To the Plan Administrator, Trustees and Participants
of the Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report - Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of the Bill Howe Plumbing, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Bill Howe Plumbing, Inc., Bill Howe Heating & Air Conditioning, Inc., and Bill Howe Restoration & Flood Services, Inc. (the Company) who are age 21 and have met the service requirement of one year of service during which the employee is credited with at least 1,000 hours and are not members of a collective bargaining unit or non-resident aliens. Employees enter the Plan (for all contribution types) on the first day of the month that occurs after the employee has completed the eligibility service period. In addition, long-term part-time employees who do not satisfy the standard service requirements of the Plan are eligible to make employee contributions into the Plan after completing 500 hours of service during each of two consecutive years of service under the long-term part-time rules. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

The Company contracts with Charles Schwab and affiliates, including Charles Schwab Trust Bank, to act as the custodian. Effective October 1, 2025, Evolve acts as the recordkeeper to process and maintain records of participant data. The Company previously contracted with K-Trade through September 30, 2025. Effective September 3, 2025, Hicks Pension Services acts as the third-party administrator to process and maintain records of participant data. The Company previously contracted with National Benefit Services through September 2, 2025.

Contributions:

Each year, participants may elect to contribute a percentage of their compensation, which is withheld from the employee’s pay through payroll deductions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Effective September 3, 2025, participants may also designate a portion or all of the deferral contributions as Roth 401(k) contributions that are includable in the participant’s gross income at the time deferred. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions subject to a maximum percentage of compensation per Plan year. For the year ended December 31, 2025, the Company made a matching contribution of 20% of a participant's elective deferral up to the first 5% of eligible compensation, which totaled a $117,426 matching contribution to the Plan, with $112,580 funded by the Company before year-end and $4,846 funded by the Company after year-end. There are no additional allocation conditions for a participant eligible for employer matching contributions.

The Company may also contribute to the Plan a discretionary nonelective (profit-sharing) contribution. For the year ended December 31, 2025, the Company did not make a profit-sharing contribution to the Plan. There are no additional allocation conditions for a participant eligible for profit-sharing contributions.

For the year ended December 31, 2025, the Company made a $7,465 corrective contribution to the Plan, which was funded after year-end and is presented as other - corrections in the statement of changes in net assets available for benefits.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts:

Each participant's account is credited with the participant's contributions and Company contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All amounts in participant accounts are participant-directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may also transfer benefits from other qualified plans into the plan.

Vesting:

Participants are vested immediately in their contributions and Company corrective contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portions of their account balance, if any, is based on years of service as follows:

Years of service	
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate plus 1%, as defined. Principal and interest is paid ratably through payroll deductions.

Benefit payments and withdrawals:

On termination of service for any reason, participants or their beneficiaries are entitled to a benefit equal to the value of the participant's vested interest in their account. If the terminated participant's vested and non-forfeitable balance is less than $7,000, the participant's balance may be distributed in the form of a lump sum, as a cash distribution if the balance is under $1,000, and as a direct rollover to a default IRA if the balance is over $1,000 but under $7,000, without authorization from the participant. A participant may withdraw for reasons of hardship.

Forfeited accounts:

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. At December 31, 2025 and 2024, the forfeiture balance was $67,835 and $39,658, respectively. Forfeitures may be applied to reduce administrative expenses of the Plan or reduce employer contributions. During the year ended December 31, 2025, forfeitures applied to reduce administrative expenses of the Plan were $1,988.

Reclassification:

Certain amounts in the 2024 financial statements have been reclassified for comparative purposes to conform with the presentation of the 2025 financial statements.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash:

Cash, if any, represents noninterest-bearing residual amounts held by the Plan that have not been invested or distributed. Interest-bearing cash balances are included with investments.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the participant loan is considered to be in default and uncollectible, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain Plan expenses are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to record-keeping services, third-party administrative services, and investment advisory services are included in administrative expenses and allocated to participant accounts based on a pro rata formula. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses may be included in net appreciation in fair value of investments.

Note 3. Certified Information

The following information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank:

	2025	*2024*
Investments at fair value	$ 9,917,464	$ 8,399,434
Investment income	$ 1,265,870	

Notes receivable from participants of $159,995 were certified by Charles Schwab Trust Bank as of December 31, 2024. Notes receivable from participants are not certified as of December 31, 2025.

Note 4. Investments and Fair Value Measurements

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2025 and 2024.

Interest-bearing cash: Valued at cost plus accrued interest, which approximates fair value due to its liquidity and readily determinable amount in an active market.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts (SDBA): Brokerage account assets are valued based on prices provided to the brokerage firm from external pricing sources and based on market prices. The securities held within the SDBA include cash equivalents, equities and mutual funds and are reported at quoted market price.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1
Interest-bearing cash	$ 379,899
Mutual funds	5,220,856
Self-directed brokerage accounts	4,316,709
Total investments at fair value	$ 9,917,464

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1
Interest-bearing cash	$ 340,019
Mutual funds	4,454,953
Self-directed brokerage accounts	3,604,462
Total investments at fair value	$ 8,399,434

Note 5. Related Party and Party-in-Interest Transactions

Charles Schwab and affiliates act as the custodian for the Plan. Evolve and Hicks Pension Services act as the recordkeeper and third-party administrator for the Plan, respectively, to process and maintain records of participant data. K-Trade and National Benefit Services previously acted as the recordkeeper and third-party administrator for the Plan, but no longer act in this capacity as of December 31, 2025. Wilsey Asset Management is the investment advisor for the Plan. Therefore, transactions with these entities qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Certain fees incurred by the Plan for investment services may be included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than a direct payment. These fees, if any, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes receivable from Plan participants and related interest income are also considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated December 17, 2021, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Including any applicable amendments, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2025, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation of the Plan Financial Statements to the Form 5500

Certain amounts included on Schedule H Part I and II on the Annual Return/Report of Employee Benefit Plan (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

There were no reconciling items between net assets available for benefits per the financial statements and Form 5500 as of December 31, 2025.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024:

Net assets available for benefits per the financial statements	$	8,548,310
Employee excess contributions refunded in 2025, accrued in 2024 for financial statements		11,119
Net assets available for benefits per the Form 5500	$	8,559,429

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statements	$	1,643,418
Employee excess contributions refunded in 2025, accrued in 2024 for financial statements		(11,119)
Net increase in net assets available for benefits per the Form 5500	$	1,632,299

Note 10. Subsequent Events

The Plan has evaluated subsequent events through September 28, 2026, the date the financial statements were available to be issued.
