INDEPENDENT AUDITORS' REPORT

To the Trustees of the
EmployShare, Inc. 401(k) Profit Sharing Plan
Beaver Falls, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of EmployShare, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EmployShare, Inc. 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EmployShare, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EmployShare, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EmployShare, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EmployShare, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

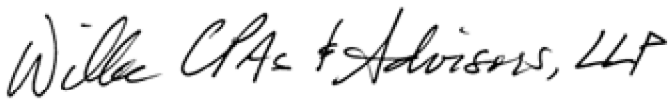

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule I – Schedule H, Line 4i, Schedule of Assets (Held at End Of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF PLAN

The following description of the EmployShare, Inc. 401(k) Profit Sharing Plan, (hereinafter referred to as "the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:
The Plan is a multiple-employer defined contribution plan available to all employees of EmployShare, Inc. (the "Sponsoring Employer") which is an organization providing employment and administration services to a number of individuals and entities across the United States of America. Under the Plan, participating employers (the "Company") may adopt certain elections regarding their specific employment group as long as those elections meet the provisions of the Internal Revenue Code (IRC) and the Employer Retirement Income Security Act of 1974 (ERISA). Some of the elections available to participating employers are eligibility requirements, entry dates, and minimum number of hours worked in the Plan year. Participating employers may also elect to transfer assets from existing plans into the Plan. Participants should refer to the Plan document and their employer adoption agreement for a more complete description of the Plan's provisions.

Contributions:
Participants may contribute up to 100% of pretax annual eligible compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows participants to designate all or part of their contribution as Roth Contributions, and participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions are comprised of two components: a profit sharing contribution and an employer matching contribution. The profit-sharing contribution is made at the discretion of the participating employers.

Participating employers have several options if they elect to offer a matching provision. Included in those options are provisions ("Safe Harbor Methods") which satisfy certain Internal Revenue Code requirements and eliminate the need for the performance of certain non-discrimination annual tests. All matching or profit sharing contributions are invested at the participant's discretion.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts:

Each participant's account is credited with his or her respective salary reduction amount and an allocation of (1) the employer's contribution and (2) Plan earnings. Allocations of Plan earnings, including net appreciation or depreciation in fair value of investments, are allocated to each participant's account based on participant earnings or account balances, as defined. Participant's accounts may be withdrawn upon separation from the Company, death, disability, or retirement (regular age 65).

A Participant may request a loan or apply for hardship withdrawals at any time, in accordance with the provisions of the Plan.

Investment Options:

Each participant directs the manner in which contributions are to be allocated among the investment options available under the Plan.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested either a) immediately, b) l00% cliff after three years, or c) 20% per year graded vesting over six years, dependent on election of the Company in the Adoption Agreement.

Participant Notes Receivable (Participant Loans):

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 (reduced by the amount of the highest outstanding loan balance under the Plan during the previous one-year period) or one-half of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate as published in The Wall Street Journal plus one percentage point. The interest rates on the outstanding loans range from 4.25% - 9.50%. Loans must be fully repaid within five years unless the loan is used for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions. All notes are deemed collectible.

Payment of Benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Once a participant reaches age 70.5 and separates from service, a portion of their account balance must be transferred out of the Plan annually. If the participant is a five percent owner of the Company, payments must begin even if the participant is still employed.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts:

Each Company has a forfeiture account if its particular option specifies a vesting schedule or if non-discrimination testing results in forfeitures for corrections. Forfeited balances are used to offset the Plan's administrative expenses or the Company's employer contributions. Forfeitures amounted to $37,568 and $15,714 at December 31, 2025 and 2024, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies, which conform to generally accepted accounting principles, have been used consistently in the preparation of the Plan's financial statements.

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefit and change therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition:

Investment Valuation and Income Recognition — The Plan's investments in pooled separate accounts are stated at fair value. The Plan's investment in the guaranteed investment contract is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

All expenses of maintaining the Plan are paid by the Plan Sponsor and the Plan. Expenses paid by the Plan Sponsor are excluded from these financial statements.

Transfers:

As a defined contribution multiple employer plan, the Plan has transfers in and transfers out regularly as participating employers join and leave the Plan.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in employer contributions.

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE E – CERTIFIED INVESTMENTS

Certified information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2025 and 2024 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC as of December 31, 2025 and 2024, respectively.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE F – TAX STATUS

On April 7, 2021, the Internal Revenue Service determined and informed Empower Retirement LLC that the volume submitter profit sharing plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC).

The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and believe that the Plan is qualified and the related trust is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

NOTE F – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G – RELATED PARTY TRANSACTIONS

Empower Trust Company, LLC provide third-party administrator, recordkeeping, and custodial services to the Plan including maintaining participant accounts, preparing tax filings, and issuing statements. Transactions with Empower Trust Company, LLC regarding these services qualify as exempt party-in-interest transactions. For the years ended December 31, 2025 and 2024, fees paid by the Plan for the investment management services amount to $190,016 and $2,487, respectively.

NOTE H – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability as a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

At December 31, 2025, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 39,432,882	$ -	$ -	$ 39,432,882
Non-interest bearing cash	37,568	-	-	37,568

Total assets, at fair value	$ 39,470,450	$ 33,897,241	$ -	$ 73,367,691

At December 31, 2025, the Plan held Common Collective Trust Funds of $20,744,137 that were not subject to fair value measurement reporting under FASB ASC 820-10-50-2. The Common Collective Trust Funds are measured at the net asset value per share practical expedient for fair value measurement.

At December 31, 2025, the notes receivable from participants of $450,456 were held by the Plan and were not subject to fair value measurement reporting under FASB ASC 820-10-50-2. Notes receivable from participants are measured at cost which is an approximation of fair value.

At December 31, 2024, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 28,475,091	$ -	$ -	$ 28,475,091

Total assets, at fair value	$ 28,490,265	$ 29,224,520	$ -	$ 57,714,785

At December 31, 2024, the Plan held Common Collective Trust Funds of $18,365,151 that were not subject to fair value measurement reporting under FASB ASC 820-10-50-2. The Common Collective Trust Funds are measured at the net asset value per share practical expedient for fair value measurement.

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

At December 31, 2024, the notes receivable from participants of $397,463 were held by the Plan and were not subject to fair value measurement reporting under FASB ASC 820-10-50-2. Notes receivable from participants are measured at cost which is an approximation of fair value.

Below is a reconciliation of the opening and closing balances of the annuity contracts in the general account for the years ended December 31:

	2025	2024

NOTE I — CONTRACT WITH INSURANCE COMPANY

The Plan entered into traditional fully benefit-responsive guaranteed investment contracts with Empower Trust Company, LLC that maintain the contributions in a general account for the years ended December 31, 2025 and 2024, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Trust Company, LLC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE I — CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

As of December 31, 2025 and 2024, the contract value of the investment account was $2,792,799 and $2,080,731, respectively.

NOTE J – TRANSFER OF ASSETS

During 2025, four adopting employers transferred their previous plan's assets into the Plan. Transfers of assets into the Plan for the year ended December 31, 2025 totaled $895,310.

During 2025, no adopting employers terminated their participation in the Plan and transferred all assets to other plans.

During 2024, there were no adopting employers that transferred their previous plan's assets into the Plan.

During 2024, one adopting employer terminated their participation in the Plan and transferred all assets to other plans. Transfers of assets out of the Plan for the year ended December 31, 2024 totaled $26,870.

NOTE K — SUBSEQUENT EVENTS

The trustees and management of the Plan have evaluated subsequent events and determined there are no subsequent events necessary for disclosure as of the date of the independent auditors' report.
