INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the HPM Building Supply 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the HPM Building Supply 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the HPM Building Supply 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the HPM Building Supply 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

PKF San Diego, LLP is a member of PKF Global, the network of member firms of PKF International Limited, and Allinial Global, each of which is a separate and independent legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the HPM Building Supply 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the HPM Building Supply 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the HPM Building Supply 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION

General

The following description of the HPM Building Supply 401(k) Plan, a defined contribution plan, (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was adopted effective January 1, 1988. The Plan covers substantially all of the employees of Hawaii Planing Mill, Ltd. (the "Company" or "Employer"). Employees are eligible to participate in the Plan after completing one month of continuous service and may enter the Plan at the beginning of a month following eligibility.

In June 2024, HPM Building Supply acquired Truss Systems Hawaii. The Truss Systems Hawaii employees are treated as new hires.

The Plan is administered, and assets are held by John Hancock Trust Company, LLC (the "Custodian") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan permits participants to make voluntary pre-tax contributions pursuant to Section 401(k) of the Internal Revenue Code. Participants are eligible to obtain one loan from the Plan per twelve-month period. For participants who auto enrolled in the Plan, effective May 1, 2015, the Plan added an "auto escalation" feature which increases contributions to the Plan by 1% per year up to a 10% contribution. During 2017, the auto enrollment deferral amount for new participants was increased from 3% to 6%.

Contributions

The Plan allows participants to make pre-tax 401(k) or Roth contributions up to $23,500 of their annual eligible compensation, as defined in the Plan, for 2025. Participants who have attained age 50 to 59 or 64 and older before the end of the calendar year are eligible to make catch-up contributions of $7,500 (for a total of $31,000) for the year ended December 31, 2025. Participants who have attained age 60 to 63 before the end of the calendar year are eligible to make catch-up contributions of $11,250 (for a total of $34,750 in 2025). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions").

The Company may make discretionary contributions to the Plan as determined by Company management.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, the participant's share of the Employer contributions, if any, and the participant's share in the Plan's earnings or losses and Plan expenses. Plan earnings are allocated proportionately based on their investment in each fund.

NOTE 1 - PLAN DESCRIPTION (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants have no vested rights in the Employer's matching contributions until they have completed three years of service. At three years of service and thereafter, participants are fully vested in their matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The minimum amount of any loan is $1,000. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan Fund. Loans must be paid within 5 years with the exception of a loan used for the purchase of a principal residence. The loans are secured by the balance in the participant's account or other security (e.g., principal residence) and bear interest at a rate commensurate with local prevailing rates as determined by the Custodian at the time the loan is given.

Principal and interest on the loan is paid ratably through bi-weekly payroll deductions. The interest rate of outstanding participant loans ranged from 4.25% to 9.5% at December 31, 2025 and 2024.

Benefits Due to Terminated Participants

An employee shall not have any right to or interest in any assets of the Plan upon termination of employment or otherwise except as specifically provided under this Plan, and then only to the extent of the benefits payable to such employee according to Plan provisions. Participants are entitled to a distribution of their vested benefits in the event of termination of employment, retirement, death, disability, attaining age 59-1/2 and/or financial hardship. The distribution may be taken through a lump-sum payment or rollover. Participants may withdraw all or any portion of their vested contributions in the event of hardship as defined in the Plan agreement.

Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the ERISA of 1974. In the event of Plan termination, participants will become 100% vested in their account balances.

Forfeitures

Forfeitures of Employer contributions to the Plan shall be applied to Plan expenses and reduce future Employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $0 and no forfeitures were applied to Plan expenses or Employer contributions for the year ended December 31, 2025.

NOTE 1 - PLAN DESCRIPTION (continued)

Tax Status

The Plan has adopted a prototype plan and relies on the prototype plan's opinion letter from the Internal Revenue Service ("IRS"). The Plan has not applied for a determination letter from the IRS specific for the Plan. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

SECURE 2.0 Act of 2022

The Plan has implemented certain requirements of the SECURE 2.0 Act of 2022 ("SECURE 2.0"). Participants who have attained age 60 to 63 before the end of a calendar year are eligible to make additional catch-up contributions in place of their normal catch-up limit. Future provisions will be adopted at later dates, as necessary, to comply with the requirements of SECURE 2.0.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Administrative expenses are paid by the Plan. Administrative expenses paid by the Plan during the year ended December 31, 2025 are included in the statement of changes in net assets available for benefits and amounted to $123,090. Certain administrative expenses are paid by the Company, which are not included in the accompanying statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments in mutual funds and pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosure ("FASB ASC 820"). FASB ASC 820 provides the framework for measuring fair value and discusses acceptable valuation techniques and inputs to these techniques.

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Quoted prices in active markets for assets identical to the securities to be valued. (Examples include securities sold on the NYSE, NASDAQ, etc.)

Level 2 – Inputs other than quoted prices that are observable for securities, either directly or indirectly. (Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.)

Level 3 – Unobservable inputs, which contain assumptions by the party valuing those assets. For level 3 inputs, there is no market data or correlations with market assumptions. (Examples would include independent valuations of limited partnership interests, closely held stock, etc.)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled separate account group annuity contract – The pooled separate account group annuity contract, the NYL Insurance Anchor IV investment, holds an investment in a fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined-contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate a permitted transaction under the terms of the Plan.

The Plan presents the net appreciation (depreciation) in the fair value of its investments in the statement of changes in net assets available for benefits, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends (if declared) are recorded on the ex-dividend date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Benefit Payments

Benefits are recorded when paid. As of December 31, 2025 and 2024, $0 was payable to the Plan participants.

Reclassification

Certain prior year amounts have been reclassified for consistency with the current year presentation.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by a custodian need not be audited or reported on by an independent auditor. Pursuant to that regulation, the Plan Administrator has instructed the independent auditor not to perform any auditing procedures with respect to information certified by the Custodian, John Hancock Trust Company LLC. This includes the cost and market values of the investments and notes receivable from participants, the activity therein, the net appreciation (depreciation) in investments, interest and dividend income, and the information included on the supplemental schedule of assets (held at end of year). The Custodian has certified that this information is complete and accurate as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS

The following summarizes investments by classification and method of valuation in accordance with the requirements of FASB ASC 820:

		Fair Value Measurements at Reporting Date Using		
	December 31, 2025	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 25,616,500	$ 25,616,500	$ -	$ -
Total assets at fair value	$ 25,616,500	$ 25,616,500	$ -	$ -

		Fair Value Measurements at Reporting Date Using		
	December 31, 2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 21,180,568	$ 21,180,568	$ -	$ -
Total assets at fair value	$ 21,180,568	$ 21,180,568	$ -	$ -

NOTE 5 - BENEFIT RESPONSIVE INVESTMENT CONTRACT

Under the terms of the agreement with John Hancock Trust Company LLC, the Plan entered into an Anchor Account issued by New York Life (NYL Insurance Anchor IV), which qualifies as a fully-benefit responsive investment contract. The Custodian maintains the contributions to the Anchor Account in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Anchor Account invests in a diversified portfolio of high-quality, fixed-income securities which is represented by contributions plus a fixed rate of interest, less distributions from and administrative expenses of the contract. New York Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The Anchor Account is stated at contract value and there are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no additional restrictions that would limit the ability of the Plan to transact at contract value with the issuer. Management believes there are no events and circumstances that would allow the issuer to terminate the pooled separate account group annuity contract with the Plan and settle at an amount different from contract value. Contract value approximates fair value for the years ended December 31, 2025 and 2024. As of December 31, 2025 and 2024, the NYL Insurance Anchor IV investment totaled $103,562 and $116,755, respectively.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned. Additionally, the Company is a party-in-interest to the Plan. During the year ended December 31, 2025, the Company paid approximately $110,000 in administrative expenses for the Plan.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 26,492,285	$ 22,128,247
Contributions receivable	-	(41,889)
Net assets available for benefits per the Form 5500	$ 26,492,285	$ 22,086,358

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

	2025
Change in net assets available for benefits per the financial statements	$ 4,364,038
Change in employer contributions	41,889
Change in net assets available for benefits per the Form 5500	$ 4,405,927

NOTE 9 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events, as defined by FASB ASC 855, Subsequent Events, through the date that the financial statements were available to be issued on July 29, 2026.
