To the Plan Administrator
Goodwill Industries of North Florida Retirement Savings Plan
Jacksonville, Florida

# Independent Auditor's Report

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Goodwill Industries of North Florida Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Goodwill Industries of North Florida Retirement Savings Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### Note 1. Description of Plan

The following description of the Goodwill Industries of North Florida Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General:**

The effective date of the Plan is October 1, 1997, amended effective April 1, 2024. The Plan is a defined contribution plan as defined under Internal Revenue Code ("IRC") Section 403(b) covering all employees of Goodwill Industries of North Florida, Inc. (the "Company"), excluding employees of GINFL Services, Inc. that participate in a separate Contractor's Retirement Plan required by the McNamara-O'Hara Service Contract Act. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Plan Administration:**

Principal is the Plan's custodian and record-keeper. The Plan Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Contributions:**

The Plan allows participants to contribute up to 100 percent of their eligible compensation, as defined in the Plan, subject to limits imposed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. For participants that have attained one year of service the Company contributes 50 percent of the first 10 percent of compensation that a participant contributes to the Plan. Participants meeting the definition of a highly compensated employee, as defined by the IRC, are not eligible for Employer contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

**Participant Accounts:**

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contributions and related earnings is based on years of continuous service. Participants must work at least 1,000 hours during the year to be credited with a year of service. Once the participant completes two years of service, he or she becomes 25 percent vested. Participants then earn 25 percent per year thereafter, and are 100 percent vested after five years of credited service.

**Note 1. (Continued)**

**Notes Receivable from Participants:**

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Loan terms have a minimum of one year and may not exceed five years, unless the loan is used for the purchase of a primary residence. No more than one loan may be outstanding at a time for a participant and loans may not be consolidated or refinanced. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits:**

On termination of service, a participant (or beneficiary) may elect to receive his or her account balance as a lump-sum distribution or in installment payments. Participants may not withdraw their contributions until they attain age 59 1/2 years, prove a financial hardship under specific circumstances, or terminate employment for any reason including death or disability. In the event of a financial hardship withdrawal, the participant is precluded from making contributions to the Plan for six months following the distribution.

**Forfeitures:**

At December 31, 2025, forfeited non-vested amounts totaled $0. These accounts are used to pay administrative expenses of the Plan and to reduce the Company's contributions. During the year ended December 31, 2025, Company contributions were reduced by $12,254 from forfeited non-vested accounts.

**Note 2. Summary of Significant Accounting Policies**

**Basis of Accounting:**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition:**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year, net of investment management fees.

**Note 2. (Continued)**

**Notes Receivable from Participants:**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued by unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

**Payment of Benefits:**

Benefits are recorded when paid.

**Plan Expenses:**

Plan expenses are allocated ratably to the participant's accounts. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

**Subsequent Events:**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 2, 2026, the date the financial statements were available to be issued.

**Note 3. Information Prepared and Certified by Custodian**

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company, a member of the Principal Financial Group, for 2025 and 2024.

| | 2025 | 2024 |
|---|---|---|
| Investments: | | |
| Mutual funds, at fair value | $ 3,715,324 | $ 3,315,447 |
| Guaranteed investment contract, at contract value | 45,397 | 53,593 |
| Total investments | $ 3,760,721 | $ 3,369,040 |
| Notes receivable from participants | $ 144,377 | $ 114,105 |
| Investment income | $ 398,831 | |

## NOTES TO FINANCIAL STATEMENTS

### Note 4. Fair Value Measurements

The Plan applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles define fair value and establish a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

Level 1 - Values measured using quoted prices in active markets for identical investments.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following is a summary of the levels within the fair value hierarchy for the Plan's assets and liabilities measured at fair value on a recurring basis as of December 31, 2025 and 2024:

| | Fair Value Measurements on a Recurring Basis as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments: | | | | |
| Mutual funds | $ 3,715,324 | $ - | $ - | $ 3,715,324 |
| Total | $ 3,715,324 | $ - | $ - | $ 3,715,324 |

| | Fair Value Measurements on a Recurring Basis as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments: | | | | |
| Mutual funds | $ 3,315,447 | $ - | $ - | $ 3,315,447 |
| Total | $ 3,315,447 | $ - | $ - | $ 3,315,447 |

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

## NOTES TO FINANCIAL STATEMENTS

### Note 5. Guaranteed Investment Contract with Insurance Company

The Plan has assets invested in the Principal Fixed Income Guaranteed Option (the "Fund"), a fully benefit-responsive guaranteed investment contract. Principal maintains the contributions in a general account that is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract has certain restrictions that impact the ability to collect the full contract value for non-benefit responsive events. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Principal may not terminate the Fund at any amount less than contract value.

### Note 6. Party-in-Interest Transactions

Certain Plan investments are managed by Principal. These investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Principal was paid $5,369 in service expenses for the Plan year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

### Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their employer contributions.

### Note 8. Tax Status

The Internal Revenue Service is issuing tax status letters to 403(b) plans upon a submitted application by the Plan. The Plan has not submitted an application for a tax determination letter at this time.

### Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
