Schedule H, Line 4i - Schedule of Assets (Held at End of Year) 12

Independent Auditor's Report

To the Participants, Trustee and Plan Administrator of Pearl Interactive Network, LLC Health & Welfare Plan

Opinion

We have audited the financial statements of the Pearl Interactive Network, LLC Health & Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the related statements of changes in net assets available for benefits for the year the ended December 31, 2025 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Pearl Interactive Network, LLC Health & Welfare Plan as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the changes in its net assets available for benefits for the year ended December 31, 2025 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pearl Interactive Network, LLC Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 5 to the financial statements, the Plan Sponsor of Pearl Interactive Network, LLC Health & Welfare Plan approved the Plan's termination effective December 31, 2025, and management determined the liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in preparing the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pearl Interactive Network, LLC Health & Welfare Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pearl Interactive Network, LLC Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pearl Interactive Network, LLC Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

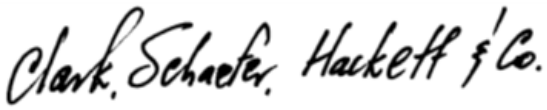

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the Pearl Interactive Network, LLC Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a health and welfare plan covering eligible employees, as defined, of Pearl Interactive Network, LLC (the Employer or Company). The Plan and Trust were established January 1, 2024 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Administrator, along with various advisors, is responsible for oversight of the Plan.

The Plan Sponsor approved the Plan's termination effective December 31, 2025. Remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan’s participants. Any excess assets will be transferred as described in Note 9.

Benefits

The Plan provides health benefits, including medical, critical illness, hospital indemnity, dental, and vision as well as life insurance, and short and long-term disability benefits, which are covered through various contracts with insurance companies. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management takes contributions to the Plan on their behalf. The participants’ coverage will end at midnight of the last day of the month in which eligibility ceases. The Plan also provides continuation of benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company makes contributions for participating employees covered under the Plan. For employees covered under contracts issued by federal, state, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents.

Retirement Plan Contributions

Participants can opt out of some Plan benefits and have their contribution allocated to United Workers Retirement Plan. After subtracting premiums and fees incurred by the Plan, the Plan forwards the excess contributions to the retirement plan. The retirement plan payable represents excess contributions received that have not been forwarded to the retirement plan by the end of the year.

2. Summary of Accounting Policies

Basis of Accounting

As a result of the decision to terminate the plan (see Note 9), the Plan changed its basis of accounting from the ongoing basis of accounting to the liquidation basis of accounting in 2025.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentrations of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Contribution Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. There is no allowance for uncollectible accounts at December 31, 2025 and 2024.

Payment of benefits

Benefits are recorded when paid.

Expenses

The Plan pays administrative expenses that consist of administrative fees, accounting fees, and other miscellaneous expenses. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. Certain other expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements.

Insurance Premiums Payable

Insurance premiums payable are based on the actual premiums due as of year-end but not paid until after year-end.

Subsequent Events

Subsequent events were evaluated through September 11, 2026, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation technique used for assets measured at fair value. There has been no change in the technique used at December 31, 2025.

Money market funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Assets at Fair Value as of December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Money market funds	$ 407,458	$ -	$ -	$ 407,458
Total investments at fair value	$ 407,458	$ -	$ -	$ 407,458

4. Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from income taxes, and is currently subject to income tax on its net investment income. The Trustee believes that the Trust does not have any net taxable income for the tax year ended December 31, 2025.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Plan Termination

The Plan Sponsor approved the Plan's termination effective December 31, 2025 as provided in the provisions of ERISA. Remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants. Any excess assets will be transferred as described in Note 9.

6. Plan Transfer - HRA

Effective December 31, 2024, the Plan received health reimbursement arrangement (HRA) funds from another plan sponsored by the Employer. Funds were available for incurred claims through January 31, 2025 to utilize for eligible expenses allowed under the HRA arrangement. Any funds not used for the eligible HRA expenses incurred through January 2025 were forfeited to the Plan and became available to use for certain allowed plan expenses and insurance premiums. In 2025 and 2024, approximately $16,000 and $0 claims related to HRA were paid. As of December 31, 2025 and 2024, approximately $1.2 million and $1.9 million were forfeited and were available to be used for certain allowed plan expenses and insurance premiums, as defined. During 2025, approximately $700,000 was used to pay for allowed plan expenses and premiums

7. Related-Party and Party In Interest Transactions

As noted in Note 1, the Plan has several arrangements with service providers where administrative expenses are paid. These transactions are party in interest transactions under ERISA.

8. Risks and Uncertainties

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

9. Subsequent Events

As noted in Note 5, the Plan Sponsor approved the Plan's termination and, on the same date, established a new plan named the Contractor's Insurance Trust (the Contractor's Plan) which will cover the same type of benefits and participants as this plan. After all the benefits are paid as required in this plan, any excess funds will be transferred to the Contractor's Plan. In January 2026, approximately $300,000 was transferred to the Contractor Plan. In April 2026, an additional $300,000 was transferred to the Contractor Plan. The remaining will be transferred as soon as administratively possible after any benefits are required by this Plan are paid.
