# Independent Auditor's Report

Trustees
Hendrick Automotive Group Medical and Prescription Drug Benefit Plan
Charlotte, North Carolina

## *Opinion*

We have audited the financial statements of Hendrick Automotive Group Medical and Prescription Drug Benefit Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year ended December 31, 2025 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Plan as of December 31, 2025 and 2024 and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

## *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Other Matter - Supplemental Schedule Required by ERISA*

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 1. Plan Description

The following description of the Hendrick Automotive Group Medical and Prescription Drug Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan provides for benefits covering substantially all active employees of the Hendrick Automotive Group, LLC and affiliated companies (the "Employer"). Certain Plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

### *Benefits*

The Plan provides health benefits (medical, hospital, surgical, major medical, dental and vision), prescription drug coverage, and short-term disability covering eligible employees. All full-time employees shall be eligible to enroll for coverage under the Plan after completing ninety (90) days of continuous full-time employment.

### *Insured Benefits*

The Plan offers fully insured options for participants residing in California and Alabama. The fully insured plans provide insured medical and prescription drug benefits. The Employer purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid through the assets of the VEBA trust.

### *Stop Loss Coverage*

The Plan maintains stop-loss insurance to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

### *Self-Insured Benefits*

All other Plan benefits are self-insured. Health claims of active participants and their covered dependents are processed by the Plan administrator, Luminare Health Benefits. Short-term disability claims of participating employees are processed by the Employer. The responsibility for payments to providers is retained by the Plan.

### *Contributions*

The Employer evaluates the costs of the Plan based on projected Plan expenses and determines the amount to be contributed by the Employer and the amount to be contributed by the covered employees. Participating employees may contribute specified amounts, determined periodically by the Employer, to extend coverage to eligible dependents. Participating employees who have short-term disability coverage contribute specified amounts determined periodically by the Employer.

### *Termination of Plan*

Although it has not expressed the intent of doing so, the Employer has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

## Note 2. Significant Accounting Policies

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### *Cash and Cash Equivalents*

The Plan considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

### *Contributions*

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

### *Payment of Benefits*

Claim payments are recorded when paid.

### *Claims Incurred but Not Reported*

Plan obligations at December 31, 2025 and 2024 for health and short-term disability claims incurred by active participants but not reported at that date are estimated by the Plan's management, based on payments made subsequent to the year end and estimated liabilities for federally mandated benefits under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

### *Administrative Expenses*

As provided by the Plan agreement, the Employer is responsible for funding amounts used to pay the administrative expenses related to the operation of the Plan.

### *Consideration of Credit Risk*

The Plan maintains deposits with a financial institution, the balances of which exceed the federally insured amount. The Plan has not experienced any losses in such accounts and believes it is not exposed to significant credit risk on cash and cash equivalents.

### *Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, benefit obligations and changes therein, claims incurred but not reported, claims payable, liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

### *Subsequent Events*

The Plan has evaluated subsequent events through September 22, 2026, the date the financial statements were available to be issued.

## Note 3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

**Level 1** Observable inputs such as quoted prices in active markets.

**Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

**Level 3** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value:

***Money Market Funds***
Money market funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

The following table sets forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2025 and 2024.

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobserv-able Inputs (Level 3) |
| Money market funds | $ 3,008,101 | $ 3,008,101 | $ - | $ - |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobserv-able Inputs (Level 3) |
| Money market funds | $ 2,895,088 | $ 2,895,088 | $ - | $ - |

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## Note 4. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service ("IRS"), dated July 22, 1994, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Employer believes that the trust, as amended, continues to qualify and operate in accordance with applicable provisions of the IRC, and therefore, believes that the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 5. Related-Party Transactions

As described in Notes 1 and 2, the Plan has arrangements with various service providers. These transactions are considered exempt party-in-interest transactions under ERISA.

## Note 6. Risk and Uncertainties

The Plan's benefit obligations are reported based on certain assumptions pertaining to claims reporting lag times and payment history, both of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

# Independent Auditor's Report

Trustees
Hendrick Automotive Group Medical and Prescription Drug Benefit Plan
Charlotte, North Carolina

## *Opinion*

We have audited the financial statements of Hendrick Automotive Group Medical and Prescription Drug Benefit Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year ended December 31, 2025 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Plan as of December 31, 2025 and 2024 and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

## *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Other Matter - Supplemental Schedule Required by ERISA*

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 1. Plan Description

The following description of the Hendrick Automotive Group Medical and Prescription Drug Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan provides for benefits covering substantially all active employees of the Hendrick Automotive Group, LLC and affiliated companies (the "Employer"). Certain Plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

### *Benefits*

The Plan provides health benefits (medical, hospital, surgical, major medical, dental and vision), prescription drug coverage, and short-term disability covering eligible employees. All full-time employees shall be eligible to enroll for coverage under the Plan after completing ninety (90) days of continuous full-time employment.

### *Insured Benefits*

The Plan offers fully insured options for participants residing in California and Alabama. The fully insured plans provide insured medical and prescription drug benefits. The Employer purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid through the assets of the VEBA trust.

### *Stop Loss Coverage*

The Plan maintains stop-loss insurance to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

### *Self-Insured Benefits*

All other Plan benefits are self-insured. Health claims of active participants and their covered dependents are processed by the Plan administrator, Luminare Health Benefits. Short-term disability claims of participating employees are processed by the Employer. The responsibility for payments to providers is retained by the Plan.

### *Contributions*

The Employer evaluates the costs of the Plan based on projected Plan expenses and determines the amount to be contributed by the Employer and the amount to be contributed by the covered employees. Participating employees may contribute specified amounts, determined periodically by the Employer, to extend coverage to eligible dependents. Participating employees who have short-term disability coverage contribute specified amounts determined periodically by the Employer.

### *Termination of Plan*

Although it has not expressed the intent of doing so, the Employer has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

## Note 2. Significant Accounting Policies

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### *Cash and Cash Equivalents*

The Plan considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

### *Contributions*

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

### *Payment of Benefits*

Claim payments are recorded when paid.

### *Claims Incurred but Not Reported*

Plan obligations at December 31, 2025 and 2024 for health and short-term disability claims incurred by active participants but not reported at that date are estimated by the Plan's management, based on payments made subsequent to the year end and estimated liabilities for federally mandated benefits under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

### *Administrative Expenses*

As provided by the Plan agreement, the Employer is responsible for funding amounts used to pay the administrative expenses related to the operation of the Plan.

### *Consideration of Credit Risk*

The Plan maintains deposits with a financial institution, the balances of which exceed the federally insured amount. The Plan has not experienced any losses in such accounts and believes it is not exposed to significant credit risk on cash and cash equivalents.

### *Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, benefit obligations and changes therein, claims incurred but not reported, claims payable, liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

### *Subsequent Events*

The Plan has evaluated subsequent events through September 22, 2026, the date the financial statements were available to be issued.

## Note 3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

**Level 1** Observable inputs such as quoted prices in active markets.

**Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

**Level 3** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value:

***Money Market Funds***
Money market funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

The following table sets forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2025 and 2024.

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobserv-able Inputs (Level 3) |
| Money market funds | $ 3,008,101 | $ 3,008,101 | $ - | $ - |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobserv-able Inputs (Level 3) |
| Money market funds | $ 2,895,088 | $ 2,895,088 | $ - | $ - |

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## Note 4. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service ("IRS"), dated July 22, 1994, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Employer believes that the trust, as amended, continues to qualify and operate in accordance with applicable provisions of the IRC, and therefore, believes that the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 5. Related-Party Transactions

As described in Notes 1 and 2, the Plan has arrangements with various service providers. These transactions are considered exempt party-in-interest transactions under ERISA.

## Note 6. Risk and Uncertainties

The Plan's benefit obligations are reported based on certain assumptions pertaining to claims reporting lag times and payment history, both of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
