# Independent Auditors' Report

**Plan Committee**
**Electrolux Professional Inc. 401(k) Plan**
**Vicksburg, Mississippi**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

**We have performed audits of the financial statements of the Electrolux Professional Inc. 401(k) Plan (the "Plan") (formerly Unified Brands Retirement Savings Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.**

**Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).**

**Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.**

***Opinion***

**In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report:**

- **the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).**
- **the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).**

***Basis for Opinion***

**We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.**

***Responsibilities of Management for the Financial Statements***

**Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.**

**In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.**

**Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.**

***Auditors' Responsibilities for the Audits of the Financial Statements***

**Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.**

**In performing an audit in accordance with GAAS, we:**

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.**

**Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.**

**Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.**

**We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.**

***Other Matter - Supplemental Schedule Required by ERISA***

**The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.**

**In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.**

**In our opinion:**

- **the form and content of the supplemental schedule, other than the information in the supplemental schedule of assets (held at end of year) that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

## (1) Description of plan

**The following description of the Electrolux Professional Inc. 401(k) Plan (formerly Unified Brands Retirement Savings Plan) (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.**

### (a) General

**The Plan is a defined contribution plan covering full-time employees of Electrolux Professional, Inc. (the "Company"), coinciding with or immediately following attainment of age eighteen (participants). Non-union employees have no service requirement. Union employees must complete twelve months of service to be considered eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).**

**On January 1, 2025, the Grindmaster Corporation 401(k) Plan was closed to new participants and no additional contributions were allowed. The Plan's participants became eligible to participate in the Electrolux Professional 401(k) Plan as of January 1, 2025. During March 2025, the Plan was merged into the Electrolux Professional Inc. 401(k) Plan.**

### (b) Contributions

**Participants may contribute the maximum allowable amount under Section 401(k) of the Internal Revenue Code (IRC). Each year, participants may contribute at least 1% of his or her annual compensation as defined in the Plan up to 50% of eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. A participant has the option to designate all or a portion of his or her elective deferral as Roth elective deferrals. Additionally, participants who have attained ages 60 to 63 before the end of the Plan year may elect to make additional "super catch up" contributions as permitted under Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022.**

**The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate of 3%. This rate will increase in subsequent years, until 6% is received. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Company makes matching contributions up to 100% of salary deferrals that do not exceed 1% of compensation plus 50% of salary deferrals between 1% and 6% of compensation. The Company may make a nonelective contribution. A nonelective contribution of $425,907 and $336,984 was made for the years ended December 31, 2025 and 2024, respectively.**

**(c) Participant accounts**

**Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.**

**(d) Vesting**

**Participants are immediately vested in their contributions and the Company's contributions plus actual earnings thereon.**

**(e) Notes receivable from participants**

**Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are collateralized by the balance in the participants' account and bear interest from 5.50% to 8.50%. Principal and interest are collected ratably through bi-weekly payroll deductions.**

**(f) Payment of benefits**

**On termination of service due to death, disability, or retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of his or her entire account, or annual installments over a specified period equal to his or her entire account.**

**(g) Hardship withdrawals**

**The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's vested account balance.**

**(h) Administrative expenses**

**Certain administrative expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.**

**(i) Plan termination**

**Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA.**

## (2) Summary of significant accounting policies

### (a) Basis of accounting

**The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).**

### (b) Investment valuation and income recognition

**Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.**

**Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.**

### (c) Notes receivable from participants

**Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.**

### (d) Payment of benefits

**Benefits are recorded when paid.**

### (e) Use of estimates

**The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.**

**(f) Events occurring after reporting date**

**The Company has evaluated events and transactions that occurred between December 31, 2025, and September 28, 2026, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.**

**(3) Certified information**

**Certain information related to investments presented and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair value of investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest; and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity") as of December 31, 2025 and 2024, and for the period November 1, 2024 to December 31, 2025, and Bank of America, N.A. for the period from January 1, 2024 to October 31, 2024.**

**(4) Fair value measurements**

**Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:**

**Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.**

**Level 2 - Inputs to the valuation methodology include:**

- **Quoted prices for similar assets or liabilities in active markets;**
- **Quoted prices for identical or similar assets or liabilities in inactive markets;**
- **Inputs other than quoted prices that are observable for the asset or liability;**
- **Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

**If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.**

**Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

**The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.**

**The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.**

**(i) Money market fund and mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end in an active market.**

**The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.**

**The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:**

| | Fair Value Measurements as of December 31, 2025 Using the Following Inputs | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 29,306,566 | $ - | $ - | $ 29,306,566 |
| Money market fund | 162,646 | - | - | 162,646 |
| Investments at fair value | $ 29,469,212 | $ - | $ - | $ 29,469,212 |

| | Fair Value Measurements as of December 31, 2024 Using the Following Inputs | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 13,834,541 | $ - | $ - | $ 13,834,541 |
| Money market fund | 13,669 | - | - | 13,669 |
| Investments at fair value | $ 13,848,210 | $ - | $ - | $ 13,848,210 |

## (5) Related party and party-in interest transactions

**Certain plan investments are shares of mutual funds managed by Fidelity, therefore, these transactions qualify as party-in-interest transactions. As described in Note 1, the Plan paid expenses to service providers and holds notes receivable from participants which also qualify as party-in-interest transactions.**

**(6) Income tax status**

**The Company adopted a pre-approved profit-sharing plan, which received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) determined that the pre-approved plan was designed in compliance with applicable sections of the IRC. The plan administrator and the Plan's tax counsel believe that the adopted pre-approved plan is designed, as amended, and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.**

**Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.**

**(7) Risks and uncertainties**

**The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.**
