INDEPENDENT AUDITOR'S REPORT

Plan Trustee and Fiduciary Committee
Sampson Construction Co., Inc.
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Plan Trustee and Fiduciary Committee
Sampson Construction Co., Inc.
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sampson Construction Co., Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAMPSON CONSTRUCTION CO., INC.
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE 1
DESCRIPTION OF PLAN

The following description of the Sampson Construction Co., Inc. (the Company) 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan which is funded by a trust. The Plan covers employees of Sampson Construction Co., Inc. and Sundance Aviation, LLC (a wholly-owned subsidiary of Sampson Construction Co., Inc.). All full-time employees who have at least one year of service are eligible to receive employer contributions. All employees may elect to make participant contributions beginning six months after employment commences. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of the Company oversees the governance of the Plan. The assets of the Plan are maintained under an agreement with Union Bank & Trust Company (custodian). Union Bank & Trust Company is also the trustee of the Plan. This company also performed record keeping functions related to the employee account balances.

Contributions - Each year, participants may contribute any portion of annual compensation, as defined by the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in the same ratio as the participants' contributions. Employer and employee contributions are subject to certain limitations prescribed by the Internal Revenue Code.

On November 24, 2025, the Plan was amended to provide safe harbor contributions for the 2025 plan year. This requires the employer to make a 3% contribution to all employees who have satisfied the Plan's eligibility requirements including completing one year of service.

On May 1, 2018, the Plan was amended to include an automatic deferral feature. Beginning at that time, the Company automatically withholds three percent of compensation for each eligible participant who was currently contributing less than two percent to the Plan as well as all employees hired after this date. The automatic contribution amount will increase one percent per year on May 1st until it reaches four percent of compensation before May 1, 2023, and increases until it reaches six percent of compensation beginning on May 1, 2023. A participant may elect out of the automatic deferral feature by completing a salary reduction agreement specifying the amount to be withheld.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) the Plan earnings, and charged with an allocation of administrative expenses. Allocations of Company contributions are based on participant compensation as defined in the Plan. Allocations of Plan earnings and expenses are based on participant account balances and investments held. Certain expenses of the Plan are participant-specific, and are allocated only to the participants to whom they relate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant directed investments are maintained in individual member accounts managed by Union Bank & Trust Company.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of benefits - On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive any or all of the participant's vested interest in his or her account on any distribution date following his or her separation from service. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan does not provide for annuity payments.

Forfeitures - Non-vested amounts from separated participants are re-allocated to active participants.

NOTE 2
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting - The Plan prepares its financial statements on the accrual basis of accounting.

Contributions Receivable - The Plan considers participant contributions receivable to the Plan on the date they are withheld from the participant's paycheck. Employer contributions receivable include all profit-sharing contributions allocable to compensation paid for a given year. No allowance for credit losses exists as all receivables were subsequently collected.

Risks and uncertainties - The Plan utilizes various investments. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment valuation and income recognition - The Plan's investments are stated at fair value. Shares of common/collective trusts are valued daily by the custodian using a unit valuation method which takes into account the net asset value, declared dividends and asset management charges for each fund. The fair value of mutual funds is based on quoted net asset values of shares.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits - Benefits are recorded when paid.

Corrective distributions - The Plan records corrective distributions as an expense in the year of the distribution rather than recording the amount as liabilities when incurred. The corrective distributions are recognized as deductions from net assets in the statement of changes in net assets available for benefits. Corrective distributions of $63,315 were paid for the 2023 Plan year in 2024 and are recorded as distributions in the year paid. An additional $4,491 corrective distribution for the 2024 year was recorded and paid in 2024. Corrective distributions of $77,968 were paid for the 2024 Plan year in 2025 and are recorded as distributions in the year paid. There were no corrective distributions necessary for the 2025 Plan year as the Plan qualified as a safe harbor plan and made the required safe harbor contribution under this provision.

Operating expenses - All investments, including the ones utilized by the Plan, have expenses associated with their management and operations. All expenses of the Plan are paid by either the Plan or the Company, as provided by the Plan document.

NOTE 3
PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4
FORFEITURES

Activity in the unallocated forfeiture account is summarized below:

	2025	2024
Balance, beginning of year	$ 16,241	$ 23,730
Forfeitures added to account	13,661	15,162
Adjustments	384	-
Investment gain (loss) allocated to account	728	999
Forfeitures allocated to active participants' accounts	(16,241)	(23,650)
Balance, end of year	$ 14,773	$ 16,241

NOTE 5
INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by the Plan's custodian, Union Bank and Trust Company.

	2025	2024
Investments at fair value	$ 54,222,813	$ 47,555,985
Investment gain (loss)	$ 7,882,285	$ 5,515,497

In addition, all information regarding investments and investment activity in Notes 7, the fees from the parties in interest in Note 9, and the information included in the supplemental Schedule of Assets (Held at End of Year) was furnished by the Plan's custodian.

NOTE 6
TAX STATUS

Effective July 1, 2021, the Plan adopted the Union Bank and Trust Company Defined Contribution Pre-Approved Plan. The volume submitter profit sharing plan received notification from the Internal Revenue Service by a letter dated June 30, 2020, that it is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7
FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standard Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted process in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measurement at fair value. There has been no change in the methodologies used at December 31, 2025 or 2024.

Level 1 Assets: The fair value of mutual funds is based on quoted net asset values of shares held by the Plan at year-end. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Assets: *Common/Collective Trust* - The Plan's custodians uses net asset values reported by the bonds and insurance contracts to value the Plan's investments each day. The custodian uses unit values to perform daily account valuations for these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of at December 31:

	Level 1 Inputs		Level 2 Inputs	
	2025	2024	2025	2024
Mutual Funds	$ 52,858,074	$ 45,978,650	$ -	$ -
Common/Collective Trust	-	-	1,362,834	1,575,422
Total	$ 52,858,074	$ 45,978,650	$ 1,362,834	$ 1,575,422

No assets were measured using Level 3 inputs. There were no unfunded commitments at December 31, 2025 or 2024. The trust mutual funds provide for daily redemptions by the plan with no advance notice requirements.

NOTE 8
ADMINISTRATIVE EXPENSES

Administrative expenses consist of administrative charges, custodial fees, trustee fees, professional fees, and investment advisory fees. Total administrative expenses for 2025 and 2024 were $153,637 and $142,697, respectively, which were paid directly by the Plan. Investment fees charged by funds that participants are invested in are included in net appreciation (depreciation) in fair value of investments.

NOTE 9
RELATED PARTIES AND PARTIES IN INTEREST

Union Bank & Trust Company provides administrative, recordkeeping, compliance and advisory services to the Plan. The expenses for Union Bank & Trust Company totaled $135,137 and $124,697 in the years ended December 31, 2025 and 2024.

NOTE 10
SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 21, 2026, which is the date the financial statements were available to be issued.

NOTE 11
PLAN ADOPTIONS

During the year ended December 31, 2020, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act including coronavirus-related distributions, repayment of coronavirus-related distributions, and suspension of required minimum distributions. Provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act also went into effect on January 1, 2020. There were no significant provisions of the SECURE Act that affected the Plan from 2020 through 2025. The Plan has not yet been amended for these provisions. Management plans on formally amending the plan for these provisions before the federally required due date.
