Independent Auditor's Report

Retirement Committee
Madison Dearborn Partners, LLC
Savings Incentive Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Madison Dearborn Partners, LLC Savings Incentive Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Madison Dearborn Partners, LLC Savings Incentive Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Madison Dearborn Partners, LLC Savings Incentive Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Madison Dearborn Partners, LLC Savings Incentive Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Madison Dearborn Partners, LLC Savings Incentive Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Madison Dearborn Partners, LLC Savings Incentive Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of the Madison Dearborn Partners, LLC Savings Incentive Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering employees of Madison Dearborn Partners, LLC ("Company") who are not under a collective bargaining unit. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA"), as amended by subsequent legislation.

Charles Schwab Trust Bank (Schwab) is the trustee of the Plan under a contractual agreement with the Company. Schwab holds and manages the assets, maintains records of the Plan and assumes responsibility for proper allocation of income among participants' accounts in the Plan.

Effective January 1, 2023, the Plan was formally amended to change the vesting period of employer contributions. Prior to the amendment, participants were 100% vested in employer contributions after 24 months of service. The new vesting period is 22 months of service.

Contributions

Participants may elect to make pre-tax contributions of up to 100% of their compensation for the period as permitted under the Internal Revenue Code. Participants may also make an after-tax elective deferral. Participants who have attained age 50 by the end of the plan year are eligible to make catch-up contributions as permitted under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans.

In addition to participant contributions, the Company will match 100% of the participant's elective deferrals up to 6% of the participant's compensation. The Company may also make, at its discretion, a profit-sharing contribution. For the years ended December 31, 2025 and 2024, the profit-sharing contributions were $1,690,631 and $1,069,000, respectively.

Participant Investment Account Options

Each participant's account is credited with the participant's contributions and allocations of the Company's matching contributions, the Company's profit-sharing contributions and plan earnings (losses) and charged with administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon.

A participant becomes 100% vested in the Company's matching and profit-sharing contributions upon completion of 22 months of service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50% at December 31, 2025. Principal and interest are paid ratably through monthly payroll deductions.

Benefit Payments

If a participant retires, is terminated or becomes disabled, the balance of the participant's account is payable in a single lump sum. In-service withdrawals are available only from a participant's elective deferral balance.

Forfeited Accounts

All forfeitures of Company-match and profit-sharing contributions shall be applied to reduce the contribution obligations of the Company or to pay plan expenses. For the years ended December 31, 2025 and 2024, $352,799 and $18,970, respectively, of forfeitures were applied against Company contributions. For the years ended 2025 and 2024, $2,087 and $251, respectively, of forfeitures were applied against plan expenses. At December 31, 2025 and 2024, the Plan had $19,209 and $350,970, respectively, of forfeited nonvested funds available for future use.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The money market fund is carried at cost, which approximates fair value. Registered investment companies are stated at fair value as determined by quoted market prices, which represent the net asset value of shares held at year end. Fair value of publicly traded common and preferred stocks, registered investment companies, and shares of unit investment trusts contained in self-directed brokerage accounts are determined by obtaining quoted prices on nationally recognized securities exchanges. Interest-bearing cash and cash equivalents contained in self-directed brokerage accounts are carried at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan provides for investments that, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Fees relating to active participants are paid by the Plan and charged to the respective participants' accounts. Other administrative expenses of the Plan are paid by the Company. Additionally, certain employees of the Company provide administrative and trustee services to the Plan and the Company is not reimbursed by the Plan for such services. Certain investment fees are netted in the appreciation (depreciation) in fair value of investments.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions.

Note 3. Information Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.1033-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA*. Accordingly, Charles Schwab Trust Bank, a qualified institution, has certified that the following information in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024
- Investment income (loss) components and interest income from participant notes receivable as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in a transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted market prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liability

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The money market fund is valued at amortized cost, which approximates fair value (Level 1).

The fair value of registered investment companies is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1).

Fair values of publicly traded common and preferred stocks, registered investment companies and shares of unit investment trusts contained in self-directed brokerage accounts are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1). Interest-bearing cash and cash equivalents contained in self-directed brokerage accounts are carried at cost, which approximates fair value (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025				
Money market fund	$ 3,784,143	$ 3,784,143	$ -	$ -
Registered investment companies	103,694,625	103,694,625	-	-
Self-directed brokerage accounts	8,656,719	8,656,719	-	-
	$ 116,135,487	$ 116,135,487	$ -	$ -

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets	Significant Other Observable Inputs	Significant Unobservable Inputs
December 31, 2024				
Money market fund	$ 6,591,742	$ 6,591,742	$ -	$ -
Registered investment companies	84,131,783	84,131,783	-	-
Self-directed brokerage accounts	7,037,598	7,037,598	-	-
	$ 97,761,123	$ 97,761,123	$ -	$ -

Note 5. Party-in-Interest Transactions

Certain plan investments are managed by Charles Schwab Trust Bank, the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan of $89,089 and $113,692 during 2025 and 2024, respectively, for professional services were rendered by parties-in-interest.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the value of their accounts.

Note 7. Tax Status

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing/money purchase/CODA plan sponsored by Schwab Retirement Plan Services. This non-standardized pre-approved plan has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated September 21, 2020, from the Internal Revenue Service stating that the non-standardized pre-approved plan constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax exempt as of the financial statement date. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 117,309,422	$ 99,140,585

Net assets available for benefits per the Form 5500	$ 117,290,131	$ 98,787,786

The following is a reconciliation of total net increase in assets available for benefits per the financial statements to total net increase in assets available for benefits per the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Total net increase in net assets available for benefits per the financial statements	$ 18,168,837	$ 4,442,985
Deduct current year employer contributions receivable	(19,291)	(352,799)
Add prior year employer contributions receivable	352,799	1,587,668
Total net increase in net assets available for benefits per the Form 5500	$ 18,502,345	$ 5,677,854

Note 9. Subsequent Events

Subsequent events have been evaluated through September 30, 2026, which is the date the financial statements were available to be issued.
