Independent Auditors' Report

To the Plan Administrator of
the Pediatrics West, P.C. 401(K) Profit Sharing Plan
Westford, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the accompanying financial statements of Pediatrics West, P.C. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pediatrics West, P.C. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pediatrics West, P.C. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements
The financial statements of Pediatrics West, P.C. 401(K) Profit Sharing Plan as of December 31, 2024 were audited by Anstiss & Co., P.C., who merged with Grassi & Co., CPAs, P.C. as of January 1, 2025, and whose report dated September 30, 2025, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pediatrics West, P.C. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pediatrics West, P.C. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pediatrics West, P.C. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

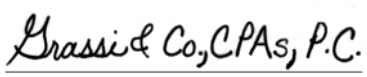

The supplemental schedule of Investments held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of the Plan

The following description of Pediatrics West, P.C. 401(K) Profit Sharing Plan ("the Plan" or "Pediatrics") provides only general information. Participants should refer to the "Summary Plan Description" and the Plan document for a more complete description of the Plan's provisions. Copies are available from the Plan Administrator.

General
The Plan is a defined contribution plan covering all eligible employees of Pediatrics West, P.C. ("the Organization" or "Plan Sponsor"). The Plan was established on January 1, 2014, and restated in its entirety as of September 22, 2021, to provide a systematic savings plan for eligible employees ("the Participants"). The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor has appointed investment trustee Fidelity Management Trust Company to execute investment transactions, hold certain the Plan's assets and administer the Participants' accounts.

Eligibility
Employees become eligible for participation in Plan deferral contributions upon the day of reaching the age of 21 and can enter the Plan on any day during the Plan year.

Contributions
The Plan provides for employee pre-tax contributions. Participants may contribute up to 100% of their pre-tax eligible W-2 compensation, which includes bonuses, pre-tax elective deferral contributions and Section 125 amounts paid. Pre-tax contributions are subject to limitations under federal law of $23,500 and $23,000 for the Plan years ended December 31, 2025 and 2024. The Plan also accepts Roth Elective Deferrals and certain eligible rollover contributions from other qualified after-tax plans.

The Plan permits participants who will attain age 50 or older by the end of the calendar year and who are making deferral contributions to make catch-up contributions of $7,500 for the Plan years ended December 31, 2025 and 2024. In addition, pursuant to provisions of SECURE 2.0, participants who attain ages 60 through 63 during the calendar year are eligible to make enhanced catch-up contributions beginning in 2025. The enhanced catch-up contribution limit was $11,250 for 2025 and is indexed annually for inflation by the IRS.

Employer non-elective and profit sharing discretionary matching contributions allowed under the Plan shall be determined by the employer for each Plan year and allocated on a pro-rata based on "eligible" Participant compensation.

Vesting
Participants are immediately vested 100% in their deferral and related earnings amounts, and vest over a six-year period in their employer matching and other discretionary contributions and actual earnings thereon.

Note 1 – Description of the Plan (continued)

Participant Accounts
Each Participant's account is credited with the Participant's contributions and allocations of Plan earnings and losses and charged with an allocation of administrative expenses, if any. Allocations are based on Participant earnings or account balances as defined. The benefit to which a Participant is entitled is that which can be provided from the Participant's vested account.

Notes Receivable from Participants
Eligible Participants may borrow from their Plan accounts in amounts attributable to the Participant's vested balance, for a maximum term of five years. A Participant may borrow a maximum of 50% of their eligible balance up to $50,000, reduced by the excess of the highest outstanding loan amount during the immediate preceding twelve-month period over the total outstanding loan balance on the date of the new loan. The minimum loan is $1,000 and only two loans can be outstanding at any time. The loan balance is evidenced by a promissory note, secured by the Participant's account and the interest rate is fixed at the inception of the loan in an amount consistent with the provisions of Section 4975(d)(1) of the Internal Revenue Code, regulations of the U.S. Department of Labor and other legal requirements. The interest rate charged on loans outstanding as of December 31, 2025, based on prime plus 1%, is between 4.25% and 9.50% per annum, and the loans mature on various dates through December 2030.

Plan Investments
The Plan's investments as of December 31, 2025 and 2024 were held by the trustee, Fidelity Management Trust Company in various mutual funds and a money market fund. Participants have the option to allocate their individual accounts among various investment alternatives and to make transfers as specified under the Plan document.

Benefits and Withdrawals
On termination of services due to death, retirement at age 59½, or disability, the Participants or their beneficiaries may elect distribution in an amount equal to the value of his or her vested account, either in a lump-sum distribution or in equal installments. If a terminated Participant's vested account balance does not exceed $5,000, the Plan may distribute the account without the Participant's consent. If the vested account balance exceeds $1,000 and the Participant does not elect to receive the distribution or roll it over to another eligible retirement plan, the distribution will be automatically rolled over to an individual retirement account designated by the Plan Administrator. In-service withdrawals are only allowed when the Participant reaches the age of 59½. Hardship withdrawals are allowed under the provisions of the Plan and cannot exceed the amount required to meet the immediate financial need created by the hardship.

Forfeitures
If a Participant terminates employment, any unvested portion of their account is forfeited to the Plan. Remaining forfeited amounts will be used to either pay administrative expenses or reduce future Plan Sponsor contributions. The following is a summary of forfeiture activity as of December 31, 2025 and 2024.

	2025	2024
Forfeitures available at beginning of year	$ 4,977	$ 11,676
Current forfeitures additions and earnings	3,688	5,523
Forfeitures used for contributions	(4,994)	(12,222)
Forfeitures available at end of year	$ 3,671	$ 4,977

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation
The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Fair Value Measurements
FASB ASC 820-10, "*Fair Value Measurements,"* applies to reported balances that are required or permitted to be measured at fair value under an existing accounting pronouncement. ASC 820-10 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

> Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access.
>
> Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.
>
> Level 3 – Inputs that are unobservable for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Fair Value Measurements (continued)
Registered Investments/Mutual Funds: Valued at the quoted net asset value for shares held by the Plan at year end.

Money Market Funds: Valued at the quoted net asset value for shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value based on quoted redemption values on the last day of the Plan year. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Fair Value policy below for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Participant loans are valued at cost, which approximates fair value.

Notes Receivable from Participants
Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a Participant ceases to make repayments and the Plan Administrator deems the Participant loan to be in default, the Participant loan balance is reduced and a benefit payment is recorded.

Contributions
Contributions from the Plan Sponsor accrued as of December 31, 2025 and 2024, based upon the contribution formula. Participants' contributions are recorded in the period in which their payroll deductions are withheld.

Benefits Paid Directly to Participants
Benefits payments are recorded when paid.

Administrative Expenses
Certain administrative expenses of the Plan are paid by the Plan Sponsor. All Participant related administrative expenses and fees for maintenance of individual loans and distributions are deducted from the participants' respective accounts.

Estimates
The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

Note 3 – Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, in addition to the information contained in Note 4 – Fair Value of Investments and in the Supplemental Schedule – Schedule of Assets Held at End of Year, the Trustee, Fidelity Management Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedules as of and for the years ended December 31, 2025 and 2024 is complete and accurate.

	2025	2024
Investments, at fair value	$ 17,080,142	$ 13,723,994
Notes receivable from participants	154,714	77,620
Investment and other income	2,663,617	
Interest on notes receivable	6,716	
Administrative expenses	1,125	

The Plan's independent auditor did not perform auditing procedures with respect to this information other than comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value of Investments

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2025 and 2024.

December 31, 2025	Total	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
Money Market Fund	$ 18,128	$ 18,128	$ -	$ -
Mutual Funds	17,062,014	17,062,014	$ -	$ -
Total	$17,080,142	$17,080,142	$ -	$ -

December 31, 2024	Total	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
Money Market Fund	$ 16,698	$ 16,698	$ -	$ -
Mutual Funds	13,707,296	13,707,296	$ -	$ -
Total	$13,723,994	$13,723,994	$ -	$ -

During 2025, the Plan's investments (including gains and losses on investments bought and sold during the year) appreciated in value by $1,776,024.

Note 5 – Exempt Party-in-Interest Transactions

Certain Plan investments included shares of funds that were managed by Fidelity Management Trust Company for the years ended December 31, 2025 and 2024. Fidelity Management Trust Company was the investment trustee during the Plan year, as defined by the Plan, and, therefore, transactions executed by the trustee qualified as party-in-interest transactions. Fees were also paid by the Plan and its Sponsor for investment management fees and services.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 – Excess Contributions Payable

At December 31, 2025, the Plan recorded excess contributions payable of $28,872 related to corrective distributions required as a result of Actual Deferral Percentage ("ADP") testing. The amount represents excess elective deferrals and related earnings that were required to be distributed to certain participants to satisfy the Plan's nondiscrimination requirements. The corrective distributions were processed subsequent to year-end. No excess contributions payable was recorded at December 31, 2024.

Note 8 – Tax Status

The Plan Sponsor has adopted a non-standardized pre-approved profit sharing plan with a cash or deferred arrangement sponsored by Fidelity, for which an opinion letter was issued by the Internal Revenue Service on June 30, 2020. The Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status. Therefore, the Plan Sponsor believes that the Plan and related trust were tax-exempt as of and for the year ended December 31, 2025.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2023.

Note 8 – Tax Status (continued)

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since SECURE 2.0 includes both required and optional provisions, the Plan Administrator evaluates and adopts provisions as deemed appropriate. During the year ended December 31, 2025, the Plan implemented the enhanced catch-up contribution limits for eligible participants ages 60 through 63. Management continues to evaluate the impact of other applicable SECURE 2.0 provisions on the Plan.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 10 – Subsequent Event

FASB ASC 855-10, *"Subsequent Events,"* defines further disclosure requirements for events that occur after the balance sheet date but before financial statements are issued. In accordance with ASC 855-10, the Plan's Sponsor has evaluated events subsequent to December 31, 2025 through September 29, 2026, which is the issuance date of this report. There has been no material event noted during this period that would either impact the results reflected in this report or the Plan's results going forward.
