INDEPENDENT AUDITOR'S REPORT

The Trustees and Administrator
Johnson-Davis Incorporated Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Johnson-Davis Incorporated Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Johnson-Davis Incorporated Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).
Management has obtained certifications from a qualified institution, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Member
American Institute of Certified Public Accountants • Florida Institute of Certified Public Accountants

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Johnson-Davis Incorporated Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnson-Davis Incorporated Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Johnson-Davis Incorporated Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnson-Davis Incorporated Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JOHNSON-DAVIS INCORPORATED SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

1 DESCRIPTION OF PLAN

The following description of the Johnson-Davis Incorporated Savings & Retirement Plan (the "Plan") is provided for informational purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1984 under the provisions of Section 401(a) of the Internal Revenue Code. The amended and restated provisions of the Plan became effective January 1, 2024 to conform the Plan to new tax laws. The Plan is a defined-contribution plan, which consists of a profit sharing plan with a 401(k) option. Employees will become a participant of the Plan once they attain the age of 18 and have completed a twelve-month period of eligible service, as defined. The Plan covers eligible employees of Johnson-Davis Incorporated ("the Plan Sponsor").

An eligible employee shall become a participant effective as of the first day of the plan year or the first day of the seventh month of the plan year following the date on which such employee met the eligibility requirements to become a participant.

Fidelity Management Trust Company ("FMTC") was the appointed trustee and custodian ("the Trustee and Custodian") and Fidelity Workplace Services, LLC ("FWS") was the appointed recordkeeper ("the Recordkeeper") of the Plan's assets as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Every year participants may elect to reduce their compensation by a specific percentage or dollar amount and have the amount contributed to the Plan as a pre-tax salary deferral.

Additionally, participants may make post-tax Roth deferral contributions to the Plan. The Plan also allows employer prevailing wage, employer matching, and profit sharing contributions to be made at the discretion of the Plan Sponsor.

The employer did not authorize any profit sharing contributions or prevailing wage contributions for the year ended December 31, 2025.

1 DESCRIPTION OF PLAN (continued)

Contributions (continued)

The Plan Sponsor authorized safe harbor contributions to the Plan of $499,571 for the year ended December 31, 2025.

Participant accounts

Each account is credited with the participant's allocation of the participant's contribution, the Plan Sponsor's contribution, an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses paid by the Plan. The benefits to which a participant is entitled are those that can be provided from the participant's vested account.

Distribution of benefits

After age 59 ½, upon termination of service due to death, as a qualified reservist, disability or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or partial withdrawals of at least $500. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum amount or partial withdrawals of at least $500.

Vesting

Participants are vested immediately in their contributions and the Plan Sponsor's contributions plus actual earnings thereon.

Notes receivable from participants

Participants may borrow from their fund's accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding loans on the date the new loan is being requested or half of their vested interest in the Plan.

1 DESCRIPTION OF PLAN (continued)

Notes receivable from participants (continued)

The plan administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate will be fixed for the duration of the loan. The loans are secured by the participant's vested interest in the Plan, provided that the loan does not exceed 50% of the participant's vested interest.

Principal and interest are repaid through payroll deductions over a period of no more than five years unless the loan is used to purchase a primary residence, which then the plan administrator may allow for a longer repayment term. The interest rates on notes outstanding as of December 31, 2025 and 2024 ranged from 4.25% to 8.50%. As of December 31, 2025 and 2024, there were no delinquent loans as all are deemed distributions to participants.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions, as well as employer matching contributions and any related earnings to the investment options offered by the Plan. Participants may change their investment elections at any time.

Investment valuation and income recognition

Net appreciation in fair value of investments includes both realized gains and losses and unrealized appreciation and depreciation in the market value of investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date.

Tax status

The Plan obtained its latest favorable determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, and the Trust established under the Plan, were in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Therefore, no provision for income taxes has been included in the Plan's financial statements. U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements, in accordance with U.S. GAAP, requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Plan termination

Although the Plan Sponsor has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Payment of benefits

Benefits are recorded when paid.

Risks & uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

New accounting pronouncements

The Plan evaluates new accounting pronouncements for relevance and impact on its financial statements. Management does not expect that timely adoption of any new pronouncements will have a material impact on the Plan's net assets or changes in net assets.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Management review of subsequent events

Management has evaluated subsequent events through October 6, 2026, the date the financial statements were available to be issued.

3 FAIR VALUE MEASUREMENTS

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

3 FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: The fair values of investments in mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Money Market Funds: The fair values of investments in money market funds are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Stable Value Funds: The Plan invests indirectly in fully benefit-responsive investment contracts through its participation in the Morley Stable Value Fund ("Stable Value Fund"). The Plan participates in the Stable Value Fund, a common investment trust, which is invested in contracts, both conventional guaranteed investments and synthetic investments, issued by insurance companies and other financial institutions. A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value of units of the common investment trust.

The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Withdrawals from the Stable Value Fund related to benefit payments and participant-directed transfers to noncompeting investment options are made at contract value as soon as administratively practicable following the Plan's request. A full or partial withdrawal from the Stable Value Fund directed by the Plan Sponsor, rather than by individual participants, requires twelve months' advance written notice to the fund's trustee, although the trustee retains discretion to permit an earlier disbursement if it determines doing so is in the best interest of the fund as a whole. Units of the Stable Value Fund may not otherwise be transferred without the trustee's consent, and there is no public market for the units. At December 31, 2025 and 2024, the Plan had no unfunded commitments related to its investment in the Stable Value Fund.

3 FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Fair Value Measurements at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 12,745,429	$ -	$ -	$ 12,745,429
Money Market Funds	679,829	-	-	679,829
Total assets in the fair value hierarchy	$ 13,425,258	$ -	$ -	13,425,258
Investment measured at net asset value				160,868
Total investments, at fair value				$ 13,586,126

Fair Value Measurements at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,446,138	$ -	$ -	$ 11,446,138
Money Market Funds	199,917	-	-	199,917
Total assets in the fair value hierarchy	$ 11,646,055	$ -	$ -	11,646,055
Investment measured at net asset value				175,993
Total investments, at fair value				$ 11,822,048

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2025 are reported as net appreciation in fair value of investments.

4 ADMINISTRATIVE EXPENSES

During the year ended December 31, 2025, $17,156 in administrative expenses were incurred by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

5 ADMINISTRATION OF THE PLAN

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan. Certain administrative expenses of the Plan are incurred and paid by the Plan Sponsor.

Fees related to the administration of distributions are charged directly to the corresponding participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

6 PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest transactions, as defined under Department of Labor Regulations, include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Certain Plan investments are in funds and accounts that are managed by FMTC. Loans made to participants qualify as parties-in-interest transactions, which are exempt from the prohibited transaction rules. Participant loan and distribution processing fees are paid to FMTC by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are parties-in-interest transactions under ERISA.

The Plan Sponsor paid $10,000 of administrative expenses on behalf of the Plan during the year ended December 31, 2025.

7 INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIAN, AND RECORDKEEPER

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

The Trustee and Custodian, and Recordkeeper have certified that the following data included in the financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Total investment income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information certified by the Trustee and Custodian and the Recordkeeper to the related information included in the financial statements.
