Independent Auditor's Report

The Administrative Committee
Sharp$aver Defined Contribution Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sharp$aver Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Sharp$aver Defined Contribution Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Sharp HealthCare (the Principal Employer) and certain of its affiliated entities (the Affiliated Entities) that have met certain eligibility requirements. Eligible employee must be full- time, part- time, or per- diem employees.

The Plan provides employees with a salary deferral option pursuant to Section 401(a) of the Internal Revenue Code (the Code). The Principal Employer serves as the administrator of the Plan. The Plan engages Russell Investment Trust Company (Trustee) to hold and invest Plan assets and execute Plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Affiliated Entities, each of which is owned or managed by the Principal Employer, that also sponsor the Plan are as follows: Sharp Grossmont Hospital, Sharp Memorial Hospital, Sharp Chula Vista Medical Center, Sharp Health Plan, and Sharp Coronado Hospital and Healthcare Center. The Principal Employer and the Affiliated Entities are referred to together herein as the "Employers".

Contributions

Eligible employees may elect to defer up to 100% of eligible compensation after reductions for tax withholding, wage garnishments, deductions for employee benefits and other committed deductions, not to exceed statutory limits.

The Employers are required to make matching contributions equal to 50% of the first 5% of eligible participant's compensation deferred. For employees with 20 or more years of service, the Employers' required matching contribution becomes 80% for employees contributing 5% of eligible pay (as defined in the Plan document).

A participant may, with the consent of the Plan administrator, make a rollover contribution to the Plan that is not matched by the Employers. Rollover contributions are assets transferred to the Plan from a qualified retirement plan in which an employee participated prior to employment with the Employer.

The Employers may make a qualified non-elective contribution (QNEC) on behalf of non-highly compensated employees, to the extent necessary to satisfy the non-discrimination tests. For the year ended December 31, 2025, the Employers' qualified non-elective contribution was $ 887,736.

Participant contributions are recorded and remitted to the Trustee each bi-weekly period and recorded in the year withheld from a participant's check. Matching contributions for all participants are also remitted to the Trustee each bi-weekly period.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Vesting

Participants are immediately 100% vested in their employee deferral contributions plus actual earnings thereon. Vesting in the Employers' contributions and the earnings thereon, is based on years of service. Years of service for vesting purposes is based upon the completion of 1,000 hours of service within a plan year. Participant vesting is as follows:

Years of Service	Vested Percentage (%)
Less than 1	-
1 but less than 2	25
2 but less than 3	50
3 or more	100

Notwithstanding the preceding vesting schedule, if a participant attains the age of 55, dies, or terminates employment by reason of permanent disability, the Employer matching, and discretionary amounts become 100% vested without regard to years of service.

Forfeitures

Participants who are not 100% vested will forfeit the nonvested portion of the employers match and the earnings thereon upon termination of employment. Forfeitures will be used to reduce future employer contributions. Forfeitures of $ 318,754 were used to reduce employer contributions for the year ended December 31, 2025. The forfeitures account balances were $354,510 and $344,382 at December 31, 2025 and 2024.

Payment of Benefits

Upon termination of service, if the participant's vested account does not exceed $7,000, and the participant does not otherwise direct the plan administrator, then a distribution will be made through a direct rollover to an individual retirement account (IRA) in the participant's name (outside of the plan). If the participant's vested account balance exceeds $7,000, the participant may defer receipt of payment according to plan provisions, elect to receive a lump-sum payment, or elect to receive fixed or calculated payments over a period not to exceed 20 years.

Withdrawals

Active participants may withdraw all or a portion of their account balances attributable to their own contributions. Withdrawals are generally subject to the withholding of income taxes and penalties, as specified by the Code. After making a withdrawal, a participant is prohibited from making contributions for at least six months and from making additional withdrawals for a 12-month period.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the financial statements and reported amounts during the reporting period. Actual results could differ from the estimated amounts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2025 and 2024, there were $2,755,275 and $2,581,592, respectively, in distributions outstanding on accounts of participants who had elected to withdraw from participation in the Plan but had not yet been paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Employers, except for certain expenses that are charged to participant accounts, including certain withdrawal fees, plan administrative fees and investment management fees. Certain investment expenses which are charged within investments are presented net of the appreciation (depreciation) in fair value of investments. All other expenses of the Plan for the year ended December 31, 2025, were paid by the Employers and are excluded from these financial statements.

Contribution Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/profit sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Russell Investments Trust Company, a qualified institution.

4. Fair Value of Investments

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows**:**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability**.**

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded**.**

Collective Investment Funds (CIF) – These assets are valued at the NAV of units of a collective investment fund. The NAV, as provided by the trustee of the CIF, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the

fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CIF, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These investments are direct filing entities.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 519,291,311	$ -	$ -	$ 519,291,311
Total Investments, in the fair value hierarchy	$ 519,291,311	$ -	$ -	519,291,311
Collective investment funds, at NAV				1,051,932,421
Investments, at fair value				$ 1,571,223,732

December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 436,066,963	$ -	$ -	$ 436,066,963
Total Investments, in the fair value hierarchy	$ 436,066,963	$ -	$ -	436,066,963
Collective investment funds, at NAV				949,206,278
Investments, at fair value				$ 1,385,273,241

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments:

December 31, 2025

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Investment type:				
Collective investment funds	$1,051,932,421	N/A	Daily	None

December 31, 2024

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Investment type:				
Collective investment funds	$ 949,206,278	N/A	Daily	None

5. Income Tax Status

The Plan received a favorable determination letter from the IRS dated May 20, 2014. The plan has since been amended; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by the Trustee or its affiliates. The Plan paid for certain third-party administrator fees, investment advisory, and certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying statements of net assets available for benefits to Form 5500:

December 31,	**2025**	2024
Net Assets Available for Benefits, per the financial statements	**$1,571,256,203**	$ 1,385,046,046
Participant distributions outstanding	**(2,755,275)**	(2,581,592)
Net Assets Available for Benefits, per Form 5500	**$1,568,500,928**	$ 1,382,464,454

The following is a reconciliation of net increase in net assets per the financial statements to the net income per Form 5500:

Year ended December 31, 2025		
Net Increase, per the financial statements	$	186,210,157
Increase in participant distributions outstanding		(173,683)
Net Income, per Form 5500	$	186,036,474

9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

10. Subsequent Events

The financial statements and related disclosures include an evaluation of events up through and including October 5, 2026, which is the date the financial statements were available to be issued.

On July 22, 2026, the Board of Directors of the Employer resolved to freeze the Plan effective December 31, 2027. No additional employee or employer contributions will be allowed to the Plan after that date.
