INDEPENDENT AUDITORS' REPORT

Board of Trustees and Participants
Post Glover Resistors, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Post Glover Resistors, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Post Glover Resistors, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and December 31, 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Post Glover Resistors, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Post Glover Resistors, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Post Glover Resistors, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Post Glover Resistors, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, as of or for the year ended is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Post Glover Resistors, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for more complete information.

General

The Plan on established April 1, 2006, and restated on January 1, 2021, is a defined contribution plan. All employees of Post Glover Resistors, Inc., Post Glover Lifelink, Inc., Mosebach Manufacturing Company and Rent-A-Load USA, LLC (together the "Company") who have reached age 18 and have at least six months of service are eligible to participate in the Plan. Normal retirement age is 65 years. In the event of a participant's death, any remaining balance will be paid to designated beneficiaries.

Contributions

A participant may authorize contributions up to the annual maximum amount permitted by the Internal Revenue Code ("IRC") through payroll deductions. Participants who become eligible on or after January 1, 2023 will be automatically enrolled in the plan at 5% with an annual automatic increase of 1%, up to a maximum deferral of 10%. The Company will make a safe harbor matching contribution equal to 100% of the participant's contribution up to 5% of their eligible compensation. The Company can also make a discretionary profit sharing contribution for each participant who is employed on the last day of the Plan year. Participants may allocate contributions made to their account in any of the investment options offered by the Plan.

Participant Accounts

Each participants' account is credited with the participants' contribution, and an allocation of the Company's contributions and investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in Company safe harbor matching contributions immediately and are 100% vested in Company profit sharing contributions on the first day of the quarter following the participant's completion of three (3) years of service. Participants are 100% vested in their own contributions at all times.

Participant Loans

Participants may borrow from their fund account up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The expenses of administering the Plan and the related Plan assets may be paid by either the Company or from the assets of the Plan. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

Forfeitures

Forfeitures may be used to offset Company contributions or pay administrative expenses, at the Company's discretion. Forfeited amounts of $9,405 at December 31, 2025 and $11,124 at December 31, 2024 were available to reduce employer contributions or pay administrative expenses. The 2025 employer contributions were reduced by $12,500 from forfeited nonvested accounts.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Plan Expense Account
The Plan Expense Account (PEA), which is presented within the forfeitures section of the trust report, is maintained on Empower's recordkeeping system and may receive revenue credits related to fund service fees in accordance with the Plan's service agreement with Empower. Amounts in the PEA may be used, at the direction of the plan sponsor, to pay permissible plan administrative expenses.

The plan sponsor is responsible for determining whether expenses paid from the PEA are necessary, reasonable, and permissible to be paid from plan assets and for authorizing Empower to process such payments. Any assets remaining in the PEA at year-end are subject to the plan sponsor's determination regarding appropriate use or allocation in accordance with the terms of the Plan.

The balance in the PEA was $2 and $0 at December 31, 2025 and 2024, respectively. Fees and revenue credits deposited into the PEA totaled $82,184 during 2025 and were fully utilized to pay administrative expenses during 2025. Interest and dividends earned in the PEA were $0 as of December 31, 2025.

Payments of Benefits
On termination of service due to death, disability or retirement, a participant will receive a distribution equal to the value of the participant's vested interest in their account in a lump-sum. If the terminated participant's vested balance is less than $5,000, then the account balance can be automatically distributed without consent from the participant.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits made to the contract, plus earnings, less withdrawals and fees.

Investment Valuation and Income Recognition
Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The investments are not covered by federal insurance.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Use of Estimates
The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits
Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time. If the Plan is terminated, participants will become fully vested in the Company's contributions and the trustee may commence payments of benefits, pursuant to the terms of the Plan.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA, which received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the Plan's qualified status. The non-standardized pre-approved profit sharing plan with CODA opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2022. There are currently no audits for any tax periods in progress.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in mutual fund, common collective trusts and investment contracts managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (together "Empower"). Empower is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and administrative services amounted to $106,223 for the year ended December 31, 2025. These fees are in addition to those paid through the PEA account. These transactions qualify as party-in-interest transactions but are exempt from the prohibited transaction rules under ERISA.

NOTE 6 - PLAN RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants at December 31, 2025 and December 31, 2024, net appreciation in fair value of investments, dividends and interest for the year ended December 31, 2025, was obtained or derived from information supplied by the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the custodians of the Plan). The information certified includes total investments of $29,766,511 and $25,846,362 at December 31, 2025 and December 31, 2024, respectively, and related investment income (loss) of $3,979,156 for the year ended December 31, 2025. The information certified also includes total notes receivable from participants of $362,088 and $455,170 at December 31, 2025 and December 31, 2024, respectively, and related interest on notes receivable from participants of $27,416 for the year ended December 31, 2025.

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts which are reported at contract value) in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements
Mutual funds – Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and December 31, 2024:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Mutual funds	$ 28,711,696	$ 28,711,696
Total assets at fair value	$ 28,711,696	$ 28,711,696

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2024		
Mutual funds	$ 24,602,860	$ 24,602,860
Total assets at fair value	$ 24,602,860	$ 24,602,860

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 9 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In September 2016, the Plan entered into a traditional benefit-responsive contract with Great-West Life & Annuity Insurance Company, now known as Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 9 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value, which is an appropriate determination of fair value, of the investment contract at December 31, 2025 and 2024 was $1,054,815 and $1,243,502, respectively. The crediting interest rate is based on a formula agreed upon by the issuer, but may not be less than 0.00%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact a contract value with Empower Annuity Insurance Company of America. Such events include the following: amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA.

NOTE 10 - PROHIBITED TRANSACTIONS

The Plan is subject to the prohibited transaction provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Prohibited transactions identified by management or as part of the audit are required to be evaluated for reporting in the applicable ERISA-required supplemental schedules under AU-C 703. Prohibited transactions may also require recognition or disclosure in the financial statements when they result in a receivable from a fiduciary or give rise to a contingency under FASB ASC 450.

During the year ended December 31, 2025, employee deferrals and loan repayments totaling $55,926 were not remitted to the Plan within the time period required by Department of Labor regulations. The delayed remittances constituted nonexempt prohibited transactions under ERISA. As of December 31, 2025, employee deferrals and loan repayments related to untimely contributions totaling $55,925 had been remitted to the Plan and $1 remained unremitted.

Management has reported the delinquent participant contributions on Schedule H, line 4a — Schedule of Delinquent Participant Contributions, of the Plan's Form 5500 for the year ended December 31, 2025.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statement to the Form 5500 as of December 31, 2025 and December 31, 2024:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 30,491,675	$ 26,645,796
Less: Employer's contributions receivable per financial statements	(363,076)	(344,264)
Net assets available for benefits per the Form 5500	$ 30,128,599	$ 26,301,532

The following is a reconciliation of employers' contributions per the financial statements and the Form 5500 for the year ended December 31, 2025:

Employers' contributions per the financial statements	$ 1,128,628
Less: Change in employers' contributions receivable	(18,812)
Plus: Adjustment to prior year employers' contributions receivable	11
Employer contributions per Form 5500, Schedule H, Part II, Line 2a(1)(A)	$ 1,109,827

The $11 adjustment to prior year employer' contribution receivable agrees to the Other Income reported in the Statement of Changes in Net Assets Available for Benefits for the year ended : December 31, 2025.

NOTE 12 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 2, 2026, the date the financial statements were available to be issued.
