INDEPENDENT AUDITORS' REPORT

To the Trustees of
Dia Center for the Arts, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dia Center for the Arts, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dia Center for the Arts, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dia Center for the Arts, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dia Center for the Arts, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dia Center for the Arts, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dia Center for the Arts, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

LUTZ AND CARR
CERTIFIED PUBLIC ACCOUNTANTS, LLP

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIA CENTER FOR THE ARTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1 - Description of Plan

The following description of the Dia Center for the Arts, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a - General and Eligibility

The Plan is a defined contribution plan covering all employees of Dia Center for the Arts, Inc. (the “Company” and “Sponsor”) who have completed three months of service and are age twenty-one or older, excluding leased employees, non-resident aliens with no US source of income, employees hired for a set schedule with a fixed period of time of less than one year, and temporary employees with variable schedules before completion of one thousand hours of service within the eligibility computation period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b - Contributions

Each year, the Company makes matching contributions of up to 4% of gross salary on behalf of each eligible participating employee.

Participants may elect to contribute to the Plan up to the maximum allowable under the Internal Revenue Code (“IRC”). Participants may also designate all or a portion of their contributions as Roth contributions.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to the maximum allowable under the IRC. Participants reaching age 60-63 before the close of the Plan year may make catch-up contributions up to the higher limit allowed by the IRC. Beginning January 1, 2026, participants age 50 or older earning more than the maximum wage limit as determined annually by the IRC must designate catch-up contributions as Roth contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

c - Participant Accounts

Each participant’s account is credited with the Company’s contribution into various investment options offered by the Plan and net earnings by their related investments. The participants direct the investment of their Plan assets. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

d - Vesting

Participants are immediately vested in their voluntary contributions. A participant is 100% vested in non-elective employer contributions and matching employer contributions.

DIA CENTER FOR THE ARTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1 - Description of Plan (continued)

e - Payment of Benefits
Benefits may be withdrawn upon termination of employment, disability, after attaining normal retirement age, or upon plan termination. Normal retirement age under this plan is 65. Benefits may be paid as a lump sum or as an annuity form of payment. Withdrawals must be approved by the Plan Administrator. Terminated employees with vested account balances less than $7,000 are automatically paid out once a year.

f - Withdrawals
A participant may request a hardship withdrawal under certain conditions as specified in the Plan. Hardship withdrawals must be approved by the Plan administrator.

Beginning April 1, 2025, participants may make qualified birth or adoption distributions, domestic abuse withdrawals, qualified disaster distributions, and emergency expense withdrawals.

g - Participant Loans
Participants may borrow from their accounts a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loans bear a fixed, reasonable rate of interest based on prevailing interest rates. Loan repayments must be repaid within five years or will be subject to tax and penalties.

Note 2 - Summary of Accounting Policies

The following accounting policies, which conform with generally accepted accounting principles, have been used consistently in the preparation of the Plan’s financial statements:

a - Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

b - Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Money market balances are valued at cost, which equals current value. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 2 - Summary of Accounting Policies (continued)

c - Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management of the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

d - Participant Loans
Participant loans are measured at their unpaid principal balance plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans, if any, are reclassified as distributions based upon the terms of the Plan document.

e - Payment of Benefits
Benefits are recorded when paid.

f - Operating Expenses
All administrative expenses of maintaining the Plan are generally paid by the Sponsor.

g - Subsequent Events
The Sponsor has evaluated subsequent events through October 6, 2026, the date that the financial statements are considered available to be issued.

Note 3 - Certified Financial Information

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Fidelity Management Trust Company, the custodian of the Plan, has certified as to the completeness and accuracy of the investments and participant loans totaling $11,813,898 and $10,115,197 as of December 31, 2025 and 2024, respectively, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Note 4 - Fair Value Measurements

FASB ASC 820, "Fair Value Measurements and Disclosures", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from and corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes from valuation methodologies used in prior years:

Money Market Accounts
The carrying amount approximates fair value because of the short-term maturity of these instruments.

Note 4 - Fair Value Measurements (continued)

Mutual Funds
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan Sponsor is responsible for the determination of fair value. Accordingly, it performs periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the Plan Sponsor has not historically adjusted the prices obtained from the pricing services.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025

Note 5 - Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate sections of the Internal Revenue Code ("IRC"), and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has adopted a prototype plan through Fidelity Investments that is qualified by the Internal Revenue Service and a determination letter separately filed is not mandatory by the Plan Sponsor. The Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management believes that it has appropriate support for any tax positions taken and does not have any uncertain tax positions that are material to the financial statements. The Plan's tax returns are generally subject to examination by taxing authorities for a period of three years from the date of filing.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - Party-in-Interest Transactions

Plan investments are mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company acts as trustee for those investments, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees totaling $12,694 were paid directly to Fidelity Management Trust Company from the Plan during the plan year.

Note 8 - Reportable Transactions

The Plan has individual Plan assets that exceed 5% of current Plan assets, however, these assets are participant directed and are under participant control, therefore, no schedule of reportable transactions is required with respect to them.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Dia Center for the Arts, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dia Center for the Arts, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dia Center for the Arts, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dia Center for the Arts, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dia Center for the Arts, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dia Center for the Arts, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dia Center for the Arts, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

LUTZ AND CARR
CERTIFIED PUBLIC ACCOUNTANTS, LLP

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIA CENTER FOR THE ARTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1 - Description of Plan

The following description of the Dia Center for the Arts, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a - General and Eligibility

The Plan is a defined contribution plan covering all employees of Dia Center for the Arts, Inc. (the “Company” and “Sponsor”) who have completed three months of service and are age twenty-one or older, excluding leased employees, non-resident aliens with no US source of income, employees hired for a set schedule with a fixed period of time of less than one year, and temporary employees with variable schedules before completion of one thousand hours of service within the eligibility computation period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b - Contributions

Each year, the Company makes matching contributions of up to 4% of gross salary on behalf of each eligible participating employee.

Participants may elect to contribute to the Plan up to the maximum allowable under the Internal Revenue Code (“IRC”). Participants may also designate all or a portion of their contributions as Roth contributions.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to the maximum allowable under the IRC. Participants reaching age 60-63 before the close of the Plan year may make catch-up contributions up to the higher limit allowed by the IRC. Beginning January 1, 2026, participants age 50 or older earning more than the maximum wage limit as determined annually by the IRC must designate catch-up contributions as Roth contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

c - Participant Accounts

Each participant’s account is credited with the Company’s contribution into various investment options offered by the Plan and net earnings by their related investments. The participants direct the investment of their Plan assets. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

d - Vesting

Participants are immediately vested in their voluntary contributions. A participant is 100% vested in non-elective employer contributions and matching employer contributions.

DIA CENTER FOR THE ARTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1 - Description of Plan (continued)

e - Payment of Benefits
Benefits may be withdrawn upon termination of employment, disability, after attaining normal retirement age, or upon plan termination. Normal retirement age under this plan is 65. Benefits may be paid as a lump sum or as an annuity form of payment. Withdrawals must be approved by the Plan Administrator. Terminated employees with vested account balances less than $7,000 are automatically paid out once a year.

f - Withdrawals
A participant may request a hardship withdrawal under certain conditions as specified in the Plan. Hardship withdrawals must be approved by the Plan administrator.

Beginning April 1, 2025, participants may make qualified birth or adoption distributions, domestic abuse withdrawals, qualified disaster distributions, and emergency expense withdrawals.

g - Participant Loans
Participants may borrow from their accounts a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loans bear a fixed, reasonable rate of interest based on prevailing interest rates. Loan repayments must be repaid within five years or will be subject to tax and penalties.

Note 2 - Summary of Accounting Policies

The following accounting policies, which conform with generally accepted accounting principles, have been used consistently in the preparation of the Plan’s financial statements:

a - Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

b - Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Money market balances are valued at cost, which equals current value. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

DIA CENTER FOR THE ARTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 2 - Summary of Accounting Policies (continued)

c - Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management of the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

d - Participant Loans
Participant loans are measured at their unpaid principal balance plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans, if any, are reclassified as distributions based upon the terms of the Plan document.

e - Payment of Benefits
Benefits are recorded when paid.

f - Operating Expenses
All administrative expenses of maintaining the Plan are generally paid by the Sponsor.

g - Subsequent Events
The Sponsor has evaluated subsequent events through October 6, 2026, the date that the financial statements are considered available to be issued.

Note 3 - Certified Financial Information

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Fidelity Management Trust Company, the custodian of the Plan, has certified as to the completeness and accuracy of the investments and participant loans totaling $11,813,898 and $10,115,197 as of December 31, 2025 and 2024, respectively, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Note 4 - Fair Value Measurements

FASB ASC 820, "Fair Value Measurements and Disclosures", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from and corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes from valuation methodologies used in prior years:

Money Market Accounts
The carrying amount approximates fair value because of the short-term maturity of these instruments.

Note 4 - Fair Value Measurements (continued)

Mutual Funds
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan Sponsor is responsible for the determination of fair value. Accordingly, it performs periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the Plan Sponsor has not historically adjusted the prices obtained from the pricing services.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025			
	Total	Level 1	Level 2	Level 3
Mutual Funds - Registered Investment Companies				
Retirement Target Date	$ 6,592,849	$ 6,592,849	$ -	$ -

Note 5 - Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate sections of the Internal Revenue Code ("IRC"), and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has adopted a prototype plan through Fidelity Investments that is qualified by the Internal Revenue Service and a determination letter separately filed is not mandatory by the Plan Sponsor. The Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management believes that it has appropriate support for any tax positions taken and does not have any uncertain tax positions that are material to the financial statements. The Plan's tax returns are generally subject to examination by taxing authorities for a period of three years from the date of filing.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - Party-in-Interest Transactions

Plan investments are mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company acts as trustee for those investments, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees totaling $12,694 were paid directly to Fidelity Management Trust Company from the Plan during the plan year.

Note 8 - Reportable Transactions

The Plan has individual Plan assets that exceed 5% of current Plan assets, however, these assets are participant directed and are under participant control, therefore, no schedule of reportable transactions is required with respect to them.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
