INDEPENDENT AUDITORS' REPORT

Trustee and Plan Administrator
Allied Universal Health and Welfare Plan II

Report on the Financial Statements

Opinion

We have audited the financial statements of Allied Universal Health and Welfare Plan II (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of the Plan's benefit obligations of Allied Universal Health and Welfare Plan II as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and of changes in the Plan's benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allied Universal Health and Welfare Plan II and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allied Universal Health and Welfare Plan II's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

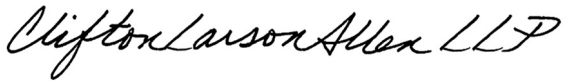

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allied Universal Health and Welfare Plan II's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allied Universal Health and Welfare Plan II's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 DESCRIPTION OF PLAN

The following description of Allied Universal Health and Welfare Plan II (formerly known as CDA, Inc. Health & Welfare Plan) (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established on March 1, 2021 to provide health and other benefits to eligible employees of CDA Inc DBA Maxsent. In May 2025, CDA Inc DBA Maxset was acquired by Allied Universal (the Company and/or Plan Sponsor) and the Plan name was changed effective September 9, 2025. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees hired on the first of the month are eligible to participate in the Plan on the first day of the month following one month of continuous employment. Employees hired on a date other than the first of the month will be covered on the first of the second following month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company makes bi-weekly contributions for participating employees covered under the Plan. For employees covered under contracts issued by federal, state, municipal, or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon an hourly funding formula. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents.

Benefits

The Plan provides medical and prescription drug coverage and dental coverage on a self-funded basis. The Plan carries a stop-loss insurance policy which covers aggregate claims in excess of the funding factor as specified in the contract. The Plan also provides vision, life, accidental death and dismemberment, and supplemental accident for eligible participants and their beneficiaries. The Plan provides these benefits through various annual contracts with insurance companies. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Contributions Receivable

Contributions are recognized in the month the hours are worked. Employer contributions due but not paid as of year-end are recorded as a receivable, presented net of an estimated reserve for uncollectible accounts. No allowance for uncollectible accounts was necessary as of December 31, 2025 and 2024.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Benefits are recorded when paid. Amounts due to claims administrators that have yet to be reimbursed by the Plan are recorded as benefit claims payable in the accompanying statement of plan's benefit obligations.

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2025, but paid by the Plan after year end.

Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2025, but reported to and paid by the Plan after year end. The estimates were calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2025, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, and other miscellaneous expenses.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan does not have any net taxable income for the year ended December 31, 2025, therefore, no tax is reflected in these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through October 1, 2026, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Management or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan’s participants.

NOTE 5 EXCESS LOSS COVERAGE

The Plan has entered into an excess loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The policies provide reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is a $1,000,000 limit on the maximum eligible claim expense under the policy. The insurance companies are responsible for paying claims incurred in excess of the funding factor account balance, which was $0 and $21,310 as of December 31, 2025 and 2024.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants from Plan assets and the Plan is subsequently reimbursed by the insurance company if the funding factor is exceeded. As of December 31, 2025 and 2024, there are $87,184 and $0, respectively, of reimbursements due from the insurance carrier.

NOTE 6 RISKS AND UNCERTAINTIES

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. The liability recorded is the Plan’s maximum exposure to the claims incurred but not reported. Should the Plan’s claims be lower than the amount deposited into the funding factor account, the Plan may be entitled to the residual balance in the funding factor account. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan’s financial statements to the Form 5500 as of December 31:

	2025	2024
Net Assets Available for Benefits per the Financial Statements	$ 224,075	$ 277,135
Benefit Obligations per the Financial Statements	(4,975)	(341,460)

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31:

	2025
Net Decrease in Net Assets Available for Benefits per the Financial Statements	$ (53,060)
Change in Benefit Obligations per the Financial Statements	336,485

Liabilities arising from the Plan's obligation to pay benefits are recorded in the statement of benefit obligations in the Plan's financial statements. The Form 5500 records these liabilities in the statements of net assets available for benefits.
