INDEPENDENT AUDITORS' REPORT

Opinion
We have audited the financial statements of Wits Solutions Inc. Health & Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets (deficit) available for benefits and statements of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets (deficit) and changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets (deficit) available for benefits and plan obligations of Wits Solutions Inc. Health & Welfare Plan as of December 31, 2025 and 2024, and the changes in net assets (deficit) available for benefits and changes in plan benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wits Solutions Inc. Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wits Solutions Inc. Health & Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Phone: 650-573-8007 • Fax: 650-573-0874

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wits Solutions Inc. Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wits Solutions Inc. Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

WITS SOLUTIONS INC.
HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

NOTE 1 - Description of the Plan

The following description of Wits Solutions Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

The Plan and Trust were established December 1st, 2019 to provide health and other benefits to eligible participants. The sponsoring employer, Wits Solutions Inc. has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, prescription drug coverage, short-term disability benefits, life and accidental death and dismemberment, and supplemental accident benefits for eligible participants and their dependents. The Plan provides most of these benefits through contracts with third party insurance companies' contracts and on a self-funded basis.

Eligible employees will receive an allocation to a separate retirement plan for the remainder of fringe in excess of: $4.57 for class levels I to III, and $4.69 for class IV in 2025. Eligible employees will receive an allocation to a separate retirement plan for the remainder of fringe in excess of: $4.57 for class levels I to III, $4.48 for class IV base medical plan, and $4.57 for class IV buy-up medical plan in 2024. These retirement contributions are reported as contribution income and then deducted as an expense.

Eligible employees received an allocation to a separate health savings account in 2025 and 2024. These health savings account contributions are reported as contribution income and then deducted as an expense.

Eligibility rules under the Plan differ based on sites. Benefits terminate on the last day of the month in which a participant's employment terminates.

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Plan are maintained on an accrual basis of accounting for financial reporting purposes.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Benefit Claims Payable

The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, but paid after December 31. The estimate was calculated based on a review of actual claims paid subsequent to year-end, with incurred and received dates of December 31, and prior.

Employer Contributions

Employer contributions are recognized as income in the month the employees worked.

Benefits

Benefits expense is recorded when paid. Hours worked through December provide participants with benefits eligibility through December. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases.

Flexible Spending Account

Eligible participants can elect voluntary health care flexible spending account with a minimum annual election of $100 to a maximum annual election of $3,300 and $3,200 for 2025 and 2024, respectively; or voluntary dependent care flexible spending account with a minimum annual election of $100 to a maximum annual election of $5,000 and $2,500, for single or married filing joint, and for married filling separate, respectively. Eligible participants can elect a maximum of $325 and $315 monthly pre-tax contribution for commuter benefit and parking benefit separately for 2025 and 2024, respectively.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets for benefits.

Subsequent Events

In preparing the financial statements as of December 31, 2025, management considered the impact of subsequent events occurring through October 2, 2026 the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE 3 - Party-In-Interest Transactions

FCE Benefit Administrators, Inc. receives commissions and reimbursement of administrative fees from the Plan's insurance carriers of approximately $32,925 and $2,376 for December 31, 2025 and 2024, respectively. The insurance commissions and fees are paid by the insurance company and are not an expense of the Plan.

NOTE 4 - Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes, and is currently subject to income tax on its net investment income. The Trustee believes that the Trust does not have any net taxable income for the tax years ended December 31, 2025 and 2024 and, therefore, no tax liability is reflected in these financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service and California Franchise Tax Board. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits according to the accompanying financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024

The following is a reconciliation of benefits paid to or for participants according to the accompanying financial statements to the Form 5500 for the year ended December 31, 2025:

NOTE 5 - Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of insurance premiums paid, including utilization review and employee assistance program, to or for participants according to the accompanying financial statements to the Form 5500 for the year ended December 31, 2025:

Insurance premiums paid (including utilization review and employee assistance program) to or for participants according to the financial statements	$ 581,417
Less: insurance premiums currently prepaid at end of year	(4)
Less: insurance premiums currently payable at beginning of year	(44,161)
Insurance premiums paid to or for participants according to the Form 5500	$ 537,252

NOTE 6 - Negative Net Assets

At December 31, 2025, the Plan's net assets available for benefits reflected a deficit of $15,973. This deficit is primarily attributable to the Plan's increase in benefit expenses. In response, the Plan implemented cost-neutral plan options for 2026 to allow the Plan to operate at a small surplus. Based on the discussion with Management, this strategy appeared to be performing as expected aligning with Management's projections for plan design and utilization. In addition, Management believes that the use of the prepaid contributions will provide sufficient liquidity for the Plan to meet its obligations and continue operations for the foreseeable future. Accordingly, Management has concluded that substantial doubt about the Plan's ability to continue as a going concern has been alleviated.
