# INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
Cleveland-Cliffs Princeton 401k Plan
Cleveland, Ohio

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Cleveland-Cliffs Princeton 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Cleveland-Cliffs Princeton 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, Fidelity Management Trust Company (November 5 through December 31, 2025) and John Hancock Life Insurance Company (U.S.A.), as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

## Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Cleveland-Cliffs Princeton 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cleveland-Cliffs Princeton 401k Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cleveland-Cliffs Princeton 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cleveland-Cliffs Princeton 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets Held for Investment Purposes End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# NOTES TO FINANCIAL STATEMENTS

**Cleveland-Cliffs Princeton 401K Plan**

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the Cleveland-Cliffs Princeton 401k Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

### GENERAL

The Plan is a defined contribution plan established October 1, 2005 and most recently amended and restated on November 5, 2025. Effective November 5, 2025, the XMV, Inc. Profit Sharing Plan was merged into the Plan. Concurrently, $22,661 thousand of plan assets were transferred to and held in the Cleveland-Cliffs Inc. Defined Contribution Plan Master Trust. Additionally, the Plan's trustee and record keeper was changed to Fidelity Management Trust Company. Prior to November 5, 2025, John Hancock served as the Plan's custodian and record keeper. The Plan, formerly known as Choice Investments Savings Plan, covers substantially all employees of Extra Energy, Inc. and its affiliated company, Prime Processing, Inc., XMV, Inc. and its affiliated companies, Twin State Mining, Inc. and Cleveland-Cliffs Princeton Coal Inc. (collectively, the "Company" or "Plan Sponsor") who are a U.S. citizen or resident alien, are not a leased employee, and are not covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees are eligible to participate in the Plan on the first day of employment with the Plan Sponsor. Eligible participants are immediately eligible to receive Plan Sponsor contributions. Each year, participants may contribute a portion of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. The Plan Sponsor is required to make a safe harbor contribution in an amount equal to 3% of a participant's eligible compensation. For the year ended December 31, 2025, the Plan Sponsor made $1,089 thousand in safe harbor contributions. The Plan Sponsor may elect to make discretionary matching contributions. For the year ended December 31, 2025, the Plan Sponsor did not make any discretionary matching contributions. The Plan Sponsor may also elect to make discretionary profit sharing contributions. For the year ended December 31, 2025, the Plan Sponsor did not make any profit sharing contributions. Contributions are subject to certain Internal Revenue Code limitations.

### INVESTMENT OPTIONS

Participants direct the investment of their contributions and account balances into various investment options offered by the Plan.

### PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's pre-tax, catch-up and rollover contributions, the Company's safe harbor contributions, discretionary matching contributions, if any, and an allocation of discretionary profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investment options offered by the Plan. If no investment election is made by the participant, then the contributions are automatically invested in the Plan's default investment option.

### VESTING

Participants are vested immediately in their pre-tax, catch-up and rollover contributions, safe harbor contributions, discretionary matching contributions and discretionary profit sharing contributions, plus actual earnings thereon.

### NOTES RECEIVABLE FROM PARTICIPANTS

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts a minimum of $1 thousand, up to a maximum equal to the lesser of $50 thousand or 50% of their account balance. Loans are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence, which are repaid over a period not to exceed 10 years.

The loans are secured by the balance in the participant's account and bear interest at rates commercially reasonable that are published on the first day of the month preceding the month the loan was granted. Principal and interest are paid ratably through monthly payroll deductions. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Loans become due and payable in the event of layoff in excess of twelve months, retirement or death. In the event of termination, the participant may continue to make payments on the loan in accordance with procedures established by the Plan Administrator. If the loan is not repaid when due, the loan balance will be treated as a taxable distribution from the Plan.

### PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or other reasons, a participant (or beneficiary) may elect to receive a lump sum amount equal to the total value or a portion of the participant’s vested interest in his or her account balance. Participants shall be entitled to receive in-service withdrawals upon attainment of age 59½, as defined in the Plan document.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The accompanying financial statements have been prepared in accordance with the accounting principles generally accepted in the United States of America ("U.S. GAAP"), using the accrual method of accounting.

### USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that affect the reported amounts in the financial statements and disclosures. Actual results could differ from those estimates.

### RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

### VALUATION OF INVESTMENTS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the plan’s gains and losses on investments bought and sold as well as held during the year.

### BENEFIT PAYMENTS

Benefit payments to participants are recorded upon distribution.

### ADMINISTRATIVE FEES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Other management fees may be paid by the forfeiture account in accordance with the Plan. Investment related expenses are included in *Net realized and unrealized income on investments*.

### PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participant will be entitled to the benefit that can be provided by the participant's account.

### SUBSEQUENT EVENTS

The Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through August 31, 2026, which is the date the financial statements were available to be issued.

## NOTE 3 - TAX STATUS

On June 30, 2020, the IRS stated that the Plan is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from taxation. The Plan has been amended; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions. However, currently no audits for any tax periods are in progress.

## NOTE 4 - INVESTMENT IN MASTER TRUST

Use of the Master Trust permits the commingling of assets for these plans. Although the assets are commingled in the Master Trust, the trustee maintains supporting records for the purpose of allocating the net gain or loss of the investment account to the participating plans.

The Master Trust includes the assets of the following plans:

- Cleveland-Cliffs Inc. and Its Associated Employers Salaried Employees Savings Plan

- Savings Plan for Hourly Employees of Empire Iron Mining Partnership, Tilden Mining Company L.C. and The Cleveland-Cliffs Iron Company

## NOTE 5 - FAIR VALUE OF FINANCIAL ASSETS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a three-level valuation hierarchy for classification of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. Inputs refer broadly to the assumptions that market participants would use in pricing an asset or liability. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources. Unobservable inputs are inputs that reflect our own views about the assumptions

market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The three-tier hierarchy of inputs is summarized below:

- Level 1 — Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 — Valuation is based upon quoted prices for similar assets and liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 — Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The classification of assets and liabilities within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement in its entirety.

## MASTER TRUST INVESTMENTS

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

***Self-Directed Accounts*** - Primarily consists of common stocks, mutual funds and cash that are valued on the basis of readily determinable market prices and are classified as Level 1 investments. In addition, the self-directed brokerage accounts hold Level 2 investments, primarily consisting of bonds, which do not have regular market pricing, but whose fair value is determined based on third party pricing models maximizing the use of observable inputs for similar securities.

***Collective Trust Funds*** - Valued at the NAV of units held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments of the collective trust funds.

***Mutual Funds & Common Stock*** - Valued at the closing price reported on the active market on which the individual securities or mutual funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the investments of the Master Trust measured at fair value on a recurring basis:

| | (In Thousands) | | | | |
|---|---|---|---|---|---|
| | December 31, 2025 | | | | |
| | Level 1 | Level 2 | Level 3 | Investments measured at NAV [1] | Total |

| Total investments at fair value | $ 536,648 | $ 5,817 | $ — | $ 4,060,735 | $ 4,603,200 |

|---|---|---|---|---|---|
| | December 31, 2024 | | | | |
| | Level 1 | Level 2 | Level 3 | Investments measured at NAV [1] | Total |

| Total investments at fair value | $ 485,151 | $ 7,348 | $ — | $ 3,658,932 | $ 4,151,431 |

[1] Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the investment amounts presented in Note 4.

Gains and losses included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, are reported in *Net investment income from interest in Cleveland-Cliffs Inc. Defined Contribution Plan Master Trust*.

## NON-MASTER TRUST ASSETS

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

***Pooled Separate Accounts***

Pooled Separate Accounts are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

***Guaranteed Interest Accounts***

The Guaranteed Interest Accounts adjust the book value with a market value adjustment that considers the number of complete months remaining until maturity, the composite rate of interest being earned by each account and current rate. All amounts are observable, allowing the investment to be classified in level 2 of the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. date.

## NOTE 6 - INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value, and cash held at December 31, 2025 and 2024, and net change in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee, Fidelity Management Trust Company and custodian, John Hancock Life Insurance Company (U.S.A.) (“John Hancock”).

## NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are held in investment funds managed by John Hancock or its affiliates and mutual funds managed by Fidelity Management and Research Company, which is affiliated with Fidelity Management Trust Company. As John Hancock and Fidelity Management Trust Company have served as custodian and trustee of the Plan, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. The Company, as Plan sponsor, pays certain administrative fees on behalf of the Plan, and these transactions also qualify as party-in-interest transactions. Usual and customary fees are paid by the mutual funds for investment management services. In addition, the Plan has arrangements with various service providers that qualify as party-in-interest transactions.

## NOTE 8 - INVESTMENT CONTRACTS

All plans within the Master Trust hold separately managed fully benefit-responsive stable value investments that hold

an assortment of SICs.

A SIC is a wrap contract paired with an underlying investment or investments, usually a portfolio, of high-quality, intermediate-term fixed income securities. Certain funds held by the Master Trust purchase wrapper contracts from financial services institutions. As described in Note 2, because the SICs are fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets attributable to the SICs. Contract value, as reported by the trustees, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. SICs provide for a variable crediting rate, which typically resets at least quarterly based on the current yield of the underlying investments. The crediting rate is primarily based on the current yield to maturity of the covered investment, plus or minus the differences between the contract value and the market value of the underlying assets supporting the contracts amortized over the duration of each contract. The interest rate cannot be less than zero.

Certain events limit the ability of plans within the Master Trust to transact at contract value with the issuers. Such events include, but may not be limited to, the following: (1) amendments to plan documents (including complete or partial plan termination or merger with another plan); (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of a plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from a plan; or (4) the failure of the Master Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrators of the plans within the Master Trust do not believe that the occurrence of any such value event, which would limit any plan's ability to transact at contract value with participants, is probable.
