INDEPENDENT AUDITOR'S REPORT

September 29, 2026

To the Plan Administrator of
Care Design NY 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Care Design NY 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA
The supplemental Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the Care Design NY 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more information and a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to employees of Care Design NY, LLC (the Company) who meet certain eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Vanguard Group, Inc. (Vanguard) has subcontracted the recordkeeping services for the Plan to Ascensus, LLC (Ascensus). Ascensus Trust Company (Ascensus Trust), an affiliate of Ascensus, serves as the Plan's directed trustee and custodian.

Eligibility

Employees are eligible to participate in the Plan after attainment of the age 21 and completing six months of service, with entrance to the plan quarterly. In addition, to receive discretionary profit-sharing contributions, participants must be employed on the last day of the Plan year.

Contributions

Active participants may make voluntary pre-tax and Roth contributions in the form of salary deferrals up to the maximum amount permitted by the Internal Revenue Code (IRC) under Section 401(k). Eligible participants, who attain the age of 50 before or by the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. Effective January 1, 2025, the Plan adopted the enhanced catch-up contribution provisions of the SECURE 2.0 Act of 2022. Under these provisions, participants who attain ages 60 through 63 during the calendar year are eligible to make additional catch-up contributions up to the applicable IRC limit, which exceeds the standard catch-up contribution limit available to other eligible participants. Participant contributions are subject to annual IRS limitations and are adjusted periodically for inflation.

For the Plan years ended December 31, 2025 and 2024, the Company made non-elective safe harbor contributions equal to 3% of eligible participants' compensation. In addition, the Company may elect to make discretionary matching contributions. For the years ended December 31, 2025 and 2024, the Company matched 25% of eligible participants' deferrals, up to a maximum match of 1% of participant compensation. The Company may also make discretionary profit-sharing contributions to the Plan, as determined by the Board of Directors. No discretionary profit-sharing contributions were made during 2025 and 2024.

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

An account is maintained for each participant. The fair value of each participant's account is determined as of each valuation date. The change in the fair value of each participant's account includes the effect of employer and participant contributions, income collected or accrued, realized and unrealized appreciation or depreciation of assets, distributions, withdrawals, and all other transactions affecting the assets.

Net investment income by fund is allocated to each participant's account based on the portion in which the value of each participant's account bears to the total value of all participants' accounts. Participants may elect to transfer amounts between funds and change their allocations of contributions to the funds periodically. All investments are participant directed.

Vesting

Participants are immediately and fully vested in their voluntary contributions, the Company's non-elective safe harbor contributions and actual earnings or losses thereon. The Plan provides that all employer matching and profit-sharing contributions vest at a rate of 20% upon completion of two years of credited service and increase 20% for each additional service year, up to 100% upon completion of six years of credited service.

Benefits Paid to Participants

Upon retirement, permanent disability, death, or termination, a participant or their beneficiary will receive a lump-sum amount equal to the value of the participant's interest in his or her account. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a lump sum cash payout or IRA depending on the balance. Participants may elect to defer their distributions from the Plan until age 72½.

Hardship withdrawals are permitted in the event of immediate financial need. Participants may elect to receive a hardship withdrawal in an amount equal to the value of their vested account balance. Active participants may withdraw all or part of their share of each fund upon reaching age 59½ or earlier, if they suffer a financial hardship as described in the Plan Document.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of $50,000 or 50% of their vested account balance (reduced by the highest outstanding loan balance in the previous 12 months) and have a maximum of one outstanding loan. The minimum loan amount is $1,000. Notes receivable must generally be repaid over a period not longer than 5 years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%. Defaulted loans are deemed as distributions to the extent the law allows.

Forfeitures

Forfeitures of non-vested account balances are used to reduce the Company's contributions or to pay administrative expenses of the Plan. Approximately $52,800 and $200,700 in forfeitures were used to reduce the Company's contributions in 2025 and 2024, respectively. Unallocated forfeitures amounted to approximately $3,300 and $27,600 at December 31, 2025 and 2024, respectively.

Plan Administration Costs

Administrative expenses of the Plan are paid from assets of the Plan or by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company, as applicable.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement
Accounting Standards Codification (ASC) 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2: Inputs to the valuation methodology include:

    - Quoted prices for similar assets or liabilities in active markets;
    - Quoted prices for identical or similar assets or liabilities in inactive markets;
    - Inputs other than quoted prices that are observable for the asset or liability;
    - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4.

Payments of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties
The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Use of Estimates
The preparation of financial statements in accordance with generally accepted accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

3. CERTIFIED INVESTMENT INFORMATION

Ascensus, acting as an agent on behalf of Ascensus Trust, the Plan's directed trustee and custodian, has certified to the completeness and accuracy of the following information included in the financial statements and supplemental schedule:

	2025	2024
Investments, at fair value	$ 61,850,949	$ 48,523,730
Notes receivable from participants	$ 1,486,096	$ 1,265,600
Interest and dividends	$ 1,299,049	$ 1,057,574
Interest on notes receivable from participants	$ 124,798	$ 94,361
Net appreciation in fair value of investments	$ 8,359,347	$ 4,514,510

Schedule H, Line 4i Schedule of Assets (Held at End of Year) - Schedule I

4. FAIR VALUE MEASUREMENTS

The following tables summarize financial assets measured at fair value on a recurring basis as of December 31, 2025 and 2024, segregated by the level of the valuation inputs within the fair value hierarchy utilized to measure fair value:

	2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 61,187,751	$ -	$ -	$ 61,187,751
Money market fund	663,198	-	-	663,198
	$ 61,850,949	$ -	$ -	$ 61,850,949

4. FAIR VALUE MEASUREMENTS (Continued)

	2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 47,844,201	$ -	$ -	$ 47,844,201
Money market fund	679,529	-	-	679,529
	$ 48,523,730	$ -	$ -	$ 48,523,730

There were no changes to the valuation methodologies used during 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

- *Money market fund and registered investment companies*: valued at fair value using quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. TAX STATUS

The Plan adopted a pre-approved plan offered by Ascensus, LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST TRANSACTIONS

Ascensus, as an agent for Vanguard, is the recordkeeper of the Plan and Ascensus Trust serves as the Plan's directed trustee and custodian. As such, transactions between Ascensus, Vanguard, Ascensus Trust and the Plan qualify as party-in-interest transactions.

In addition, notes receivable from participants qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 29, 2026, which is the date the financial statements were available to be issued.
