INDEPENDENT AUDITORS' REPORT

To the Trustee
C&K Industrial Services, Inc. 401(K) Plan
Independence, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of C&K Industrial Services, Inc. 401(K) Plan Employee Benefit Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the C&K Industrial Services, Inc. 401(K) Plan (the "Plan") established July 1, 1995, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan allows related companies (related through common ownership of its shareholders or members) to adopt its provisions. Other related companies who have adopted the provisions of the Plan are Karas Enterprises, Inc., JWD Properties and Ecopro Solutions, C&K Southern Services, Inc.

General

The Plan is a participant-directed defined contribution plan covering all full-time employees of C&K Industrial Services, Inc. (the "Plan Sponsor") and the other related companies listed above who have adopted the provisions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

An employee may elect to defer a minimum of 1% of pre-tax annual compensation as defined by the Plan with a maximum established by the Internal Revenue Service ("IRS") of $23,500 and $23,000 for the years ended December 31, 2025 and 2024, respectively. An additional $7,500 may be deferred by participants age 50 or greater for the years ended December 31, 2025 and 2024, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor, at its discretion, may elect to contribute to the Plan under a deferral matching formula and under annual profit-sharing provisions. For the years ended December 31, 2025 and 2024, the Plan Sponsor matched 50% of the first 5% of employee elective deferrals. The Plan Sponsor did not elect to make an annual discretionary contribution for the years ended December 31, 2025 and 2024.

Participant Accounts

The allocation of a participant's contributions to the investment funds is selected by the participant and may be changed daily. Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, and up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Notes bear interest at the prime interest rate in effect as of the first day of the month that the loan was requested per year.

Principal and interest payments are made through payroll withholding according to each note's term per the promissory note. Note terms range from one to five years, or up to thirty years for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Accounts of terminated participants with balances under $5,000 will automatically be rolled over to an IRA.

In the event of financial hardship, participants may apply to receive a distribution from their fund accounts, subject to IRS mandated rules for hardship withdrawals.

Forfeitures

Forfeitures of $4,017 and $8,654 were deposited in the uninvested cash balances of the Plan during the years ended December 31, 2025 and 2024, respectively, which may be used to restore participant forfeitures, pay Plan expenses, or reduce future employer contributions. The Plan elected to apply these forfeitures to reduce matching contributions for both years.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed. Participants can have no more than five outstanding loans at one time and are able to take out no more than two loans in one calendar year.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2025 and 2024.

The Plan entered into a stable value fund ("Fund") with the Custodian. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investment in conventional, synthetic, and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The net asset value ("NAV") of the Fund represents fair value since this is the value at which the Plan transacts with the Fund. NAV of the Fund, as reported to the Plan by the Custodian, represents contributions made under the underlying investment contracts, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at NAV.

Investment income consists of interest income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and any unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect these estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

The Plan pays expenses incurred in the administration of the Plan, unless otherwise paid by the Plan Sponsor.

Income Taxes

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files the United States Federal Form 5500 annually.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2026, the date the financial statements were available to be issued. Effective January 1, 2026, the Plan was amended to permit Roth elective deferral contributions.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by John Hancock Life Insurance Company (U.S.A.) ("Custodian") as of and for the years ended December 31, 2025 and 2024, and furnished to the Plan Administrator. The Plan Administrator obtained a certification from the Custodian as of and for the years ended December 31, 2025 and 2024 that such information is complete and accurate.

	2025	2024
Investments, at fair value		
Pooled separate accounts	$ 9,084,135	$ 7,307,449
Collective investment trust	$ 387,057	$ 336,864
Notes receivable from participants	$ 469,361	$ 367,896
Net appreciation in fair value of investments	$ 1,372,085	$ 1,221,816
Interest on notes receivable from participants	$ 31,293	$ 27,542

NOTE 4 - INVESTMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Pooled separate accounts: Valued at the accumulation unit value of shares held by the Plan at year end.
- Collective investment trust: Valued at the net asset value of the underlying investment contracts as a practical expedient, which represents the value at which the Plan transacts.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at fair value	$ -	$ 9,084,135	$ -	$ 9,084,135
Investments measured at net asset value as a practical expedient				387,057
Total Investments				$ 9,471,192

	2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at fair value	$ -	$ 7,307,449	$ -	$ 7,307,449
Investments measured at net asset value as a practical expedient				336,864
Total Investments				$ 7,644,313

The Plan's investments in the collective investment trust may be redeemed on a daily basis and have a daily redemption notice period. There are no unfunded commitments related to this collective investment trust.

NOTE 5 - TAX STATUS

The Plan Sponsor adopted a Prototype Non-Standardized Profit-Sharing Plan ("Prototype Plan") on October 25, 2012. The Prototype Plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Prototype Plan has been amended; however, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are pooled separate insurance company accounts managed by the Custodian and, therefore, these transactions are party-in-interest transactions. Fees paid by the Plan for the investment management and administrative services amounted to $51,413 and $51,734 for the years ended December 31, 2025 and 2024, respectively. There are also indirect fees deducted directly from investment earnings of the Plan.
