Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified **(2)** ☐ Qualified **(3)** ☒ Disclaimer **(4)** ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 **(2)** ☐ DOL Regulation 2520.103-12(d) **(3)** ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: GROSS, MENDELSOHN & ASSOCIATES, P.A **(2)** EIN: 52-0982413

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**		X	
e Was this plan covered by a fidelity bond?	**4e**	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**		X	
l Has the plan failed to provide any benefit when due under the plan?	**4l**		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Plan Administrator
Maryland Academy of Sciences DC Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Maryland Academy of Sciences DC Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Maryland Academy of Sciences DC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Maryland Academy of Sciences DC Retirement Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 8 to the financial statements, the Plan does not have sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements and supplemental schedule may have been affected by these conditions.

Independent Auditor's Report (Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maryland Academy of Sciences DC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Maryland Academy of Sciences DC Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Maryland Academy of Sciences DC Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Note 1: Description of Plan

The following description of Maryland Academy of Sciences Defined Contribution Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution retirement plan established by Maryland Academy of Sciences (the Organization) as of July 1966 and restated effective January 1, 2018. The Plan qualifies under Section 403(b) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as certain provisions of the federal income tax laws.

Participant Contributions: The Plan generally allows eligible employees to contribute a percentage of their compensation not to exceed the maximum limitation on annual additions to a participant's account under applicable provisions of the Internal Revenue Code. Participant contributions are made through payroll deductions. Each participant designates the percentage of his contribution which is to be invested in one or more of the available investment fund options. Participants have the opportunity to change their investment options daily. Participants are also allowed to contribute distributions received from other qualified retirement plans.

Employer Contributions: The Organization matches 100% of the participant's elective deferral up to 5% of compensation. Participants must complete 12 consecutive months of service to receive a matching contribution. The amount of contributions to the Plan is subject to the annual limitations set by the Internal Revenue Code.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Organization's contributions and an allocation of Plan earnings, losses and administrative expenses. Plan earnings, losses and administrative expenses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. All accounts are entirely participant directed. All plan assets as of December 31, 2025 and 2024 have been allocated to participants' accounts.

Vesting: Participants are immediately vested in all their contributions and investment earnings thereon. Employer contributions are fully vested and non-forfeitable when such contributions are made.

Forfeitures: As all contributions are 100% vested, there are no forfeitures in the Plan.

Payment of Benefits: Upon termination of service due to death, disability, or upon reaching age 59½, a participant may elect to receive a lump-sum, partial payment, installment payment or annuity contract in an amount equal to the value of the participant's account. Participants are generally required to take minimum distributions upon reaching the age of 73. Hardship withdrawals by a participant are permitted if specified criteria are met. Participants may withdrawal all or a portion of their rollover contributions at any time.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance invested in mutual funds. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with the prevailing market rate. Principal and interest are paid through payroll deductions. The participant is allowed to have only three loans outstanding at any given time.

Note 2: Summary of Significant Accounting Policies

Following is a description of the significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance. Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative fees and expensed when they are incurred.

Contributions: Contributions from participants, including any related employer matching contributions, are recorded in the period the employer withholds payroll deductions from plan participants.

Payment of Benefits: Benefits are recorded when paid to participants.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 30, 2026, the date the financial statements were available to be issued. During the period from January 1, 2026 through September 30, 2026, there are no subsequent events that require recognition or disclosure.

Note 3: Fair Value Measurements

Generally Accepted Accounting Principles (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for measuring Plan assets:

Mutual Funds: The fair value of mutual funds is based on the closing price at year end as reported by the fund. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There has been no change in the methodology used to value mutual funds at December 31, 2025 and 2024.

Pooled Separate Account: The TIAA Real Estate Account (REA) generally invests in real estate properties and real estate-related investments. The REA is valued at fair value based on net asset value, which is principally derived from the market value of the underlying real estate holdings or the other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The REA sometimes holds securities as well. They are generally priced using values obtained from independent pricing sources. Unit values are calculated each day.

Note 3: Fair Value Measurements (Continued)

Guaranteed Investment Contracts: TIAA Traditional Annuity is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by TIAA. There are two types of TIAA Traditional Annuities: (1) The TIAA Traditional Benefit Responsive investment which is reported at contract value, and (2) the TIAA Traditional Non-Benefit Responsive investment which is reported at fair value, which approximates contract value. The contract value of the TIAA Traditional Annuities equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. While transactions involving the purchases and sales of individual TIAA Traditional Annuities contracts are not observable in a public marketplace, contract value provides a good approximation of fair value. Certain contract types contain liquidity restrictions on the redemption of the TIAA Traditional Annuities accumulations, which could impact the value upon exiting the contracts (see Note 5).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are to be reported at fair value. The tables below present the assets and liabilities measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total

Pooled separate account	$ 102,262	N/A	Daily	None

Note 4: Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by TIAA and CREF, the custodian of the Plan as of December 31, 2025 and 2024.

Certain information reported in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was derived from information certified as complete and accurate by TIAA and CREF.

Note 5: Investment in Insurance Company Contracts

The Plan invests in benefit-responsive and a non-benefit responsive investment contracts with TIAA. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract that is fully benefit-responsive. The fully benefit-responsive investment contract is included in the statements of net assets available for benefits at contract value. The non-benefit responsive investment contract is included in the statements of net assets available benefits at fair value, which approximates contract value. Contract value represents contributions made under the contract, plus earnings and losses, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with TIAA. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the possibility of any events that would limit the Plan's ability to transact at contract value with plan participants to be probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 6: Notes Receivable from Participants

As of December 31, 2025 and 2024, one participant was indebted to the Plan in the total amount of $28,551 and $16,002, respectively. The loans are evidenced by promissory notes bearing interest at rates from 8.00% to 8.50% per annum and are payable in installments the latest which is due in November 2030. The notes are fully secured by the participant's vested account balance.

Note 7: Plan Termination

The Organization has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan, subject to applicable statutory provisions of ERISA. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a matter as the Organization may determine. The Organization has not indicated any intention to terminate the Plan.

Note 8: Inability to Obtain Records

TIAA and CREF was unable to provide participant and plan records relating to certain contracts and custodial accounts prior to January 1, 2009; therefore, audit procedures concerning the accuracy and completeness of the Plan's beginning balances were unable to be performed.

Note 9: Income Tax Status

The Internal Revenue Service (IRS) has ruled, in a letter dated August 7, 2017 that the TIAA ERISA 403(b) Volume Submitter Plan qualifies under applicable sections of the Internal Revenue Code (the Code). An employer who adopts this plan is generally considered to have a plan that is also qualified. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code; therefore, the Plan is currently exempt from federal income taxes. The Plan's federal information returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 10: Administrative Expenses

The Plan's expenses are paid either by the Plan or the Organization, as provided by the Plan document. Expenses paid directly by the Organization are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as administrative expenses in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. The Plan has a revenue sharing agreement with their trustee. The Plan received $3,012 and $-0- of shared revenue during the years ended December 31, 2025 and 2024, respectively, which was offset against recordkeeper fees and included in other income in the statements of changes in net assets available for benefits.

Note 11: Parties-in-Interest

Certain plan investments are investments managed by TIAA and CREF, the custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. During the years ended December 31, 2025 and 2024, the Plan paid administrative expenses of $26,424 and $23,288, respectively. Certain officers and employees of the Company are administrators of the Plan and are participants in the Plan. In addition, the Plan issues loans to participants, which are secured by the participants' account balance. These transactions also qualify as party-in-interest transactions.

Note 12: Reconciliation of Financial Statements to Form 5500

The financial statements of the Plan for the years ended December 31, 2025 and 2024 did not differ from the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan) filed with the Internal Revenue Service.

Note 13: Risks and Uncertainties

The Plan invests in various investment securities, as directed by participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
