To the Plan Administrator, Participants and Beneficiaries of
Charter Homes Building Company Group Medical Plan
Lancaster, Pennsylvania

Opinion

We have audited the accompanying financial statements of Charter Homes Building Company Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits and changes in benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(856) 910-8300 • Fax: (856) 910-8333
Website: www.tdbcpas.com

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(856) 910-8300 • Fax: (856) 910-8333

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

A - DESCRIPTION OF THE PLAN

The following description of the Charter Homes Building Company Group Medical Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit health and welfare plan providing coverage to all active full-time employees of Charter Homes Building Company (the "Company"), CH&N Site Construction, Inc. (an affiliated company), CP Management Services, Inc. (an affiliated company) and Neighborhood Architecture LLC (an affiliated company) working at least 30 hours per week. Employees are eligible on the first day after which 30 days of full-time employment is provided. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Charter Homes Building Company Health Benefit Trust (the "Trust") was established on January 1, 2024 to hold the assets to fund the employee welfare benefits under the Plan as the Company shall determine.

Upon formation, the Plan became a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare plans for their employees. The employees are required to pay for a portion of the cost of the benefit.

Contributions

The Company shall contribute such amounts to the Plan as necessary for timely payment of all claims and administrative expenses of the Plan. The Plan provides for stop-loss insurance over a specified amount as per agreement with the reinsurance carrier, with the premiums being paid by funds deposited by the Company. Employee and COBRA participants' contributions are determined on a fixed fee basis. The amount varies depending on the selection of individual or eligible dependent coverage.

Self-Insured Benefits

All medical and prescription benefits are self-insured. The claims are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly on behalf of participants and are then reimbursed by the Plan's trust. The Plan also utilizes a pharmacy benefit manager which may receive refunds based on the Plan's actual utilization pattern of specific drugs. These refunds are kept by Veris and credits are provided against the ASO fees. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

A - DESCRIPTION OF THE PLAN (continued)

Excess Loss Insurance

The Plan has a stop-loss insurance arrangement whereby the stop-loss insurance will cover the Plan's obligations for any plan participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention was $75,000 per covered person for the years ended December 31, 2025 and 2024. In addition, the Plan has an aggregate stop-loss insurance arrangement whereby the aggregate stop-loss insurance will cover the Plan's obligations if all claims exceed a fixed dollar amount. Premiums for stop-loss insurance are included in the accompanying statement of changes in net assets available for benefits. Excess loss reimbursements of $189,981 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

COBRA Insurance

The Plan allows for coverage under Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for a specified time period. If a participant's medical coverage terminates because of a life event known as a "qualifying event," then the participant and eligible family members may have the right to purchase continued coverage for a temporary period of time. Each qualifying individual pays their premium directly to the third-party administrator. COBRA claims are paid by the third-party administrator.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not yet reported (IBNR), claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Claim payments are recorded when paid.

Allowance for Credit Losses

Contributions receivable and stop loss insurance recoveries receivable, where applicable, include amounts currently due which the Plan has the unconditional right to receive. Amounts due are stated at their estimated net realizable value. An allowance for credit losses is derived from a review of the Plan's historical losses, adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on this assessment, management determined that an allowance for credit losses at December 31, 2025 and 2024 was not necessary.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

The Plan pays expenses related to administrative fees paid to third-party claims administrators and broker expenses. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

Cash Equivalents

The Plan considers all highly liquid short-term investments purchased with an original maturity of three months or less to be cash equivalents. However, no such investments were owned by the Plan during 2025 or 2024.

C - CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31, 2025 and 2024 for claims incurred by active participants but not reported at that date are estimated by the Plan's actuary. Such estimated amounts are reported in the accompanying statement of benefit obligations. As of December 31, 2025 and 2024, the amount of claims incurred but not reported totaled $233,962 and $165,927, respectively.

D - TAX STATUS

The Trust established under the Plan to hold the Plan's assets is a taxable Trust, accordingly, the Trust's net investment income is not exempt from income taxes. The Trust files annual tax returns as required. The trustees believe that the Trust and Plan are currently designed and being operated in compliance with the applicable requirements of the IRC. Taxes due and payable by the Trust are not material; therefore no tax provision has been recorded.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to modify the benefits provided to participants, the right to modify the contributions required of participants, the right to discontinue its contributions, and the right to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

F - RISKS AND UNCERTAINTIES

Claims incurred but not reported are calculated based on historical trends of claims reported but not yet settled and claims that have been incurred but not reported. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The Plan's interest-bearing checking account is maintained at one financial institution. Such balances are insured by the Federal Deposit Insurance Corporation up to $250,000. At December 31, 2025 and 2024 there was no uninsured balance.

G - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

As described in Notes A and B, the Plan has several arrangements with service providers; these transactions are party in interest transactions under ERISA. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

H - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of the Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 120,386	$ 153,276
Benefit obligations currently payable	(349,281)	(318,460)
Net assets available for benefits per Schedule H of the 5500	$ (228,895)	$ (165,184)

The following is a reconciliation of claims paid per the financial statements to Schedule H of the 5500 for the year ended December 31, 2025:

	2025
Claims Paid, Net per the Financial Statements	$ 2,231,893
Claims Payable	
Less: Benefit obligation payable at the beginning of year	(318,460)
Add: Benefit obligation payable at end of year	349,281
Claims Paid per Schedule H of the Form 5500	$ 2,262,714

Claims that have been processed and approved for payment at year-end, but not paid, and claims incurred but not reported, are not considered liabilities under U.S. GAAP and, therefore are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the 5500 as a liability.

I - SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date that the financial statements were available to be issued, September 23, 2026 and determined that no events occurred that required additional disclosure in the financial statements. No other subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
