INDEPENDENT AUDITORS' REPORT

To the Plan Administration of
SPEAR Physical Therapy PLLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of SPEAR Physical Therapy PLLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following brief description of SPEAR Physical Therapy PLLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

Description of Plan Provisions

The Plan is a defined contribution plan covering all employees of SPEAR Physical Therapy PLLC (the "Sponsor" or "Company") who have completed three months of service. On February 21, 2021, the Plan was amended to also include the employees of the related employer SPEAR Associates Partners, LLC, SPEAR Connecticut and SPEAR Hoboken LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On October 30,2025, the Sponsor approved an amendment and restatement of the Plan to merge the S.P.E.A.R Physical and Occupational Therapy LLC Profit Sharing Plan ("SPEAR PSP") into the Plan effective December 1, 2025. As a result, $1,278,465 of the assets of the SPEAR PSP were transferred to the Plan during the year ended December 31, 2025. Participants are 100% vested in these amounts.

Contributions

Each year, participants may contribute up to 100% of their annual wages up to a maximum ($23,500 in 2025 and $23,000 in 2024) permitted by the Internal Revenue Service ("IRS"). Participants who turn age 50 or older in the current calendar year, may elect to defer additional amounts (called "catch-up contributions") to the Plan. The maximum catch-up contribution that participants could make was $7,500 in both 2025 and 2024. For the year 2025, under a change made in SECURE 2.0, participants who turn age 60-63 during the Plan year may contribute up to $11,250 as the maximum catch-up contribution. The Company will make safe-harbor matching contributions to eligible employees in an amount equal to 100% of the first 3% of annual compensation, plus 50% of the next 2% of annual compensation.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $900 and $272, respectively. These accounts are used to pay Plan expenses and to reduce future employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contribution and Plan earnings or losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the Sponsor's safe-harbor matching contributions plus actual earnings thereon. Vesting in the Company's additional discretionary contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after two years of credited service, another 20% vested each year thereafter, and is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of the investment options offered under the Plan. Participants may change their investment options at their discretion.

NOTE 1 – PLAN DESCRIPTION (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lessor of $50,000 or 50 percent of their balance, subject to the provisions set forth for the Plan. A participant can have one loan outstanding at a time, and loan refinancing is not permitted. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25 to 9.50 percent, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be longer). Principal and interest are paid ratably through payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

Payment of Benefits

On termination of service, death, disability or retirement, a participant's entire available account balance is paid in either a lump-sum amount or various annuity options as soon as it is administratively feasible following the termination of employment and the consent of the participant, but in no event later than the 60th day following the close of the Plan year in which the participant reaches normal retirement age.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for a discussion of fair value measurements.

Fully benefit-responsive investment contracts ("FBRIC") held by a defined-contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administration of the Plan

Administrative expenses of the Plan may be paid by the Sponsor or by the Plan at the election of the Sponsor. Currently, the Sponsor pays most administrative expenses. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AS COMPLETE AND ACCURATE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan:

	2025	2024
Investments at fair value		
Mutual funds	$ 23,249,382	$ 15,109,714
Self-directed brokerage account	$ 3,727	$ 3,173
Total, investments at fair value	$ 23,253,109	$ 15,112,887
Lincoln Stable Value contract (FBRIC) at contract value	$ 106,621	$ 98,769
Total, investments	$ 23,359,730	$ 15,211,656
Net appreciation in fair value of investments	$ 2,756,654	
Interest and dividends	$ 889,415	

Notes receivable from participants of $134,788 and $94,352 at December 31, 2025 and 2024, respectively, and interest income on notes receivable from participants of $8,047 for the year ended December 31, 2025, have also been certified by Fidelity.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurement" provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Self-Directed Brokerage Accounts

Accounts that consist of cash, common stock and exchange-traded funds that are reported on the active market on which the individual securities are traded.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 23,249,382	$ -	$ -	$ 23,249,382
Self-directed brokerage account	3,727	-	-	3,727
Total investments, at fair value	$ 23,253,109	$ -	$ -	$ 23,253,109

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 15,109,714	$ -	$ -	$ 15,109,714
Self-directed brokerage account	3,173	-	-	3,173
Total investments, at fair value	$ 15,112,887	$ -	$ -	$ 15,112,887

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE

The Plan entered into a fully benefit-responsive investment contract with Lincoln Life & Annuity Company of New York, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate (not to go below 0%) that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer which is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract permits redemptions subject to competing fund restrictions.

There are no reserves against contract value for credit risk of the contract or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The minimum interest rate for the contract is 1.70%. The crediting interest rate was 2.80% and 2.75% in December 31, 2025 and 2024, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include, but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund; (3) an amendment to the Plan or (4) change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator does not believe that any events which would limit the Plan’s ability to transact at the contract value with participants are probable of occurring. No events or circumstances would allow the issuer to terminate the contract and settle at an amount different than that of the contract value.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to amend or terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 7 – TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit sharing adopted by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401 (a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 7 – TAX STATUS (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 8 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments represent shares in mutual funds, or other investments administered by Fidelity, which qualify as party-in-interest transactions. Administrative fees paid by the Plan were $38,201 to Fidelity Investments Institutional, $33,180 to Equitable Advisors LLC and $6,821 to Strategic Advisors, Inc. for the year ended December 31, 2025.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – DELINQUENT EMPLOYEE DEFERRAL REMITTANCES

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of $1,799 and $74,192 were not remitted within the required time period for the year ended December 31, 2024 and 2023, respectively. During 2025, the Company remitted lost earnings to participants for these contributions.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 24,658,742	$ 16,176,115
Employer contributions receivable	(1,164,224)	(870,107)
Net assets available for benefits per Schedule H of Form 5500	$ 23,494,518	$ 15,306,008

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:

	2025
Net increase before transfer in per the financial statements	$ 7,204,162
Add: Prior year contributions receivable	870,107
Subtract: Current year contributions receivable	(1,164,224)
Net income per Form 5500	$ 6,910,045

NOTE 12 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 3, 2026, the date the financial statements were available to be issued.
