Independent Auditors' Report

To the Administrator of
Knowlton Technologies, LLC Union Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Knowlton Technologies, LLC Union Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Knowlton Technologies, LLC Union Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Knowlton Technologies, LLC Union Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Knowlton Technologies, LLC Union Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Knowlton Technologies, LLC Union Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Knowlton Technologies, LLC Union Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, line 4i - Schedule of Assets (Acquired and Disposed of Within Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Independent Auditors' Report (continued)

Other Matter - Supplemental Schedules Required by ERISA (continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

GENERAL

The following description of the Knowlton Technologies, LLC Union Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan sponsored by Knowlton Technologies, LLC (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan Sponsor and Plan Administrator. Plan assets are held in a trust created under the terms of the Plan. Benefit Plans Administrative Services LLC provides third-party administrative services to the Plan. The Plan was established effective January 1, 2007, and was restated effective January 1, 2025.

Eligibility

Effective September 8, 2025, eligible employees may participate on the first day of each plan quarter coincident with or next following the later of attainment of age 18 and completion of 120 days of service, provided the employee is an eligible employee at that time. If that requirement is not met, an employee is also eligible upon completion of 1,000 hours of service in an eligibility computation period, provided the employee is an eligible employee at the end of that period.

Contributions

Participants may contribute up to 100% of Plan Compensation to the Plan through pre-tax elective deferrals or Roth Contributions, subject to limitations established by the Internal Revenue Code. Participants age 50 or older may make catch-up contributions, subject to applicable Internal Revenue Code limits.

The Company provides an employer matching contribution equal to 1% of Compensation for participants who contribute 3% of eligible Compensation, not to exceed 1% of Plan Compensation. The Company also makes non-elective contributions for eligible participants based on age plus years of service, ranging from 2.5% to 6.5% of eligible Compensation. The Plan may accept rollover contributions from eligible employees.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings or losses, and is charged with an allocation of certain administrative expenses. Allocations are based on participant account balances or other provisions specified in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their accounts among the investment options offered by the Plan.

Vesting

Participants are immediately vested in their elective deferrals, rollover contributions, and related earnings. Employer matching contributions become 100% vested after three years of vesting service. Employer non-elective contributions vest at a rate of 20% after one year of vesting service, 40% after two years, 60% after three years, 80% after four years, and 100% after five years. Participants become fully vested upon attainment of normal retirement age while employed, death while employed, or disability while employed.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants
Loans to participants are not permitted under the Plan.

Payment of Benefits
Upon termination of service, retirement, death, or disability, a participant may receive the vested portion of the participant's account. The normal form of payment is a lump-sum cash distribution. Partial or installment distributions may be permitted to satisfy required minimum distribution rules. The Plan also permits certain hardship and in-service distributions in accordance with the Plan's provisions.

Administrative Expenses
Certain administrative expenses of the Plan are paid by the Plan, while other expenses are paid by the Company. Expenses paid by the Plan are allocated to participant accounts in accordance with the Plan's provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION
Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought and sold, as well as investments held during the year.

PAYMENT OF BENEFITS
Benefits are recorded when paid.

FORFEITURES
Forfeitures of nonvested participant accounts are used in accordance with the provisions of the Plan. Forfeitures may be used to reduce employer contributions or pay Plan expenses.

OPERATING EXPENSES
Expenses incurred in connection with the general administration of the Plan are recorded when incurred.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

RECLASSIFICATION
Certain amounts in the prior year's financial statements have been reclassified to conform to the current year presentation.

SUBSEQUENT EVENTS
The Plan has evaluated subsequent events through September 26, 2026, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following information included in the accompanying financial statements and supplemental schedules was obtained from data prepared and certified as complete and accurate by Empower Life & Annuity Insurance Company of New York, a qualified institution.

	2025	2024
Investments	$ 7,471,815	$ 7,236,338
Realized and unrealized gains and losses on Plan assets	$ 770,801	$ 592,240
Earnings on investments	$ 181,891	$ 84,890
Schedule of Assets Held at End of Year	Schedule H, Line 4i	

NOTE 4 - INVESTMENTS

The Plan's investments resulted in interest and dividends of $181,891 for the year ending December 31, 2025. During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $770,801 as follows:

Variable Annuities	$ 204,524
Mutual Funds	116,148
Collective Trust Funds	450,129
Total Net Appreciation	$ 770,801

The plan had administrative and investment management fees for the year ending December 31, 2025 totaling $31,484 and $2,219 for the year ended December 31, 2024.

NOTE 5 - FAIR VALUE OF INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to measurements involving significant unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows: level 1 inputs are quoted prices in active markets; level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly; and level 3 inputs are unobservable inputs for the asset or liability.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Share Prices/Net Assets Values (NAVs) reported are obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC).

Fixed annuities: Reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Variable annuities: Prices/unit values for Variable Annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract.

Collective investment trust funds: Units of participation in the collective investment trust funds are valued at the NAV provided by the funds' trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the funds less liabilities. Units are beneficial interest in these funds are not registered with the SEC; however, these funds publish their daily NAV and transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total investments on the statements of net assets available for benefits exceed the investments presented in the ASC 820 fair value hierarchy table by **$74** and **$72** at December 31, 2025 and 2024, respectively, due to unallocated forfeiture/asset holding account balances that were included in investments but not included in the Plan Summary ASC 820 fair value hierarchy information.

NOTE 5 - FAIR VALUE OF INVESTMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025.

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 1,707,219	$ -	$ -	$ 1,707,219

	1,707,219	2,300,885	-	4,008,104
Investments measured at NAV*				3,463,637
Total assets at fair value	$ -	$ -	$ -	$ 7,471,741

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

	Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 1,669,526	$ -	$ -	$ 1,669,526
Fixed Annuities	-	325,103	-	325,103
Variable Annuities	-	1,875,123	-	1,875,123
	1,669,526	2,200,226	-	3,869,752
Investments measured at NAV*				3,366,514
Total assets at fair value	$ -	$ -	$ -	$ 7,236,266

*In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarized investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no Participant redemption restrictions for these investments: the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded	Redemption	Notice
	2025	2024	Commitments	Frequency	Period
Common/Collective Trusts	$3,463,637	$3,366,514	$ -	Daily	5 Days

NOTE 6 - FORFEITURES

Non-vested employer contributions are maintained in the forfeiture account and may be used to reduce employer contributions or pay Plan expenses. During the year ended December 31, 2025, $7,771 of forfeitures were utilized to reduce the employer's contributions. During the year ended December 31, 2024, $21,496 of forfeitures were utilized to reduce the employer's contributions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - RELATED PARTY TRANSACTIONS

Empower is the custodian of the Plan and, therefore, transactions with Empower qualify as party-in-interest transactions. Knowlton Technologies, LLC is the trustee as defined by the Plan. Fees paid by the Plan for administrative and investment management services amounted to $31,484 and $2,219 for the years ended December 31, 2025 and 2024, respectively.

NOTE 10 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated March 31, 2008, indicating that the prototype plan document was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has adopted the Prototype Non-standardized Profit Sharing Plan with CODA. The Plan has been amended and restated since the opinion letter was issued. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:
