the years ended December 31, 2025 and 2024, fees paid by the Plan to John Hancock for investment management services totaled $31,554 and $30,863, respectively.

Certain employees and officers of the Company, who may also be participants in the Plan perform administrative services at no cost to the Plan.

7. TAX STATUS:

The Plan received an updated determination letter dated June 30, 2020 in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving this opinion letter. However, the Plan administrator and Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

During the year ended December 31, 2025, Plan management discovered an operational failure whereby the Plan incorrectly calculated forfeitures for certain participants' non-vested account balances upon the distribution of the participants' account balances. The Plan is in the process of correcting these items with the custodian. Plan management believes the final outcome of the correction process did not have a material impact on the Plan's financial statements or the Plan's qualified tax status.

8. RISKS AND UNCERTAINTIES:

The Plan provides for various investment fund options in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

10. PROHIBITED TRANSACTIONS:

During the years ended December 31, 2025 and 2024, the Company failed to remit certain participant contributions and loan repayments to the Plan totaling $308,625 and $98,961, respectively, within the time period prescribed by the Department of Labor Regulations. Delays in remitting contributions to the Plan were due to procedural errors. Any lost income due to delays was immaterial.

11. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through October 1, 2026, the date on which the financial statements were available to be issued.
