INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of Trulife, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Trulife, Inc. 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTE A - Description of Plan:

The following brief description of the Trulife, Inc. 401(k) Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution Plan covering substantially all employees (excluding collectively bargained employees and non-resident aliens who receive no U.S. source income) of Trulife, Inc. (the "Company"), who are age twenty-one or older and have two months of service. The entry date is the first of the month coinciding with or following the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is provided as a pre-approved plan by ADP, LLC.

2. Contributions - Each year, participants may contribute up to 90% of their annual compensation, as defined in the Plan, as a pre-tax deferral contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Eligible employees are automatically enrolled to defer 3% of their pay as of the date they become eligible to participate in the Plan, unless they choose a different percentage or choose not to participant in the Plan. Eligible employees are those who became eligible on or after the effective date. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution Plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a selection of mutual funds and a collective investment trust as investment options for participants. The Company matches 100% of the participant's elective deferral up to a maximum of 5% of the participant's compensation. The Company, at its discretion, may make an additional contribution to the Plan at an amount equal to a percentage of the participant's annual compensation. An employee must be employed on the last day of the Plan year or must complete more than 500 hours of service in order to obtain any discretionary additional contributions. The Company did not make any discretionary contributions for 2025. Segregated accounts are maintained for each participant. The participant directs the investment of those amounts among the funds offered by ADP, LLC. Contributions are subject to certain limitations.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the portion of their accounts funded by Employer's matching contributions plus earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Percentage Vested
Less than 3	0%
3 or more	100%

5. Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows in-service distributions for those who reach age 59 ½ or cite a financial hardship as defined by the Plan.

6. Forfeited Accounts - At December 31, 2025 and 2024, forfeited nonvested accounts totaled $3,833 and $27,038, respectively. These accounts will be used to reduce future employer contributions and pay plan expenses. Also, in 2025, employer contributions were reduced by $50,373 and none of the Plan fees were paid from forfeited nonvested accounts.

NOTE B - Summary of Significant Accounting Policies:

1. Basis of Accounting - The financial statements of the Plan are maintained on the accrual basis.

2. Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

   Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Administrative Expenses - Certain administrative expenses of the Plan are paid directly by the Company and are therefore excluded from these financial statements.

4. Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

5. Payment of Benefits - Benefits are recorded when paid.

6. Subsequent Events - Subsequent events were evaluated through September 29, 2026, which is the date the financial statements were available to be issued.

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. There are no Plan assets presented using Level 2 or Level 3 measurements for the periods presented.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: The fair value of participation units held in the Reliance MetLife Stable Value Fund (Series 25053, Class 0), a common/collective trust (CCT) is based on net asset value, as reported by the manager of the collective trust fund, Reliance Trust Company, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The net asset value is used as a practical expedient to estimate fair value. The CCT invests entirely in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios in fixed income securities, and also enters wrapper contracts, which are issued by third-parties and are designed to allow the Fund to maintain a constant net asset value.

NOTE C - Fair Value Measurements (continued):

The preceding method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025:	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
Mutual funds	$ 11,678,518	$ 11,678,518
Total assets in the fair value hierarchy	$ 11,678,518	$ 11,678,518
Investments measured at net asset value (a)		844,557
Investments at fair value		$ 12,523,075

December 31, 2024:	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
Mutual funds	$ 10,634,015	$ 10,634,015
Total assets in the fair value hierarchy	$ 10,634,015	$ 10,634,015
Investments measured at net asset value (a)		1,131,185
Investments at fair value		$ 11,765,200

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use Net Asset Value Per Share Practical Expedient

The following tables summarize investments measured at fair value using the NAV per share practical expedient as of December 31, 2025 and 2024:

December 31, 2025:	Fair Value 12/31/25	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/Collective Trusts	$ 844,557	$ -	Daily	1 day
Total	$ 844,557	$ -		

December 31, 2024:	Fair Value 12/31/24	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/Collective Trusts	$1,131,185	$ -	Daily	1 day
Total	$1,131,185	$ -		

NOTE D - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE E - Tax Status:

ADP, LLC, the pre-approved Plan provider for the Plan, obtained an opinion letter dated October 6, 2020, in which the IRS stated that the restated pre-approved Plan documents were in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - Information Certified by Custodians/Trustees:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, ADP Retirement Trust Services, LLC (ADP Trust), the trustee of the Plan for 2025 has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2025, the Supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

Reliance Trust Company, the trustee of the Plan for 2024, has certified to the completeness and accuracy of all investments reported in the accompanying statement of Net Assets Available for Benefits as of December 31, 2024.

NOTE G - Related-Party/Party-in-Interest Transactions:

Certain Plan investments included in the investment contract are managed by ADP Retirement Trust Services, LLC for 2025 and Reliance Trust Company for 2024. The custodian/trustee as defined by the Plan is ADP Retirement Trust Services, LLC for 2025 and was Reliance Trust Company for 2024. ADP, Inc. is the Plan's third-party administrator/recordkeeper. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amount to $4,145 for the year ended December 31, 2025.

Ameriprise Financial Services LLC is the Plan's investment advisor. Fees paid by the Plan for investment advisory services amount to $24,010 for the year ended December 31, 2025.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - Risks and Uncertainties:

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$12,523,075	$11,765,200
Amounts allocated to withdrawing participants	(286,024)	(286,024)
Rounding	0	1
Net assets available for benefits per the Form 5500	$12,237,051	$11,479,177

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end, but not yet paid as of that date.

NOTE J - Plan Amendments and Other Changes During Reporting Period:

During 2025, the Plan's trustee was changed from Reliance Trust Company to ADP Retirement Trust Services, LLC. The change was communicated to participants through a Summary of Material Modifications.
