McMANUS, DOSEN & CO:

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of Hissong Group, Inc. & Subsidiaries 401(k) Retirement Savings Plan (the Plan) which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and under ERISA section 103(a)(3)(c), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Huntington National Bank, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of September 30, 2026, the following representations were made to you during your audit.

Financial Statement Representations:

1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 29, 2026, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

5) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
7) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
8) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
9) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
10) Significant estimates and material concentrations have been properly disclosed in accordance with U.S. GAAP.
11) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
12) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

    b) Investments or loans in default or considered to be uncollectible.
    c) Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations thereunder].

Other Representations:

14) We have provided you with:
    a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
    b) Additional information that you have requested from us for the purpose of the audit.
    c) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

d) The most current plan instruments, trust agreements, insurance contracts, or investment contracts for the audit period and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

15) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

16) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

17) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

a) Management,

b) Employees who have significant roles in internal control, or

c) Others where the fraud could have a material effect on the financial statements.

18) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

19) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

20) We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

21) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

22) We have no—

a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

b) Intentions to terminate the Plan.

23) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

24) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

25) The methods and significant assumptions used to estimate the fair values of financial instruments, including non-readily marketable securities, are as follows:

Mutual funds are valued at the net asset value of shares held by the Plan at year end, as reported on the active markets in which the investments are traded (Level 1).

Common/collective trust is valued at the net asset value of shares held by the Plan at year end. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. Net asset value is based on the fair value of the trust's underlying assets, less its liabilities. The practical expedient is not used when it is determined to be probable that the trust will sell the investments for an amount different than the reported net asset value.

26) All required amendments to and filings of Plan documents with the appropriate agencies have been made. The plan sponsor adopted a volume submitter profit sharing plan with cash or deferred arrangement which received a favorable opinion letter from the Internal Revenue Service dated February 28, 2017 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of

the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified as of the financial statement date.

27) The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

28) The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

29) The Plan has complied with the fidelity bonding requirements of ERISA.

30) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
