INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Yellowjacket Oilfield Services 401(k) Plan
Kilgore, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Yellowjacket Oilfield Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Yellowjacket Oilfield Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yellowjacket Oilfield Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowjacket Oilfield Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yellowjacket Oilfield Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowjacket Oilfield Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Yellowjacket Oilfield Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Yellowjacket Oilfield Services, LLC (the "Company"). The Company is the Plan Sponsor. Employees of the Company are eligible to participate in the Plan on the next entry date after attainment of age eighteen (18) and completion of three (3) months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Participants may elect to make pre-tax contributions and after-tax contributions ("Roth") from eligible compensation not to exceed the limits of the Internal Revenue Service ("IRS") Code Section 401(k). In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans ("rollovers"). The Company may make discretionary matching contributions to the Plan as determined annually by the Company. In 2025, discretionary matching contributions were made equal to 100% of participant elective deferrals up to 4% of participant compensation. Matching contributions made for the year ended December 31, 2025 were $499,685. The Company may also make a non-elective, profit-sharing contribution. The Company did not make any profit-sharing contributions to the Plan in 2025.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and the Company matching and profit-sharing contributions. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in participant and rollover contributions and actual earnings thereon. For participants hired before January 1, 2023, employer matching contributions are 100% vested. For participants hired on or after January 1, 2023, employer matching contributions cliff vest fully after one year. Vesting of employer nonelective contributions is as follows:

Vesting Schedule

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Full vesting also occurs at normal retirement age (65), total and permanent disability, death, or plan termination.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loans bear a reasonable rate of interest as determined by the Plan Administrator through a nondiscriminatory manner. As of December 31, 2025 and 2024, notes were secured by the balance in the participant's account and interest rates on such loans ranged from 5.00% - 10.50%. Principal and interest are paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive their vested benefit in a lump-sum cash payment, a direct rollover to a qualified IRA or another tax-qualified plan, partial withdrawals, or equal installments. A participant must be age 59 ½ or have incurred a financial hardship, as defined in the Plan provisions, to qualify for an in-service distribution.

FORFEITURES

Forfeitures may be used to pay Plan expenses and reduce employer contributions. During the year ended December 31, 2025, $25,151 of Plan forfeiture amounts were used to reduce employer contributions. At December 31, 2025 and 2024, unallocated forfeitures totaled $-0-.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors, the custodian, and the insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

CONTRIBUTIONS

Contributions from the Plan participants and contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

EMPLOYER CONTRIBUTION RECEIVABLES

Amounts receivable to the Plan due to current and prior year corrective contributions not yet made are recorded as receivables in the accompanying financial statements. At January 1, 2024, prior year corrective contributions not yet made amounted to $161,564. During the year ended December 31, 2024, $161,564 of corrective contributions deposited into the Plan reduced the receivables account. During the year ended December 31, 2024, additional corrective contributions and lost earnings were identified, resulting in a receivable at December 31, 2024 of $488.

During the year ended December 31, 2025, $488 of corrective contributions deposited into the Plan reduced the receivables account. During the year ended December 31, 2025, additional corrective contributions and lost earnings were identified, and the remaining unfunded corrective contributions as of December 31, 2025 amounted to $18,992 and is recorded as other receivables and other contributions in the accompanying financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts invest its assets in the shares or units of an underlying mutual fund, and the investment objective of each subaccount corresponds to the investment objective of the underlying fund. Certain underlying investment funds are considered open-end mutual funds, meaning the that the fund is ready to redeem its shares at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. These investments have a readily determinable fair value and are classified within Level 2 of the valuation hierarchy.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31, 2025 and 2024.

Fair Value Measurements at December 31, 2025

	Level 2	Total
Pooled separate accounts	$ 9,839,152	$ 9,839,152
Total investments at fair value	$ 9,839,152	$ 9,839,152

Fair Value Measurements at December 31, 2024

	Level 2	Total
Pooled separate accounts	$ 8,356,333	$ 8,356,333
Total investments at fair value	$ 8,356,333	$ 8,356,333

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held and notes receivable from participants at December 31, 2025 and 2024, net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by Minnesota Life Insurance Company, the Custodian.

	2025	2024
Investments at fair value	$ 9,839,152	$ 8,356,333
Notes receivable from participants	334,681	288,552
	$ 10,173,833	$ 8,644,885
Investment income (including interest income on notes receivable from participants)	$ 1,542,579	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Investment securities held by the Plan are managed by The Standard, which is a related entity of the Custodian. Accordingly, transactions with both of these entities qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan Sponsor has adopted a prototype plan which received a favorable tax determination letter dated June 30, 2020 from the IRS that it qualifies under Section 401(a) of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

NOTE 7 - TAX STATUS - CONTINUED

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - CORRECTION OF OPERATIONAL ERRORS AND ERISA VIOLATIONS

During the year ended December 31, 2025, participant contributions and employer match contributions amounting to $56 were not remitted to the Plan. These amounts were not paid by the end of 2025 and are included within other receivables on the accompanying financial statements. Of this amount, participant contributions of $31 and associated lost earnings were not deposited timely by DOL guidelines. This will be included on the Schedule of Delinquent Contributions.

During the year ended December 31, 2025, participant contributions and employer match contributions were not withheld on instances of eligible compensation. This resulted in $1,017 of corrective contributions, as well as lost earnings of $216 to be made by the Plan Sponsor. These amounts were not paid by the end of 2025 and are included within employer contribution receivables on the accompanying financial statements.

During the year ended December 31, 2025, $17,703 of participant forfeitures were determined to be incorrectly forfeited. Prior to this determination, Plan management had already used the balance in the account to offset qualified expenses. To reinstate these forfeitures, the Plan Sponsor will make corrective contributions of $17,703, as well as lost earnings as applicable, to the Plan. The forfeitures were not reinstated by the end of 2025 and is accrued as employer contribution receivables on the accompanying financial statements.

In addition to the errors noted above, the Plan previously had participant deferrals which were not deposited into the Plan within the timeline required by the IRS and DOL guidelines, which constitutes nonexempt prohibited transactions. These late remittances are summarized in the Schedule of Delinquent Contributions by year. During 2025, the associated lost earnings were remitted by the Plan Sponsor following the Department of Labor guidelines for late deposits.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events were evaluated through September 25, 2026, which is the date the financial statements were available to be issued.
