INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Chileda Institute, Inc. 401(k) Retirement Plan
La Crosse, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Chileda Institute, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Chileda Institute, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

3317 Mormon Coulee Road • P.O. Box 785 • La Crosse, WI 54602-0785 • (608) 788-2181

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chileda Institute, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chileda Institute, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chileda Institute, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chileda Institute, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held for Investment Purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHILEDA INSTITUTE, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounting records of the Plan are maintained on the accrual basis and presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Interest and Dividend Income - Interest and dividend income are recorded when earned during the fiscal year.

Purchases and Sales of Securities - Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of securities is based on cost. Cost is the fair value at the beginning of the Plan year or historical cost if the security was purchased during the Plan year.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

NOTE 2 - PLAN DESCRIPTION

The brief Plan description is provided for general information purposes only; for more complete information, the participants should refer to the Plan agreement.

The Plan is a defined contribution employee benefit plan, with employee elective contributions and employer matching and employer discretionary contributions, covering substantially all full-time employees of Chileda Institute, Inc. The Plan was adopted on April 1, 2012 and restated effective January 1, 2015. It is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – Chileda Institute, Inc. employees who have completed one year of service, worked one thousand hours, and have obtained the age of 21 are eligible to participate in the Plan.

NOTE 2 - PLAN DESCRIPTION, continued

Vesting - Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in Chileda Institute, Inc.'s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service based on the schedule below.

Years of Service:	After 1 year	**Percent vested:**	0%
	2 years		20
	3 years		40
	4 years		60
	5 years		80
	6 years		100

The vesting percentage times the employee's account balance is his or her benefit if they terminate employment.

Contributions - Each year, participants may contribute up to the maximum percentage allowable by Internal Revenue Code Sections 401(k), 402(g), 404 and 415. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The sponsor may make matching contributions equal to a discretionary percentage to be determined by the sponsor. The sponsor contributed 100% of the first 4% of base compensation that a participant contributed to the Plan as matching contributions for the years ended December 31, 2025 and 2024. Additional amounts may be contributed at the option of the Chileda Institute, Inc.'s Board of Directors. Chileda Institute, Inc. made a 2.5% discretionary contribution for the year ended December 31, 2025 and a 3.0% discretionary contribution for the year ended December 31, 2024. All employee and employer contributions are participant directed.

Contributions Receivable – The Company approved a 2.5% profit sharing match for the year ending December 31, 2025. The total contribution of $218,196 is recorded net any forfeitures utilized to pay the contribution. The forfeitures utilized of $52,432 included the end of the year forfeiture balance plus any earnings that occurred prior to contribution. The net balance of $165,764 is recorded on the balance sheet as employer contributions receivable.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Chileda Institute, Inc.'s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits - On termination of service, a participant may elect to receive the value of his or her account in a lump-sum distribution, a series of substantially equal periodic installments not to exceed the participant's life expectancy, or partial withdrawals as described in the Plan's provisions.

Forfeited Accounts –Forfeitures are used to pay Plan expenses and/or reduce employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $49,610 and $9,965, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs rather than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of certain pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of these investments are determined by pricing data provided by outside valuation service providers who generally use the mean bid/ask prices but may also use alternative observable pricing inputs including discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Level 3 Fair Value Measurements

The fair value of these investments are determined by inputs to the valuation methodology that are not observable and are significant to the fair value measurement.

For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1, 2, or 3.

Pooled Separate Accounts - Pooled separate accounts are valued at NAV of the units of the pooled account. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell its investments for an amount different than the reported NAV. Participant transactions may occur daily. Redemption frequency and notice period is daily.

Certain investments that were measured at NAV have not been classified in the fair value hierarchy table presented below. The fair value amounts presented in the table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements Using:		
December 31, 2025	**Fair Value**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Pooled Separate Accounts	$ 4,750,790	$ -	$ -	$ -
Investment contract with insurance company	680,987	-	-	680,987
Total assets at fair value	$ 5,431,777	$ -	$ -	$ 680,987
December 31, 2024				
Pooled Separate Accounts	$ 4,080,591	$ -	$ -	$ -
Investment contract with insurance company	598,156	-	-	598,156
Total assets at fair value	$ 4,678,747	$ -	$ -	$ 598,156

The following table summarizes investments measured at fair value based on the use of NAV per share as a practical expedient.

	Pooled Separate Accounts			
	Fair Value	**Uncommitted Funds**	**Redemption Frequency**	**Transfer Restriction Period**
December 31, 2025	$ 4,750,790	$ -	Daily	Daily
December 31, 2024	$ 4,080,591	$ -	Daily	Daily

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

The following table provides a summary of changes in the fair value of Level 3 assets:

Reconciliation	2025	2024
Beginning balance	$ 598,156	$ 509,380
Contributions and transfers in	164,587	92,245
Investment earnings	9,371	7,136
Participant withdrawals and transfers out	(91,127)	(10,605)
Ending balance	$ 680,987	$ 598,156

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – INVESTMENTS

All investments bear full market risk. All gains and losses (realized and unrealized) are attributed to pooled separate accounts for the year ended December 31, 2025 and 2024 and are included in net appreciation (depreciation) in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Standard Life Insurance Company. Standard Stable Asset D investment choices are invested in a general account. The Stable Asset D has no stated maturity. Interest rates are reset quarterly as of the beginning of the quarter, during which a new interest rate is applied daily to the total outstanding balance of the investment. As described in Note 1, this type of investment is considered fairly valued at contract value.

The Standard Stable Asset D investment choice is a non-tradable obligation of Standard. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of Standard.

The repayment of principle and interest credited to participants holding the investment is a financial obligation of Standard. However, if an event should occur such that realization of full contract value for a particular investment contract is no longer probable, the Stable Asset D investment choice may no longer be considered fully benefit-responsive.

The terms of Standard Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no condition, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution plan such as withdrawals for benefits, loans or transfers to other investment choices within the plan.

Since the Stable Asset D investment choice is an obligation of Standard, the occurrence of an event that limits the ability of the investment to transact at contract value between Standard and a participant holding the investment is not probable.

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY, continued

The Stable Asset D investment choice allows a participant reasonable access to their assets.

Assets held in Stable Asset D investment choices are commingled with assets in the general account. There is no specific portfolio of assets in which the Stable Asset D investment choices invest, so no financial statements are available.

The credited interest rate is backed by the income received from assets held in the general account.

Average yields:	2025	2024
Based on actual earnings	0.37%	0.32%
Based on interest rate credited to participants	0.37%	0.32%

NOTE 6 - ADMINISTRATIVE EXPENSES

Chileda Institute, Inc. pays certain administrative expenses and participant fees that are not absorbed by participant accounts.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Chileda Institute, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 - TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter dated June 30, 2020 from the Internal Revenue Service. The Plan has been subsequently amended, and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H, FORM 5500

The following is a reconciliation of change in net assets available for pension benefits per the financial statements at December 31, 2025 and 2024 to Schedule H of the Form 5500:

	2025	2024
Net assets available for plan benefits per the financial statements	$ 5,597,541	$ 4,886,128
Forfeitures utilized for profit sharing not reflected on Form 5500	(52,432)	-
Net assets available for plan benefits per Schedule H of Form 5500	$ 5,649,973	$ 4,886,128

	2025	2024

NOTE 12 – CONCENTRATIONS

The Plan's investments that represented 15 percent or more of the Plan's net assets available for benefits as of December 31, 2025 and 2024 are as follows:

	2025	2024
Vanguard Total Bond Mkt Index	$ 1,144,208	$ 1,073,138
Schwab Total Stock	2,506,224	2,089,423

NOTE 13 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Fees for professional services rendered to the Plan may be paid for by the Company at its discretion. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 14 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 17, 2026, the date these financial statements were available to be issued. No subsequent event adjustments were made to the financial statements.
