To the Retirement Committee of
CODA Resources LTD. 401(k) Plan
Aberdeen, New Jersey

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements**

We have performed audits of the accompanying financial statements of CODA Resources LTD. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Pease Bell CPAs, LLC operates under the "Pease Bell" brand alongside Pease Bell Advisory, LLC, which provides tax and business consulting services. These entities practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Pease Bell Advisory, LLC and its subsidiary entities are not licensed CPA firms.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CODA Resources LTD. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CODA Resources LTD. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CODA Resources LTD. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CODA Resources LTD. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

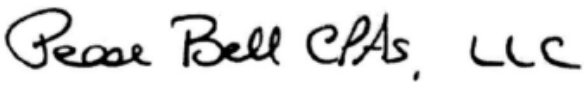

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CODA RESOURCES 401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2025 AND 2024**

## NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the CODA Resources LTD. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***: The Plan is a defined contribution plan covering substantially all employees of Coda Resources Ltd. and certain related entities that have adopted the Plan as participating employers (collectively, the "Company"). The participating employers include LADS Avenue Associates LLC, and, prior to July 2025, CHEESEQUAKE TRADING LIMITED LLC, HMT Holdings Ltd., and T12 Associates, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Eligibility***: An employee must have completed six months of service to be eligible to become a participant in the Plan. Beginning January 1, 2025, part-time, temporary, or seasonal employees who complete at least 500 hours of service during two consecutive years (three consecutive years prior to January 1, 2025) are also eligible to participate in the Plan. Employees whose employment is covered by a collective bargaining agreement, leased employees, and nonresident aliens with no income from a U.S. source are not eligible to participate in the Plan. Employees may enter the Plan on the first day of the month following completion of the service requirement.

***Contributions***: Once eligible, participants may make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement of up to 100% of their compensation, subject to IRS limitations for the Plan year. The Plan provides for automatic enrollment and, accordingly, employees are treated as having elected to contribute 3% of their earnings as a pre-tax 401(k) contribution unless an election is made for a different amount, or an election is made not to participate. Automatic 1% contribution increases are provided at the beginning of each calendar year, up to 10%, unless otherwise elected or changed by the participant. Plan participants over the age of 50 are also permitted to make additional pre-tax and Roth catch-up contributions to a maximum of $7,500 in 2025. The Plan also permits rollover contributions from other qualified retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan.

The Company may make discretionary safe-harbor matching contributions, discretionary matching contributions, and other discretionary non-elective contributions. Discretionary safe-harbor matching contributions are equal to 100% of compensation deferred by participants up to 4% of Plan compensation for all eligible employees, subject to IRS limitations. Discretionary matching contributions and other discretionary non-elective contributions, if any, may be made for each Plan year in an amount determined by the Company and are allocated to each eligible employee who is employed on the last day of the Plan year. Discretionary matching contributions are determined annually and announced in advance of each Plan year. Other discretionary non-elective contributions are limited to only non-highly compensated employees. No discretionary matching contributions or discretionary non-elective contributions were made in 2025.

***Participant accounts***: Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be drawn from the participant's vested account.

***Vesting***: Participants are immediately vested in their voluntary and Company safe harbor matching contributions, plus actual earnings thereon. Vesting in Company discretionary matching and discretionary non-elective contributions is based on years of service with the Company, based on the following schedule:

| Years of Service | Vesting |
|---|---|
| 1 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 or more | 100% |

***Notes receivable from participants***: The Plan allows participants to obtain loans from the Plan. Loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of $50,000 or 50% of the participant's account balance with a minimum of $1,000, the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, in which case the loan is limited to a term of fifteen years. The loans are secured by the participant's entire account balance. The interest rate for each loan is based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances on the loan issuance date, as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

***Payment of benefits***: Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant that terminates employment whose vested account balance is less than $5,000 will be automatically distributed without the consent of the participant. Any account with a vested balance at the time of termination greater than $1,000, but less than $5,000, would be automatically rolled into an IRA in a direct rollover. Any account with a vested balance less than $1,000 would be automatically distributed directly to the participant. The Plan permits in-service withdrawals for participants who have attained age 59½. The plan also allows in-service withdrawals of employer contributions provided the participant has at least sixty (60) months of participation in the Plan. In the case of hardship, a participant may apply for a distribution as described in the Plan agreement.

***Forfeited accounts***: Forfeitures of non-vested accounts are to be used to reduce future employer matching contributions or for payment of plan administrative expenses. Forfeited nonvested accounts totaled $17,026 and $2,676 at December 31, 2025 and 2024, respectively. During 2025, amounts forfeited from accounts totaled $14,480 and forfeitures used to pay Plan expenses totaled $130. There were no forfeitures used to reduce employer matching contributions in 2025.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

***Basis of presentation***: The financial statements are prepared on the accrual basis of accounting.

***Use of estimates***: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

***Notes receivable from participants***: Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

***Investment valuation and income recognition***: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Benefits paid***: Benefit payments to participants are recorded when paid.

***Administrative expenses***: Substantially all administrative expenses are paid by the Plan, unless otherwise paid for by the Company, and are included in the statement of changes in net assets available for benefits.

***Subsequent events***: In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 2, 2026, the date the financial statements were available to be issued.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 **–** inputs to the valuation methodology include:

a) Quoted prices for similar assets or liabilities in active markets;
b) Quoted prices for identical or similar assets or liabilities in inactive markets;
c) Inputs other than quoted prices that are observable for the asset or liability;
d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 **-** inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

1. *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively-traded.

2. *Investments measured at net asset value*: A common/collective trust stable value fund which is composed primarily of fully benefit-responsive investment contracts. This fund is valued at the net asset value of units of the common/collective trust. The net asset value as provided by the trustee is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The issuer does not require a notification if the Plan initiates a full redemption of the collective trust. There were no unfunded commitments relating to this type of investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 21,272,797 | $ - | $ - | $ 21,272,797 |
| Total assets in the fair value hierarchy | 21,272,797 | - | - | 21,272,797 |
| Investments measured at net asset value [(a)] | | | | 766,319 |
| Investments at fair value | $ 21,272,797 | $ - | $ - | $ 22,039,116 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 17,439,553 | $ - | $ - | $ 17,439,553 |
| Total assets in the fair value hierarchy | 17,439,553 | - | - | 17,439,553 |
| Investments measured at net asset value [(a)] | | | | 792,417 |
| Investments at fair value | $ 17,439,553 | $ - | $ - | $ 18,231,970 |

(a) Certain investments that are measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

There were no Level 3 assets and no transfers between Levels 1 and 2 in 2025 and 2024.

## NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan, as adopted, is a non-standardized pre-approved plan, which does not require an application for a determination letter from the Internal Revenue Service ("IRS"). The non-standardized pre-approved plan has received a favorable opinion letter from the IRS dated June 30, 2020. The Plan has not individually sought its own determination letter. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for the income taxes has been included in the Plan's financial statements.

## NOTE 5 – INFORMATION CERTIFIED BY TRUSTEE

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regards to statements or information prepared and certified by Fidelity Management Trust Company. The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the trustee:

| | 2025 | 2024 |
|---|---|---|
| Investments, at fair value | $ 22,039,116 | $ 18,231,970 |
| Notes receivable from participants | 177,124 | 132,745 |
| | $ 22,216,240 | $ 18,364,715 |

| | |
|---|---|
| Additions to net assets: | |
| Interest and dividends | $ 650,194 |
| Net appreciation in fair value of investments | 2,614,361 |
| Interest income on notes receivable from participants | 10,441 |

## NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company, a related entity, is the trustee of the Plan's investments, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Usual and customary fees were paid by the mutual funds for the investment management services for 2025.

## NOTE 7 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**NOTE 8 – PLAN TERMINATION**

Although the Plan's management has not expressed any intent to do so, the sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA; however each participant would have a nonforfeitable right to his or her total account balance as of the date of termination.
