**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Hawaiian Airlines, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extendto any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter - Plan Merger**

As described in Note 1, the disaggregated non-union employee plan component of the Plan was merged into the Alaska Airlines, Inc. Alaskasaver Plan effective December 31, 2025. Our opinion has not been modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1 - Description of the Plan

The following description of the Hawaiian Airlines, Inc. 401(k) Savings Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

**General -** The Plan is a defined contribution plan established by Hawaiian Airlines, Inc. (the Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Plan Administration -** The Plan is administered by a committee consisting of certain employees of the Company and its affiliates. Empower Trust Company, LLC (Empower) serves as the trustee of the Plan.

**Plan Merger -** Effective September 18, 2024, Alaska Air Group, Inc. (the parent company of Alaska Airlines, Inc. ("AS") completed its acquisition of Hawaiian Holdings, Inc., the parent company of Hawaiian Airlines, Inc. ("HA"). AS and HA were unrelated entities prior to this date. Effective December 31, 2025, AS merged the disaggregated non-union employee plan component of the Plan into the AS Alaskasaver Plan ("Alaskasaver Plan"). As part of the merger, investments of $243,451,255 and notes receivable from participants of $3,629,610 were merged from the Plan into the Alaskasaver Plan.

**Eligibility -** The following employees of the Company are eligible to participate in the deferral portion of the Plan on their date of hire.

Non-Contract Employee - Employee who is not in a collective bargaining group.

TWU Employee - Employee who is in the collective bargaining group represented by the Transport Workers Union of America (TWU).

IAM-C Employee - Clerical, Office, Stores, Fleet, and Passenger service employee who is in the collective bargaining group represented by the International Association of Machinists and Aerospace Workers (IAM).

IAM-M Employee - Airline mechanic employee who is in the IAM collective bargaining group.

**Contributions -** Participants may elect to defer up to 50% of eligible compensation as pretax or Roth contributions. Participants may also elect to defer up to 10% of eligible compensation as traditional after-tax contributions. Participants who have attained age 50 before the close of the plan year are eligible to make catch-up contributions. Participants may also make eligible rollover contributions to the Plan.

The Company provides employer nonelective and matching contributions to participants based on their years of service, as defined in the plan document, and the participant's union affiliation (if applicable).

After one year of service, non-contract employees receive employer nonelective contributions of 5.04% of eligible compensation and employer matching contributions equal to 2.00% of eligible compensation up to 100% of employee pre-tax and Roth deferrals.

**Note 1 - Continued**

After one year of service, TWU employees receive employer nonelective contributions of 5.00% of eligible compensation and employer matching contributions equal to 2% of eligible compensation (2.5% if a TWU employee has 20 or more years of service) up to 100% of employee pre-tax and Roth deferrals.

IAM-C employees hired prior to January 19, 2010 receive employer nonelective contributions of 5.04% of eligible compensation after one year of service. IAM-C employees hired on or after January 19, 2010 receive employer nonelective contributions of 5.04% of eligible compensation after five years of service. IAM-C employees receive employer matching contributions equal to 100% of employee pre-tax and Roth deferral contributions up from 1% to 4% depending on the employee's years of service (minimum ten years of service required for matching contributions).

IAM-M employees hired prior to April 19, 2010 receive employer nonelective contributions of 5.04% of eligible compensation after one year of service and receive employer matching contributions from 2% to 5% of their compensation (but no more than their employee pre-tax and Roth deferral contributions) depending on the employee's years of service (minimum eight years of service required for matching contributions).

After one year of service, IAM-M employees hired on or after April 19, 2010 receive employer nonelective contributions from 2% to 5.04% of compensation depending on the employee's years of service, and also receive matching contributions from 1% to 4% of their compensation (but no more than their employee pre-tax and Roth deferral contributions) depending on the employee's years of service.

Contributions are subject to certain IRC limitations.

**Participant Accounts -** Each participant's account is credited with the participant's contributions, matching contributions, and allocations of the Company's nonelective contributions and plan earnings. Allocations are based on participant compensation or account balances, as defined. Participant accounts are charged with an allocation of certain administrative expenses based on specific participant transactions and a flat administration fee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

**Vesting -** Participants are vested immediately in all contributions. Employer matching contributions were subject to a vesting schedule for participants that terminated prior to December 31, 2024. Participants that terminated prior to December 31, 2024 were 100% vested after three years of service or reaching age 55 while still employed or in the event of death or disability.

**Forfeited Accounts -** As of December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately $103,000 and $86,000, respectively.

**Payment of Benefits -** Benefits are payable upon death, disability, retirement, or termination of employment, and payable as a lump-sum payment or installment payments. Participants who have attained age 59½ may also elect to receive a distribution of all or any portion of their account balance prior to termination of employment (in-service withdrawals). The Plan allows for hardship withdrawals in accordance with provisions specified in the Plan document. Participants may also elect to receive in-service withdrawals from balances rolled into the Plan or their traditional after-tax contribution account at any time.

**Note 1 - Continued**

**Notes Receivable From Participants -** Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account. Loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to 30 years for the purchase of a primary residence. Interest rates are set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

**Note 2 - Significant Accounting Policies**

**Basis of Accounting -** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates -** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition -** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable From Participants -** Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the loan balance is reduced, and a benefit payment is recorded.

**Payment of Benefits -** Benefits are recorded when paid.

**Administrative Expenses -** Certain expenses of maintaining the Plan are paid by plan participants. Expenses that are paid by the Company are excluded from these financial statements. Transaction based fees for notes receivable from participants and distributions are charged directly to participant accounts. Certain investment related expenses are charged directly against the fund's investment performance and, therefore, are not separately disclosed in the accompanying financial statements.

**Note 3 - Fair Value Measurements**

GAAP provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

**Note 3 - Continued**

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than the quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered Investment Company Funds - Valued at the daily closing price as reported by the fund. Registered investment company funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds - Valued at the NAV provided by the funds' trustee. These funds trade on a regular basis, have a published price that the Plan can obtain at any time, and are valued based on this published price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | Fair Value Measurements as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered investment company funds | $ 177,806,929 | $ - | $ - | $ 177,806,929 |

| **Total Investments at Fair Value** | **$ 336,490,098** | **$ -** | **$ -** | **$ 336,490,098** |

**Note 3 - Continued**

| | Fair Value Measurements as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered investment company funds | $ 244,404,965 | $ - | $ - | $ 244,404,965 |

| **Total Investments at Fair Value** | **$ 519,968,461** | **$ -** | **$ -** | **$ 519,968,461** |

**Note 4 - Tax Status**

The Plan was amended and restated as of January 1, 2015. The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated May 25, 2017. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax period in progress.

**Note 5 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and written approval by collective bargaining groups represented IAM and TWU.

**Note 6 - Party-in-Interest Transactions**

The Plan pays certain expenses related to plan operations to various services providers and issues loans to participants. These transactions are party-in-interest transactions.

**Note 7 - Certified Information**

Certain information in the accompanying financial statements and supplementary information related to investments held as of December 31, 2025 and 2024, and investment income or loss for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, a qualified institution. The Plan's independent accountants did not perform auditing procedures with respect to this information, except comparing such information to the related information included in the financial statements and supplementary information.

**Note 8 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note 9 - Subsequent Events

Subsequent events have been evaluated through July 31, 2026, the date the financial statements were available to be issued.
