Independent Auditor's Report Under ERISA Section 103(a)(3)(C)

To the Plan Sponsor and Plan Administrator
The Gullo Companies 401(k) Savings Plan
Conroe, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gullo Companies 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits-modified cash basis as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits-modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gullo Companies 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits, and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section--.

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gullo Companies 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gullo Companies 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Basis of Accounting

As described in Note 2, the Plan's financial statements are prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gullo Companies 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gullo Companies 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial

statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of plan assets held at end of year, form 5500, schedule H, part IV, line 4i are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Plan Description

The Gullo Companies 401(k) Savings Plan (the "Plan") provides retirement savings benefits to eligible employees of Tony Gullo Motors, I, L.P. dba Gullo Toyota of Conroe; Gullo Cars of Conroe, I, L.P. dba Gullo Ford of Conroe; Lakeside Imports, Inc. dba Lakeside Toyota; and Northshore Motors, I., L.P. dba Northshore Toyota (collectively the "Companies" or "Employer"). Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of the Companies through voluntary contributions by employees and contributions by the Companies. The Plan commenced effective July 1, 1997, and was amended and restated effective May 1, 2017. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Effective January 1, 2022, the Plan adopted an amended and restated pre-approved defined contribution profit-sharing plan within IRC Section 401(k), which received a favorable opinion letter from the IRS dated June 30, 2020. Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

There were no plan amendments during the years ended December 31, 2025 and 2024.

Eligibility

Employees are eligible to participate in the Plan after the employee has reached 21 years of age and completed two months of service. The entry date for all eligible employees is the first day of the following calendar quarter after becoming eligible.

Plan Custodian and Trustee

The Plan's assets are held by John Hancock Trust Company, LLC (the "Custodian" or "Trustee"). Among other duties, the Custodian receives contributions, holds, and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. John Hancock Retirement Plan Services, LLC provides recordkeeping services to the Plan.

Participant Contributions

Participants may elect to contribute, on a before-tax or Roth basis, an amount up to the limit established annually by the IRC,

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Pursuant to the SECURE 2.0 Act of 2022, effective for the plan years beginning after December 31, 2024, an enhanced catch-up contribution limit is available to participants who attain ages 60, 61, 62, or 63 during the taxable year.

For the years ended December 31, 2025 and 2024, the maximum elective deferral limits were $23,500 and $23,000, respectively. The standard catch-up contribution limits for participants aged 50 and older (who did not qualify for the enhanced age 60–63 limit) were $7,500 for both 2025 and 2024. For the year ended December 31, 2025, the enhanced catch-up contribution limit for participants aged 60–63 was $11,250. This enhanced limit was not applicable for the year ended December 31, 2024.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation.

Rollover contributions represent funds transferred to the Plan from other qualified defined contribution plans.

Employer Contributions

The Plan allows the Companies to make matching contributions to the Plan on behalf of participants. The Companies' matching contribution is at the discretion of the Board of Directors of the Companies and may be reduced or suspended at any time. The Companies made matching contributions of 50% of the first 10% of each participant's compensation. The annual maximum matching contribution is $2,000 per participant.

Participant Accounts

Participant accounts consist of voluntary and rollover contributions by employees, discretionary matching contributions by the Employer, and an allocation of the profits or losses of the investments of the accounts and are charged with an allocation of Plan expenses. Separate investment accounts are maintained for each participant for all contributions. Each participant's account is credited with employee and employer contributions and is invested among a family of investment options as directed by the participants. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investments

All assets of the Plan are participant-directed investments. Participants have the option of directing their account balances to one or more investment options offered by the Plan. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. The options vary in types of investments, rates of return, and investment risk.

Vesting

Participants are immediately vested in their pre-tax deferred contributions, rollover contributions, and any income or loss thereon. Vesting in Employer matching contributions and other discretionary Employer contributions, plus any income or loss thereon, is based on years of service according to the following schedule:

Years of Service	Percentage Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Vested account balances not exceeding $1,000 are made as a lump sum distribution as soon as administratively possible following the participant's termination of employment. The participant may elect whether to receive the distribution or to rollover the distributions into another retirement plan. If a terminating employee has a vested account balance exceeding $1,000, the participant may elect to maintain their balances within the Plan. The Plan permits automatic rollover of distributions into an Individual Retirement Account ("IRA") if the following criteria are met: (i) the distribution amount is at least $1,000, and (ii) the participant has not elected to receive or rollover the distribution. A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

Pursuant to the SECURE 2.0 Act of 2022, the mandatory age for beginning required minimum distributions is 73 for participants who attain age 72 after December 31, 2022. Accordingly, active participants who are 5% owners of the Plan Sponsor, and terminated participants who have reached age 73, must receive an annual distribution of a minimum required portion of their account balances. Non-5% owners who remain actively employed by the Plan Sponsor may continue to defer distributions past age 73 until their actual retirement date.

Effective for the plan years ended December 31, 2025 and 2024, and in accordance with the SECURE 2.0 Act, minimum distribution requirements no longer apply to a participant's designated Roth account balances prior to the participant's death.

Forfeited Accounts

Forfeited accounts are transferred to a participant account called "Forfeitures". See below for the balance and activity for the years ended and as of December 31, 2025 and 2024:

Schedule of activity in Forfeiture account

Beginning Balance	**$ 347,692**	**$ 243,530**
Forfeited accounts	**124,183**	**125,268**
Expenses paid	**(15,308)**	**(30,000)**
Investment gain	**14,009**	**9,739**
Administrative Credit	**(661)**	**(845)**
Ending Balance	**$ 469,915**	**$ 347,692**

Participant loans

Participants may borrow up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The minimum loan amount is $1,000. Notes receivable from participants are secured by the balance in the participant's account. Loan terms range from one to five years, except for loans used for the purchase of a principal residence, which may be repaid over a reasonable period of time. The Administrator will determine a reasonable rate of interest by reviewing the interest charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the modified cash basis of accounting. Under this basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are stated at the net asset value of shares held by the Plan at year end.

The Plan presents in the statement of changes in net assets available for benefits – modified cash basis, the net appreciation (depreciation) in the fair value of its investments. Purchases and sales of securities are recorded on a trade-date basis. Gains or losses on sale of investments are determined by specific identification method. Interest income is recorded as received. Dividends are recorded when they are received.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payments of Benefits

Benefit payments are recorded when paid.

Administrative Fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

The Plan receives revenue sharing credits from certain mutual fund service providers based on invested balances. This revenue is used to offset certain amounts owed to the Custodian for its administrative services to the Plan. If the revenue received by the Plan from such mutual fund service providers exceeds the amount owed under the agreement, the Custodian remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025 and 2024, the excess amounts totaled $58,525 and $60,639, respectively. The Plan or Plan Sponsor may make a payment to the Custodian for administrative expenses not covered by revenue sharing.

Contract & Management/Advisory Fees

	2025	2024
John Hancock general administrative charge	$ 233,161	$ 214,280
John Hancock loan service fees	10,201	10,699
John Hancock review/approval fee	5,926	5,930
Audit Fee	15,308	30,000
Insufficient funds	25	100
Other disbursements	894	-
Total Contract & Management/Advisory Fees	$ 265,515	$ 261,009

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 3 – Plan Assets - Information Certified by John Hancock Trust Company LLC

The Plan is a self-directed investment plan, where the participants allocate their assets based on choices available in the Plan. Each participant selects their own allocation of assets.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

- ***level 1*** – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- ***level 2-*** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or

liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- ***level 3*** - Inputs that are unobservable inputs for the assets or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31,2025 and 2024.

- ***Mutual Funds*** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified in level 1 of the valuation hierarchy.
- ***Stable Value Fund*** - composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the pooled separate account. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. If the Plan initiates a full redemption of the stable value fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Fair Value Measurements at the End of the Reporting Period Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
12/31/2025			
Mutual Funds	**$ 48,746,422**	**$ 48,746,422**	
Total assets at fair value	**$ 48,746,422**	**$ 48,746,422**	**$ -**
12/31/2024			
Mutual Funds	**$ 40,438,676**	**40,438,676**	
Total assets at fair value	**$ 40,438,676**	**$ 40,438,676**	**$ -**

Note 5 - Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by the Trustee; thus, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to service providers.

The Plan had notes receivable from participants at December 31, 2025 and 2024 . As a result, these receivables and all transactions relating to these receivables qualify as party-in-interest transactions. These transactions are exempt from the prohibition of party-in-interest transactions under ERISA.

Note 6 – Reconciliation of Form 5500 to the Financial Statements

There were no material items for reconciliation of net assets available for benefits per the financial statements at December 31 2025 and 2024 to Form 5500.

Note 7 - Tax Status

The Plan and related trust operate under an adoption agreement in connection with a prototype plan and custodial document sponsored by John Hancock Retirement Plan Services, LLC. This prototype plan document was filed with the appropriate agency and received a favorable determination letter, dated May 18, 2015, from the Internal Revenue Service ("IRS") stating that the prototype plan qualifies under section 401 (a) of IRC; therefore, no provision has been made for federal income taxes. The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2022.

Note 8 - Subsequent Events

The Plan has evaluated all events and transactions that occurred through August 10, 2026, the date these financial statements were available to be issued.
