# INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator of
Curry Supply Company, Inc. 401(k) Profit Sharing Plan
Altoona, Pennsylvania

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Curry Supply Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Curry Supply Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Curry Supply Company, Inc. 401(k) Profit Sharing Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Curry Supply Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103 (a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Curry Supply Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Curry Supply Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 PLAN DESCRIPTION

The following description of the Curry Supply Company, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document as well as the Summary Plan Description for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan in accordance with Section 401(k) of the Internal Revenue Code covering substantially all employees of Curry Supply Company, Inc., and related participating employers including Curry Supply Holdings, Inc., Curflo, Inc., CS Trucking LLC, Central Hydraulics, Inc. d/b/a Curry Fluid Power, Inc., Curry Rail Services, Inc., and Curry Designs, Inc. (collectively the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Eligibility*

Employees who are at least nineteen (19) years of age become eligible to participate in the deferral and match features of the Plan upon completion of five hundred (500) hours of service within six (6) consecutive months from the employee's commencement date. If an employee does not complete the stated Hours of Service during the specified time period, the employee must complete one (1) year of service before eligibility requirements are met. Employees are credited with a Year of Service at the end of the twelve (12) month period beginning on the employee's date of hire if the employee has attained at least one thousand (1,000) Hours of Service during such period. The entry date for newly eligible employees is the first day of the Plan Year quarter coinciding with or next following the date eligibility requirements are met.

To become eligible to share in the Company's non-elective profit sharing contribution, employees must be at least twenty-one (21) years of age and must have completed a Year of Service during the plan year and be employed on the last day of the Plan Year. Participants are able to share in the profit sharing contribution regardless of whether the participant met the service requirement in the event of death, permanent disability, or early or normal retirement.

*Contributions*

Each year, participants may contribute up to ninety percent (90%) of annual compensation, as defined in the Plan, not to exceed certain IRS limits. Participants may also designate all or a portion of their elective deferrals as after-tax Roth elective deferrals. The Plan has adopted a Qualified Automatic Contribution Arrangement and Safe Harbor Contribution design for the Plan, which means that the Plan automatically complies with the nondiscrimination requirements of Internal Revenue Code Section 401. Therefore, the Company will withhold six percent (6%) of compensation in the form of employee deferral contributions, except for those participants who have a salary deferral agreement in effect for each payroll period and contribute that amount to the Plan as a Pre-Tax 401(k) deferral. The Company will also make a safe harbor matching contribution equal to one hundred percent (100%) of the participant's elective deferrals that do not exceed one percent (1%) of compensation plus fifty percent (50%) of participant's elective deferrals between one percent (1%) and six percent (6%) of participant compensation.

Participants who have attained age fifty (50) by the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Contributions to the Plan are recorded in the period that payroll deductions are made from participants. Company contributions are accrued based upon the period those contributions relate to.

*Participant Accounts*

Each participant's account is credited with (a) the participant's contribution and related employer matching contribution, (b) an allocation of the Company's discretionary matching and profit sharing contribution, if any, and (c) an allocation of investment earnings and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting*

Participants are always fully vested in their voluntary contributions, rollover contributions, and any earnings thereon. Vesting in the remainder of their account (including employer matching and employer profit sharing contributions) is earned in accordance with the following schedule:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 1 Year | 0% |
| 1 Year | 20% |
| 2 Years | 40% |
| 3 Years | 60% |
| 4 Years | 80% |
| 5 or More Years | 100% |

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant retires, becomes permanently disabled, or dies.

This safe harbor matching contribution is subject to the following vesting schedule:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 2 Years | 0% |
| 2 or More Years | 100% |

*Payment of Benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum, substantially equal installments, or partial withdrawals equal to the value of the participant's vested interest in his or her account. For balances less than $5,000, the Company may distribute amounts to participants in the form of a lump sum without consent. In-service withdrawals are also permitted for participants who have attained the age of fifty-nine and a half (59 ½) from all accounts, subject to a $500 minimum distribution. The Plan also maintains a provision for hardship withdrawals, which are permitted from all accounts subject to a $500 minimum.

*Forfeitures*

Forfeitures may first be used to reduce plan administrative expenses. Any remaining forfeitures may be used to reduce employer contributions to the Plan. Forfeited non-vested balances amounted to $592 and $7,396 as of December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, forfeitures amounting to $34,442 were used to reduce employer matching contributions.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a description of fair value measurements.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Notes Receivable from Participants*

Participant loans are not permitted according to the terms of the plan document.

*Administrative Expenses*

Administrative expenses are paid by the Plan through the use of forfeitures or by the Company.

*Payment of Benefits*

Benefit payments to participants are recorded when paid.

## NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3 – Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

*Registered Investment Companies:* Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

*Common/Collective Trust:* Valued at the NAV of shares held by the Plan at year end adjusted for any cash held for liquidity purposes and any fees imposed by the fund. The net asset value per unit is determined by dividing the net assets by the number of units outstanding on the day of valuation. The net asset value of the fund is determined daily. Units are issued and redeemed daily, at the daily net asset value. Also, the net investment income and realized and unrealized gains on investments are not distributed.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, a summary of the Plan’s investments measured at fair value on a recurring basis as follows:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| *As of December 31, 2025* | | | | |
| Registered Investment Companies | $ 30,338,759 | $ --- | $ --- | $ 30,338,759 |
| Total Investments in the Fair Value Hierarchy | $ 30,338,759 | $ --- | $ --- | 30,338,759 |
| Common/Collective Trust measured at Net Asset Value (a) | | | | 243,150 |
| Total Investments | | | | $ 30,581,909 |

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| *As of December 31, 2024* | | | | |
| Registered Investment Companies | $ 23,650,465 | $ --- | $ --- | $ 23,650,465 |
| Total Investments in the Fair Value Hierarchy | $ 23,650,465 | $ --- | $ --- | 23,650,465 |
| Common/Collective Trust measured at Net Asset Value (a) | | | | 220,564 |
| Total Investments | | | | $ 23,871,029 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Investments Whose Fair Value is Calculated Using Net Asset Value Per Share

The following table sets forth additional disclosures for the investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2025 and 2024. The disclosures describe the nature and risks associated with such investments as well as whether it's probable those investments will be sold at amounts different from their reported net asset value per share based on redemption restrictions, if any.

| | 2025 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
| Common/Collective Trust | $ 243,150 | $ --- | Daily | None |

| | 2024 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
| Common/Collective Trust | $ 220,564 | $ --- | Daily | None |

## NOTE 4 CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Effective January 1, 2025, ADP Retirement Trust Services, LLC succeeded Reliance Trust Company as trustee of the Plan; the change did not affect the Plan's investment options or participant account balances.

Accordingly, ADP Retirement Trust Services, LLC and Reliance Trust Company, each a qualified institution, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 (certified by ADP Retirement Trust Services, LLC as of December 31, 2025 and by Reliance Trust Company as of December 31, 2024).

- Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025 (certified by ADP Retirement Trust Services, LLC)

- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the ERISA required supplemental schedule (certified by ADP Retirement Trust Services, LLC).

As permitted under ERISA Section 103(a)(3)(C), and at the election of the Plan administrator, the Plan's independent auditors did not perform any auditing procedures with respect to the certified investment information, other than comparing the certified information to the related information presented in the financial statements and ERISA-required supplemental schedule.

## NOTE 5 TAX STATUS

The Plan is a non-standardized pre-approved defined contribution plan. Effective April 1, 2023, the Plan was amended and restated onto a pre-approved plan document sponsored by ADP, Inc., which has received an opinion letter from the Internal Revenue Service as to the qualified form of the plan document. Prior to that date, the Plan was maintained on a pre-approved plan document sponsored by Keystone 401(k), LLC. The Plan has been amended since the date of the opinion letter. The plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

## NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become one hundred percent (100%) vested in their accounts.

## NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities held by the Plan, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 8 RELATED PARTY TRANSACTIONS

Certain Plan investments are held by ADP Retirement Trust Services, LLC, the trustee of the Plan, and recordkeeping services are provided by ADP Retirement Services, a division of ADP, Inc. Transactions with these parties qualify as party-in-interest transactions and are exempt from the prohibited transaction rules under ERISA.

## NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 23, 2026, the date the financial statements were available to be issued. Other than noted below, the Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

*Plan Amendment*

Effective January 1, 2026, the Plan was amended to modify the definition of compensation used to determine contributions under the Plan.
