Independent Auditor's Report

To the Plan Trustees and Participants
TitanX Engine Cooling, Inc. 401(k) Plan
Jamestown, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of TitanX Engine Cooling, Inc. 401(k) Plan, an employee benefits plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TitanX Engine Cooling, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted the audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of TitanX Engine Cooling, Inc. 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TitanX Engine Cooling, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TitanX Engine Cooling, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about TitanX Engine Cooling, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held At End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information , including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Cont'd)

In my opinion–

- the form an content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the TitanX Engine Cooling, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all eligible employees of TitanX Engine Cooling, Inc. The participant entry date to the Plan begins after 90 days of service for union members and after 60 days of service for non-union members. Part-time employees are eligible upon completion of 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions to the Plan

Participants pre-tax contributions are subject to an annual limit of the lesser of 50% of eligible compensation or IRS prescribed limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common stocks, bonds, government securities, and an insurance investment contract as investment options for participants. Contributions are subject to certain statutory limitations. In addition, the Company provides discretionary employer contribution on behalf of eligible participants.

The Company provided discretionary and required union employee contributions as follows:

Salaried and non-exempt employees
For the years ended December 31, 2025 and 2024, employer matching contribution not exceeding 6% of compensation.

United Auto Workers Union employees
For the year ended December 31, 2025, the Company contributed $1.85 per hour up to a 40-hour week. For the year ended December 31, 2024, the Company contributed $1.80 per hour up to a 40-hour week.

International Association of Machinists Union employees
The Company does not provide matching contributions or a basic contribution to the TitanX Engine Cooling, Inc. 401(k) Plan for members of the International Association of Machinists.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (Cont'd)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service as follows:

Years of Vesting Service	*Vesting %*
Less than Three Years	0%
Three years	100%

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of their vested account balance. The minimum loan is $1,000. Any expense of setting up the loan is charged to the participant. Loan terms range from 1 to 5 years. The notes are secured by the balance in the participant's account and bear interest at a rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably in accordance with a definite repayment schedule not to exceed the earlier of five years or the participant's normal retirement date.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Payment of benefits during active employment are not permitted with the exception of certain hardship cases as defined in the Plan agreement.

Forfeitures

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $38,309 and $6,123, respectively. These accounts will be used to reduce future employer contributions. For the years ended December 31, 2025 and 2024, forfeited nonvested account activity follows:

	2025	2024
Balance of forfeited nonvested accounts, beginning of year	$ 6,123	$ 44,251
Current year participant forfeitures	64,487	11,492
Investment earnings	249	1,058
Transfers and other	219	82
Utilization:		
Reduce employer contributions	(32,769)	(50,760)
Balance of forfeited nonvested accounts, end of year	**$ 38,309**	**$ 6,123**

NOTE 1 - DESCRIPTION OF PLAN (Cont'd)

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions into various investment options. Company contributions are automatically allocated to the funds based upon the participant's designation. Participants may change or transfer their investment options during the Plan year as determined by the Company.

The Plan provides for individual self-directed accounts which permit participants to exercise investment control over the assets held in their individual accounts. Participants should refer to the Plan Enrollment Form for descriptions of these options.

Plan Assets

Plan assets are held at Fidelity Management Trust Company, the plan custodian. In the normal course of business, the Plan is a party to financial instruments with off balance sheet risk. These financial statements include investments in registered investment companies, investments in common/collective trusts, and corporate stocks maintained in a brokerage link account.

Administration and Operating Expenses

The Plan is administered by TitanX Engine Cooling, Inc. (the "Company"). The Company's powers and duties relate to submitting employee and employer contributions to the plan custodian, authorizing disbursements from the Plan and resolving any questions of Plan interpretation. The assets of the Plan are maintained and administered by the Fidelity Management Trust Company. Administrative expenses paid by the Plan are comprised of investment fees paid to the Plan custodian. The Company pays other administrative costs of the Plan, including the salaries, benefits and other costs involved in administering the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

There were no excess contributions for the year ended December 31, 2025.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Investment management fees are included in administrative expenses and charged directly to the participant's account. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through September 30, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based upon quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based upon the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements At the End of the Year Using:
	Fair Value	*Quoted Prices In Active Markets for Identical Assets (Level 1)*
December 31, 2025		
Registered investment companies	$28,141,893	$28,141,893
Interest bearing deposits	5,634	5,634
Common stocks - Brokerage link account	23,421	23,421
Total	$28,170,948	$28,170,948
December 31, 2024		
Registered investment companies	$28,038,443	$28,038,443
Interest bearing deposits	8,492	8,492
Common stocks - Brokerage link account	106,961	106,961
Total	$28,153,896	$28,153,896

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments. The net realized gain included in the changes in net assets available for benefits for the year ended December 31, 2025 was derived from the brokerage-link participant directed account.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

The following information included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company.

	2025	2024
Investments, at fair value:		
Registered investment companies, at fair value	$28,141,893	$28,038,443
Interest bearing deposits	5,634	8,492
Common Stocks - Brokerage link account	23,421	106,961
	28,170,948	28,153,896
Fully Benefit-Responsive Investment Contracts, at contract value	1,381,695	1,487,705
	$29,552,643	$29,641,601

Investment income:	2025
Net appreciation in fair value of investments	$ 2,209,050
Net realized loss on sale of investments	(18,567)
Interest and dividends	1,868,622
Total investment income	$ 4,059,105

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

As of December 31, 2025 and 2024, the Plan maintained two fully benefit-responsive investment contracts with Fidelity Management Trust Company (Fidelity Managed Income Portfolio II Class 2 and Fidelity Managed Income Portfolio Class 1). The Funds maintain the contributions in common collective trusts accounts. The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Fidelity Management Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts totaled $1,381,695 and $1,487,705 at December 31, 2025 and 2024, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Fidelity Management Trust Company. Such events include the following: a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Cont'd)

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. The fully benefit-responsive investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - NOTES RECEIVABLE FROM PARTICIPANTS

	2025	2024
Notes receivable from participants, beginning of year	$ 473,610	$ 488,879
Loan issuances	195,076	209,158
Loan repayments	(198,153)	(185,791)
Loan default interest	4,463	4,303
Deemed distributions - participant loans	(20,949)	(13,347)
Loans offset at full payout and other activity	-	(29,592)
Notes receivable from participants, end of year	$ 454,047	$ 473,610

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$30,006,690	$30,115,211
Adjustment from contract value to fair value:		
MIP CL 1	(17,984)	(37,545)
MIP II CL 2	(21,975)	(49,544)
Net assets available for benefits per Schedule H of Form 5500	$29,966,731	$30,028,122

The following is a reconciliation of additions to plan assets per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:

	2025
Additions to plan assets per financial statements	$ 5,176,266
Adjustment from contract value to fair value:	
MIP CL 1	19,561
MIP II CL 2	27,569
Net additions to plan assets per Schedule H of Form 5500	$ 5,223,396

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company

Fidelity Management Trust Company provides administrative and management services to the Plan. For the years ended December 31, 2025 and 2024, the Plan's received net fee reimbursements from Fidelity Management Trust Company totaling $12,933 and $1,987, respectively. As custodian, Fidelity Management Trust Company also receives indirect compensation and fees directly from the mutual funds held by the Plan.

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. In addition, the Plan's investments include fully benefit-responsive investment contracts with Fidelity Management Trust Company totaling $1,381,695 and $1,487,705, as of December 31, 2025 and 2024, respectively. Fidelity Management Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS (Cont'd)

Investment Advisory Services

UBS Financial Services, Inc. provides investment advisory services to the Plan. For the years ended December 31, 2025 and 2024, the Plan incurred investment advisory fees totaling $27,161 and $30,749, respectively, paid to UBS Financial Services, Inc.

Notes Receivable from Participants

Notes receivable from participants are party-in-interest transactions.

The party-in-interest transactions noted above are exempt from the prohibited transaction rules of ERISA.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10 - TAX STATUS

The Plan was established using a prototype plan document. The Internal Revenue Service (IRS) issued a favorable opinion letter dated June 30, 2020 to the prototype sponsor stating that the plan document, as designed, is in compliance with the applicable sections of the Internal Revenue Code (IRC). An employer adopting a pre-approved plan may rely on the opinion letter, provided the plan is operated in accordance with the terms of the plan document and the employer's adoption agreement.

An employer adopting a prototype plan cannot rely on the opinion letter regarding whether the plan satisfies the non-discrimination and coverage requirements of IRC Section 401(a)(4) and 410(b). The employer is responsible for ensuring that the plan meets these requirements in operation.

The Plan Administrator believes the Plan is being operated in compliance with the terms of the plan document and all applicable requirements of the IRC and the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, no provision has been made for income taxes in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities.

NOTE 11 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
