Independent Auditor's Report

To the Plan Administrator
403(b) Thrift Plan for Family & Children's Place, Inc.
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for Family & Children's Place, Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Family & Children's Place, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Family & Children's Place, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Family & Children's Place, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Family & Children's Place, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Family & Children's Place, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR
FAMILY & CHILDREN'S PLACE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of 403(b) Thrift Plan for Family & Children's Place, Inc. provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Family & Children's Place, Inc. (Employer). There is no minimum age or service requirement to make salary reduction contributions to the Plan. An employee must be 21 years of age and complete at least one year of service in order to receive an employer base contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The Administration, Finance and Personnel Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Contributions:

The Plan is funded by discretionary participant contributions and an employer base contribution. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the maximum permitted by law. Participants are also eligible to make Roth deferral contributions to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated retirement fund until changed by the participant.

Each plan year, the Employer makes an employer base contribution equal to 1% of eligible employee compensation for the year. The employer base contribution is made to an employee whether or not the employee is making discretionary participant contributions to the Plan. Contributions are subject to certain IRS limitations.

Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of the employer's base contribution, plan earnings and forfeitures. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant contributions, compensation or account balances, as defined in the plan provisions. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting:

Participants are immediately vested in their elective contributions, as well as earnings on those contributions. Vesting in the employer base contributions and earnings on those contributions is based on the years of service as outlined in the following table:

Years of Service	Percent of Non-Forfeitable Interest
Less than 2	0%
2	34%
3	67%
4 or more	100%

Participants will also become fully vested upon reaching age 65, becoming totally and permanently disabled, or death.

Payment of benefits:

Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in monthly installments over a fixed period. Upon termination, other than by retirement, disability or death, a participant becomes eligible to receive the current value of the participant's vested account in a lump sum.

Forfeited accounts:

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $5,535 and $7,963 respectively. These accounts will first be used to pay certain plan expenses. Remaining forfeitures will be re-allocated to active participants' accounts. Forfeitures of $7,325 were re-allocated to participants’ accounts in 2025. There was no use of forfeitures in 2024.

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer's Administration, Finance and Personnel Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions:

Contributions from Plan participants and the base contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

The Plan has evaluated subsequent events through June 30, 2026, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information in the accompanying financial statements and supplemental schedule related to investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company and The Lincoln National Life Insurance Company, qualified institutions.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Level 1 assets have been valued using a market approach and Level 3 assets have been valued using the cost approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

General accounts - fair value is determined by the insurance company as of the close of business on each valuation day based on the contributions made to the accounts, plus interest at the contract rates, less benefits paid to participants and administrative expenses charged by the insurance company.

Separate accounts - fair value is measured at net asset value (NAV) of accumulation units. The NAV is determined by the insurance company as of the close of business on each valuation day based upon the changes in the net asset values of the underlying funds, depending on investment experiences and expenses of the underlying funds, and separate account charges under the contract.

Mutual funds – fair value is determined by the daily closing price as reported by the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025		
	Level 1	Level 3	Total
Group annuity contracts:			
General accounts		$600,066	$ 600,066
Mutual funds	$83,019		83,019
Investments measured at fair value	$83,019	$600,066	683,085
Separate accounts measured at net asset value			2,307,398
Total assets at fair value			$2,990,483

	2024		
	Level 1	Level 3	Total
Group annuity contracts:			
General accounts		$699,031	$ 699,031
Mutual funds	$71,053		71,053
Investments measured at fair value	$71,053	$699,031	770,084
Separate accounts measured at net asset value			2,330,791
Total assets at fair value			$3,100,875

The following table sets forth a summary of activity of the Plan's Level 3 assets for the years ended December 31, 2025 and 2024:

	2025	2024
Purchases	$ 8,656	$ 84,141
Sales	(125,425)	(27,229)

The following table sets forth the basic assumptions used in arriving at fair value and the range of value for unobservable inputs of Level 3 assets for the years ended December 31, 2025 and 2024:

Instrument	Fair Value 12/31/2025	Fair Value 12/31/2024	Valuation Technique	Unobservable Input	Rate Applied
General Accounts	$600,066	$699,031	Cost approach - contract value	Contract rate	2.65-3%

Investments Measured Using Net Asset Value Per Share Practical Expedient:

All separate accounts have no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value. The NAV is updated daily.

A description of the investment strategies for separate accounts whose value is derived using NAV are as follows:

Fixed income – seeks total return by investing majority of assets in a diversified portfolio of fixed income securities.

Equity – seeks long-term growth of capital by investing majority of assets in a diversified portfolio of common stocks.

Balanced – seeks long-term growth of capital by investing assets in a diversified portfolio of equity, debt and fixed income securities.

Asset allocation – seeks long-term growth of capital by investing assets in a diversified portfolio of equity and fixed income securities.

Retirement – seeks current income and capital appreciation appropriate for the asset allocation associated with its target retirement date by investing assets in a diversified portfolio of funds balanced to meet the current target retirement date of the fund.

Real estate index – seeks to provide a high level of income and moderate long-term capital appreciation by investing in publicly traded equity Real Estate Investment Trusts (REITs) and other real-estate related investments.

Note 5. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the Plan.

The Plan invests in group annuity contracts sponsored by Mutual of America Life Insurance Company (Mutual of America) and The Lincoln National Life Insurance Company (Lincoln). The transactions with Mutual of America and Lincoln qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to $2,009 and $1,638 for the years ended December 31, 2025 and 2024, respectively. Fees incurred by the Plan for investment management services are included in net appreciation and are deducted from participant accounts in accordance with the plan document. The Employer pays directly other fees related to the Plan's operations.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the value of their accounts.

Note 7. Tax Status

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9. Plan Loans

Participants may request a loan based on the vested value of their individual accounts. These loans are issued directly by Mutual of America and Lincoln to the participant. The loans are secured by the participant's balance in the general account. No funds are withdrawn from the participant's account unless the participant defaults on the loan.

The loan may range from a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loan terms range from 1 - 5 years, but may be longer if the loan is made for the purchase of the participant's primary residence. The loans bear interest as determined by Mutual of America or Lincoln, and are repaid by coupon payment directly to Mutual of America or Lincoln.

As of December 31, 2025 and 2024, $2,420 and $3,158, respectively, of investments in the general accounts served as security for the outstanding loans to participants.

Note 10. Reconciliation to Form 5500

The Plan holds investments in pooled separate accounts, which are not direct filing entities. As such, per Form 5500 instructions, the Plan's interest in the underlying assets of the pooled separate accounts must be allocated and reported in the appropriate categories on Schedule H. Therefore, these investments are reflected as mutual funds on Form 5500, but as pooled separate accounts for financial statement purposes.
