The undersigned ("We") are providing this letter in connection with Forvis Mazars' audits of the financial statements of Morton Buildings, Inc. Leveraged Employee Stock Ownership Plan (Leveraged ESOP) as of and for the period ended November 1, 2025 and year ended December 31, 2024 (Plan).

Our representations are current and effective as of the date of Forvis Mazars' report: September 15, 2026.

Our engagement with Forvis Mazars is based on our contract for services dated: May 28, 2026.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to Forvis Mazars' report in conformity with accounting principles generally accepted in the United States of America in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of Forvis Mazars' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
    a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
    b. Internal control to prevent and detect fraud.
3. We have provided you with:
    a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
    b. The most current Plan instrument for the audit period, including all Plan amendments.
    c. A draft of the Form 5500 that is substantially complete.
    d. Additional information that you have requested from us for the purpose of the audit.
    e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
    f. All minutes of benefit plan committee meetings held through the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared. All unsigned copies of minutes provided to you are copies of our original minutes approved by the benefit plan committee, if applicable, and maintained as part of our records.
    g. All significant contracts.
4. We have disclosed to you all instances in which artificial intelligence (AI) systems or tools were used related to financial reporting, internal controls, and other processes relevant to the financial statements. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls related to the use of AI.
5. We acknowledge the Plans do not meet the definition of a "public entity" under generally accepted accounting principles.
6. We have responded fully and truthfully to all your inquiries.

Plan Design & Operations

7. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

8. The adoption date of the most recent plan amendment was November 1, 2025 as provided to you.

9. The Leveraged ESOP obtained its latest determination letter on September 12, 2018, in which the Internal Revenue Service stated that the Leveraged ESOP, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Leveraged ESOP has been amended since receiving the determination letter. However, we believe that the Leveraged ESOP was designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Leveraged ESOP was qualified, and the related trust was tax-exempt as of the financial statement date.

10. The Plan has complied with the fidelity bonding requirements of ERISA.

11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.

12. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plans' service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.

13. As applicable, we have complied with the DOL's regulations concerning the services provider fee disclosures in accordance with Section 408(b)(2).

Misappropriation, Misstatements, & Fraud

14. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:

    a. Misappropriation of assets.
    b. Misrepresented or misstated assets or liabilities.

15. We have no knowledge of fraud or suspected fraud affecting the Plans involving:

    a. Management or employees who have significant roles in internal control over financial reporting, or
    b. Others when the fraud could have a material effect on the financial statements.

16. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.

17. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.

Related Parties & Parties-in-Interest

18. We have disclosed to you the identity of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships of which we are aware.

    In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the year under audit, as well as new related-party transaction agreements that were executed during the year under audit.

    Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

19. We understand that the term related-party refers to:

    - Affiliates
    - Entities for which investments are accounted for by the equity method
    - Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management
    - Principal owners and members of their immediate families
    - Management and members of their immediate families
    - Any other party with which the Plan may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

    Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

    The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

Litigation, Laws, Rulings & Regulations

20. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

21. We have no knowledge of communications, other than those specifically disclosed, from regulatory agencies, governmental representatives, employees, or others concerning investigations or allegations of noncompliance with laws and regulations, deficiencies in financial reporting practices, or other matters that could have a material adverse effect on the financial statements.

22. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements or as a basis for recording a loss contingency.

23. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.

Nonattest Services

24. You have provided nonattest services, including the following, during the period of this engagement:

    - Preparing a draft of the financial statements and related notes

25. With respect to these services:

    a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
    b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
    c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
    d. We have evaluated the adequacy of the services performed and any findings that resulted.
    e. We have established and maintained internal controls, including monitoring ongoing activities.
    f. When we receive final deliverables from you we will store those deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Financial Statements & Reports

26. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audits of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

Transactions, Records, & Adjustments

27. All transactions have been recorded in the accounting records and are reflected in the financial statements.

28. We have everything we need to keep our books and records.

29. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions.

30. There are no uncorrected misstatements or omitted disclosures.

Accounting & Disclosure

31. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.

32. Except as reflected in the financial statements, there are no:

    a. Plans or intentions that may materially affect carrying values of assets, liabilities or net assets.

    b. Material transactions omitted or improperly recorded in the financial records.

    c. Material unasserted claims or assessments that are probable of assertion or other gain/loss contingencies requiring accrual or disclosure in accordance with Accounting Standards Codification (ASC) Topic 450, *Contingencies*, including those arising from environmental remediation obligations.

    d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter, which is the date the financial statements were available to be issued, requiring adjustment or disclosure in the financial statements.

    e. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.

33. Except as disclosed in the financial statements, the Plan has:

    a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.

    b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

Estimates

34. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.

Fair Value

35. With respect to the fair value measurements of financial assets and liabilities, recognized in the financial statements or disclosed in the notes thereto:

    a. The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated course of action.

    b. The measurement methods and significant assumptions used in determining fair value are appropriate in the circumstances for financial statement measurement and disclosure purposes and have been consistently applied.

    c. The significant assumptions appropriately reflect market participant assumptions.

    d. The disclosures related to fair values are complete, adequate, and in conformity with accounting principles generally accepted in the United States of America.

    e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

Investments

36. Investments are properly measured at fair value.

Independent Auditor's Report

Plan Administrator and Benefit Plan Committee
Morton Buildings, Inc. Leveraged Employee
Stock Ownership Plan
Morton, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Morton Buildings, Inc. Leveraged Employee Stock Ownership Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 1, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period ended November 1, 2025 and the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 1, 2025 and December 31, 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, effective November 1, 2025, the Plan was amended and restated and merged into the Morton Buildings, Inc. 401(k) and ESOP Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

General

The following brief description of Morton Buildings, Inc. Leveraged Employee Stock Ownership Plan (Plan) provides only general information. Participants should refer to the Plan document and *Summary Plan Description* for a more complete description of the Plan's provisions.

Morton Buildings, Inc. (Company) established the Plan effective as of January 1, 2017. The Plan operated as a leveraged employee stock ownership plan (ESOP) and was designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (Code), and was subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was administered by a benefit plan committee appointed by the Company's Board of Directors. Argent Trust Company was the custodian, and Blue Ridge ESOP Associates was the recordkeeper of the Plan.

On May 8, 2017, the Plan purchased 2,005,662 shares of the Company's common stock using the proceeds of borrowings, as more fully described in Note 5, and held the stock in a trust established under the Plan. Company common stock shares totaling 1,956,992 and 48,670 were purchased at $75.25 and $10.75 per share for $147,263,648 and $523,229, respectively, totaling $147,786,877. The reduced share price between the Plan and Company was due to a decrease in the fair market value of the Company's shares following the issuance of debt to finance the $147,263,648 portion of the transaction. The borrowings were scheduled to be repaid over a period of 30 years through Company contributions to the trust fund. As the Plan made each payment of principal and interest, an appropriate percentage of stock was allocated to eligible employees' accounts in accordance with applicable regulations under the Code.

Effective November 1, 2025, the Plan was amended and restated and merged into the Morton Buildings, Inc. 401(k) and Employee Stock Ownership Plan. Upon the merger, all assets and liabilities of the Plan were transferred to the Morton Buildings, Inc. 401(k) and Employee Stock Ownership Plan. The net assets available for benefits of $154,739,281 is reflected as a transfer in the statement of changes in net assets available for benefits for the period ended November 1, 2025.

Unallocated and Allocated Shares

The borrowing was collateralized by the unallocated shares of common stock and was guaranteed by the Company. The lender had no rights against shares once they were allocated to participants in accordance with the terms of the ESOP. Accordingly, the financial statements of the Plan as of November 1, 2025 and December 31, 2024, and for the period and year then ended present separately the assets and liabilities and changes therein pertaining to:

1. The accounts of employees with vested rights in allocated common stock (Allocated), and

2. Common stock not yet allocated to employees (Unallocated)

Eligibility

Employees of the Company were eligible to participate in the Plan after 90 days of service and attaining the age of 18 during such Plan year. Participants who did not have at least 1,000 hours of service during such Plan year or were not employed on the last working day of a Plan year were not eligible for an allocation of Company contributions for such year. Effective January 1, 2024, the Plan was amended to allow employees who terminated employment as part of the Voluntary Early Retirement Program in the fourth quarter of 2024 to receive an allocation for the 2024 Plan year only.

Employer Contributions

The Company was obligated to make contributions in cash to the Plan which, when aggregated with the Plan's dividends and interest earnings, equaled the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its term loan.

Participant Accounts

The Plan was a defined contribution plan under which a separate individual account was established for each participant. Each participant's account was credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the custodian from the unallocated account and forfeitures of terminated participants' nonvested accounts. Only those participants who were eligible employees of the Company as of the last day of the Plan year would receive an allocation. Allocations were based on a participant's eligible compensation, relative to total eligible compensation. Employer contributions were allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Plan earnings were allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances.

Vesting

Vesting in the Company's contribution portion of their accounts plus earnings thereon was based on years of service. A participant was fully vested after 3 years of service. The nonvested balance was forfeited upon termination of service and a five year break in service or at the time of distribution, whichever is sooner. Participants terminating due to normal retirement, death or disability would be 100 percent vested. Forfeitures were used to reduce Company contributions and were allocated among active participants based upon compensation.

Put Option

Under federal income tax regulations, the employer stock that was held by the Plan and its participants and was not readily tradable on an established market or was subject to trading limitations included a put option. The put option was a right to demand that the Company buy any shares of its stock distributed to participants for which there was no market. The put price was representative of the current appraised value of the stock. The Company could pay for the purchase with interest over a period of five years. The purpose of the put option was to ensure the participant had the ability to ultimately obtain cash.

Payment of Benefits

Benefit payments to participants were recorded upon distribution. No distributions from the Plan would be made until a participant retired, died (in which case, payment would be made to the participant's beneficiary or, if none, his or her legal representatives), or otherwise terminated employment with the Company. Distributions were made in lump sum or installment payments as soon as reasonably practicable in the Plan year in which the participant's separation from service occurred.

At December 31, 2024, $613,783 of Plan assets were allocated to accounts of terminated or retired participants who had elected to withdraw from the Plan but had not yet been paid.

Under the provisions of the Plan, the Company was obligated to repurchase participant shares, which had been distributed under the terms of the Plan if the shares were not publicly traded or if the shares were subject to trading limitations. During 2024, the Plan distributed and the Company repurchased from participants 24,325 shares, at the most recent appraised value, all of which were recycled within the Plan by allocating to the remaining participants at December 31, 2024.

Voting Rights

Each participant was entitled to exercise voting rights attributable to the shares allocated to his or her account and was notified by the custodian prior to the time that such rights were to be exercised. The custodian was not permitted to vote any allocated share for which a participant had not given instructions. The custodian was required, however, to vote any unallocated shares on behalf of the collective best interest of the Plan participants and beneficiaries.

Diversification

Diversification was offered to participants close to retirement so that they had the opportunity to move part of the value of their investment in Company common stock into investments which were more diversified. Participants who were at least age 55 with at least 10 years of participation in the Plan could have elected to diversify a portion of their account. Diversification was offered to each eligible participant over a six-year period. In each of the first five years, a participant could diversify up to 25 percent of the number of shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changed to 50 percent. Participants who elected to diversify received a cash distribution, unless eligible for floor price protection, in which case, shares were distributed. As the Plan had only been in existence since January 1, 2017, no participants were eligible for diversification.

Forfeitures

Plan forfeitures were allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated nonvested account balances allocated to remaining participants at December 31, 2024 totaled $458,579.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The common shares of the Company were valued at estimated fair value. Fair value was determined by annual independent appraisals. The money market fund was valued at the net asset value (NAV) of shares held by the Plan at year-end.

Purchases and sales of the money market fund were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation in fair value of investments included the Plan's gains and losses on Company stock bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses could be paid by the Company or the Plan, at the Company's discretion. The Company paid the administrative expenses of the Plan for 2025 and 2024.

Note 3. Administration of Plan Assets

The custodian of the Plan held the Plan's assets, which consisted of the Company common shares and money market fund.

Company contributions were held and managed by the custodian, which invested cash received and made distributions to participants. The custodian also administered the payment of interest and principal on the loans, which was reimbursed to the custodian through contributions as determined by the Company.

Officers or employees of the Company performed certain administrative functions. No such officer or employee received compensation from the Plan.

Note 4. Investments

The Plan's investment in Morton Buildings, Inc. common stock at December 31, 2024, is presented in the following table:

	2024

Fair value	$ 78,176,828	$ 190,200,804

The Plan's investment in the money market fund at December 31, 2024, is presented in the following table:

Fair value	$ 2,028,004	$ -

Note 5. Loans Payable

Effective May 8, 2017, the Plan entered into three term loan agreements, as follows:

- $132,277,461 with the Company, payable in annual payments of $6,532,446, including interest at a rate of 2.75 percent, beginning in 2017, with the final payment due in 2046
- $14,986,187 with a former shareholder, payable in annual payments of $974,873, including interest at a rate of 5.00 percent, beginning in 2017, with the final payment due in 2046. Effective October 2017, this loan was purchased by the Company from the former shareholder at the same terms.
- $523,229 with the Company, payable in annual payments of $25,839, including interest at a rate of 2.75 percent, beginning in 2017, with the final payment due in 2046

The proceeds of the loans were used to purchase the Company's common stock. Unallocated shares were collateral for the loans. Shares were released from collateral and allocated to participants as payments of principal and interest were made or committed for release by the Company. The number of shares released in any year was the number of shares held as collateral times the ratio of the current year payments or committed for release payments divided by the total of the year's payments or committed for release payments, plus all future years' principal and interest payments. This resulted in 64,610 shares being released and allocated for the Plan year ended December 31, 2024. No shares were allocated prior to the transfer of net assets for the period ended November 1, 2025.

The balance due at December 31, 2024 on each of the three loans was $100,647,842, $11,844,339, and $418,342, totaling $112,910,523. The remaining balance on the loans was transferred on November 1, 2025 pursuant to the plan merger described further in Note 1.

Note 6. Disclosures about Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2024:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2024				
Money market fund	$ 2,028,004	$ 2,028,004	$ -	$ -
Morton Buildings, Inc. common stock	268,377,632	-	-	268,377,632
	$ 270,405,636	$ 2,028,004	$ -	$ 268,377,632

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended November 1, 2025 or the year ended December 31, 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. See the table below for inputs and valuation techniques used for Level 3 securities.

Level 3 Activity

Activity is as follows:

	Morton Buildings, Inc. Common Stock
2025	
Transferred	$(268,377,632)
2024	
Recycled	$ 3,690,171
Sales	$ (3,690,171)

Unobservable Level 3 Inputs

The following table presents quantitative information about unobservable inputs used in the recurring Level 3 fair value measurements at December 31, 2024:

	Fair Value at December 31, 2024	Valuation Technique	Unobservable Inputs
Common stock - Company	$ 268,377,632	Discounted cash flow	Weighted-average cost of capital Sales growth rate EBITDA multiple Discount for lack of marketability
		Guideline on public company comparables	Sales growth rate EBITDA multiple Discount for lack of marketability

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7. Certification of the Plan Custodian

The Plan administrator elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Argent Trust Company, a qualified institution, certified the following investment information included in the accompanying financial statements is complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2024
- Investment income (loss) as shown in the Statements of Changes in Net Assets Available for Benefits for the period ended November 1, 2025 and year ended December 31, 2024

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

Note 8. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions included those with fiduciaries or employees of the Plan, any person who provided services to the Plan, an employer whose employees were covered by the Plan, a person who owned 50 percent or more of such an employer, or relatives of such persons.

The Plan invested in Company common stock and had indebtedness guaranteed by the Company. The Plan had a number of service providers. Such providers were parties in interest under ERISA.

The Company provided certain administrative services at no cost to the Plan.

Note 9. Tax Status

The Plan had received a determination letter from the Internal Revenue Service dated September 12, 2018, stating that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan was amended since receiving the determination letter. However, the Plan Administrator believed that the Plan and related trust were designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10. Subsequent Events

Subsequent events have been evaluated through September 15, 2026, which is the date the financial statements were available to be issued.
