A review primarily includes applying analytical procedures to management's financial data and making inquiries of company management. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with U.S. GAAP. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Advanced Home Care LLC d/b/a Sincere Care Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Basis for Qualified Conclusion

A Statement of Cash Flows for the year ended December 31, 2025, has not been presented. U.S. GAAP requires that such a statement be presented when financial statements purport to present financial position and results of operations.

Accountant's Qualified Conclusion

Based on our review, except for the effect of the matter disclosed in the Basis for Qualified Conclusion paragraph, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with U.S. GAAP.

Sincerely,

NOTE 1 - ORGANIZATION

Organization

Advanced Home Care LLC d/b/a Sincere Care Agency (Sincere Care or the Company) originally began in 2010 and was organized as a limited liability company in the State of New Yok.

The Sincere Care Agency offers a range of support options for individuals who prefer to receive assistance in the comfort of their own homes. Sincere Care Agency is dedicated to providing training and safe care at home for people suffering from illness or injury who might otherwise be placed in the hospital, a long-term care facility or a nursing home. This keeps people who need support in their home and out of institutions for physically or mentally disabled. This also allows families to remain intact, maintaining involvement with family, neighborhood and community, while encouraging independence, dignity and the comfort of being at home.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared using the accrual method of accounting and are presented in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S GAAP requires management to make certain estimates and assumptions. These estimates and assumptions affect reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. They also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from such estimates and assumptions.

Cash and Cash Equivalents

For financial statement purposes, the Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are recorded at the invoiced amount and do not bear interest. An allowance for doubtful accounts is recorded when the Company determines, based on historical experience and collection efforts, that an account is uncollectible. The Company reviews its allowance for doubtful accounts periodically. Account balances are charged off after all means of collection have been exhausted and the potential for recovery is considered remote. An allowance for doubtful accounts was not considered necessary at December 31, 2025.

Property and Equipment

Property and equipment are stated at cost. The assets are depreciated over estimated useful lives on a straight-line basis using estimated useful lives of five to seven years. Normal maintenance and repairs are expensed as incurred.

Revenue Recognition

The Company recognizes revenue as various services are performed. These revenues are therefore recognized at a point-in-time, based on completion of the related performance obligation, and fees billed to clients, at the time or shortly after the services are performed.

The Company's contracts do not typically contain variable consideration, and contract modifications are not significant. The Company's agreements do not have any significant financing components, as payment is typically received at, or shortly after, the point of sale. Costs incurred to obtain a contract are expensed as incurred.

Advertising Costs

The Company's policy is to charge advertising costs to expense as incurred. Advertising costs totaled approximately $140,000 for the year ended December 31, 2025.

Income Taxes

As a limited liability company (LLC), federal income taxes on earnings of the Company are passed on to the members (owners) of the Company and are, therefore, not reflected in these financial statements. References to income taxes in the financial statements (if any) are attributable to states where income taxes are also assessed to the Company. If the Company and its members had elected to be treated as a corporation, the accompanying financial statements would include the effect of income tax expense and net operating loss carry-forward and /or carry-back and other applicable federal tax issues.

The Company and its members may be subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

Leases

In February 2016, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-02 Leases (Topic 842). The new standard establishes a right-of-use (ROU) model that requires a lessee to record a ROU asset and a lease liability on the Balance Sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition on the Income Statement.

Recently Issued Accounting Standards

Management has reviewed all new accounting pronouncements issued in the period and concluded that they are not applicable to the Company.

NOTE 3 - CASH AND CASH EQUIVALENTS

The Company maintains cash and cash equivalent balances at federally insured financial institutions. The Company has not experienced any losses in such accounts or lack of access to its cash and believes it is not exposed to significant risk of loss with respect to cash.

The cash and interest-bearing accounts are not subject to significant market fluctuations; thus, management believes cost and market values are substantially equivalent.

NOTE 4 - PROPERTY AND EQUIPMENT

The following is a summary of property and equipment at cost, less accumulated depreciation at December 31, 2025:

	2025
Office Equipment	$ 71,416
Vehicle	108,049
	179,465
Less: accumulated depreciation	(71,416)
Property and equipment, net	**$ 108,049**

Depreciation is calculated on the straight line, based on the estimated useful lives of the assets. Depreciation expense for 2025 was $0.

NOTE 5 - LEASES

The adoption of ASU 2016-02, Leases (Topic 842), and subsequent ASUs related to Topic 842, requires the Company to recognize both of their leases on the Balance Sheet as an ROU asset, in Other Assets, and a corresponding lease liability. The guidance also requires additional disclosures. The Company elected the 'package of practical expedients,' which permitted them to not reassess their prior conclusions related to lease identification, lease classification, and initial direct costs, and they did not elect the use of hindsight.

The Company determines if a contract is a lease at the inception of the arrangement. They review all options to extend, terminate, or purchase the ROU assets, and when reasonably certain to exercise, they include the option in the determination of the lease term and lease liability.

Lease ROU assets and liabilities are recognized at the commencement date of the lease, based on the present value of lease payments over the lease term. The lease ROU asset also includes any lease payments made and excludes any lease incentives. When readily determinable, the Company uses the implicit rate in determining the present value of lease payments. When leases do not provide an implicit rate, they use their incremental borrowing rate based on the information available at the lease commencement date, including the lease term.

Short-term leases with an initial term of 12 months or less are not recorded on the Balance Sheet. Lease expense for short-term leases is recognized on a straight-line basis over the lease term. As of December 31, 2025, the Company had no short-term lease expense.

The tables below present financial information associated with the Company's leases. This information is only presented as of, and for the year ended, December 31, 2025.

Lease ROU Assets		
Operating lease assets	Other assets	$ 97,276
Lease Liabilities		
Current operating lease liability	Operating lease liability, current portion	$ 71,048
Non-current operating lease liability	Operating lease liability, net of current	$ 24,031
Weighted average remaining lease term		1.22 years
Weighted average discount rate		4.0%
Operating lease cost		$ 115,801

As of December 31, 2025, the future maturities of lease liabilities were as follows:

2025	$ 73,270
2026	24,312
Thereafter	-
Total	$ 97,582
Less imputed interest	(2,503)
Present value of lease liabilities	$ 95,079

NOTE 6 - DEBT

The Company has a line of credit with a financial institution. The line is for amounts up to $1,000,000. The line accrues interest at a variable rate (11.89% at December 31, 2025) and contains covenants the Company must comply with. Interest expense for the year ended December 31, 2025 totaled $21,581. The line of credit is due October 16, 2026.

NOTE 7 -RELATED PARTY

The Company leases two locations from related parties. Rent expense in 2025 was approximately $107,562.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

The Company, in the normal course of business, may receive claims, which occasionally rise to the level of a lawsuit. However, management does not believe that the outcome of any such matter, if such arises, will have a material adverse effect on the Company's financial statements.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 16, 2026, the date on which the financial statements were available to be issued. No subsequent events were noted during this evaluation that required recognition or further disclosure in these financial statements.
